3. Possession of a machine gun is a Class D crime.

1052. Right to possess, carry or transport machine gun

Any law enforcement officer of the State of Maine, any law enforcement officer of another state or a territory of the United States, members of the Armed Forces, Maine National Guard and Maine State Guard may possess a machine gun if the possession or carrying of such weapon is in the discharge of his official duties and has been authorized by his appointing authority.

Machine guns manufactured, acquired, transferred or possessed in accordance with the National Firearms Act, as amended, shall be exempt from this chapter.

1053. Confiscation and seizure of machine gun

Any machine gun possessed in violation of section 1051 is declared to be contraband and is subject to forfeiture to the State. Any law enforcement officer shall have the power to seize the same with due process.

When a machine gun is seized as provided, the officer seizing the same shall immediately file with the judge before whom such warrant is returnable, a libel against the machine gun, setting forth the seizure and describing the machine gun and the place of seizure in a sufficient manner to reasonably identify it, that it was possessed in violation of law and pray for a decree of forfeiture thereof. Such judge shall fix a time for the hearing of such libel and shall issue his monition and notice of same to all persons interested, citing them to appear at the time and place appointed to show cause why such machine gun should not be declared forfeited, by causing true and attested copies of said libel and monition to be posted in 2 public and conspicuous places in the town and place where such machine gun was seized, 10 days at least before said libel is returnable. In addition, a true and attested copy of the libel and monition shall be served upon the person from whom said machine gun was seized and upon the owner thereof, if their whereabouts can be readily ascertained 10 days at least before said libel is returnable. In lieu of forfeiture proceedings, title to such seized machine gun may be transferred in writing to the State of Maine by the owner thereof. chine gun shall be given to the former owner by the law enforcement officer who seized the machine gun.

1054. Forfeiture of machine gun If no claimant for a machine gun seized under the authority of section 1053 appears, the judge shall, on proof of notice, declare the same to be forfeited to the State. If any person appears and claims such machine gun, as having a right to the possession thereof at the time when the same was seized, he shall file with the judge a claim in writing stating specifically the right so claimed, the foundation thereof, the item so claimed, any exemption claimed, the time and place of the seizure and the name of the law enforcement officer who seized the machine gun, and in it declare that it was not possessed in violation of this chapter, and state his business and place of residence and sign and make oath to the same before said judge. If any person so makes claim, he shall be admitted as a party to the process, and the libel, and may hear any pertinent evidence offered by the libellant or claimant. If the judge is, upon hearing, satisfied that said machine gun was not possessed in violation of this chapter, and that claimant is entitled to the custody thereof, he shall give an order in writing, directed to the law enforcement officer having seized the same, commanding him to deliver to the claimant the machine gun to which he is so found to be entitled, within 48 hours after demand. If the judge finds the claimant not entitled to possess the machine gun, he shall render judgment against him for the libellant for costs, to be taxed as in civil cases before such judge, and issue execution thereon, and shall declare such machine gun forfeited to the State. The claimants may appear and shall recognize with sureties as on appeals in civil actions from a judge. The judge may order that the machine gun remain in the custody of the seizing law enforcement officer, pending the disposition of the appeal. All machine guns declared forfeited to the State, or title to which have been transferred to the State in lieu of forfeiture proceedings shall be turned over to the Chief of the Maine State Police. If said machine gun is found to be of a historic, artistic, scientific or educational value, the State Police may retain the machine gun for an indefinite period of time. 3. If another person satisfies subsection 2, paragraph B, a court shall nonetheless order the forfeiture of a firearm otherwise qualifying for forfeiture under subsection 1, paragraph A, subparagraph (1) if the State can satisfy the court by a preponderance of the evidence both that the other person knew or should have known that the defendant was a prohibited person under Title 15, section 393 and that the other person intentionally, knowingly or recklessly allowed the defendant to possess or have under the defendant's control the firearm.

Chapter 101. Protection From Abuse

4006. Hearings

1. **FULL HEARING.** Within 21 days of the filing of a complaint, a hearing must be held at which the plaintiff must prove the allegation of abuse by a preponderance of the evidence. If a request for temporary, emergency or interim relief is denied, the hearing must be held as soon as practicable within the 21-day period.

2. **TEMPORARY ORDERS.** The court may enter temporary orders authorized under subsection 5 that it considers necessary to protect the plaintiff or minor child from abuse, on good cause shown in an ex parte proceeding, which the court shall hear and determine as expeditiously as practicable after the filing of a complaint. Immediate and present danger of abuse to the plaintiff or minor child constitutes good cause. An order remains in effect pending a hearing pursuant to subsection 1.

2-A. TEMPORARY ORDERS; POSSESSION OF DANGEROUS WEAPONS. The court may direct the defendant not to possess a firearm or other dangerous weapon for the duration of the temporary order if the complaint demonstrates:

A. Abuse that involves a firearm or other dangerous weapon; or

B. A heightened risk of immediate abuse to the plaintiff or a minor child. In determining whether a heightened risk of immediate abuse is present, the court shall consider, but is not limited to consideration of, whether:

(1) The temporary order of protection is not likely to achieve its purpose in the absence of such a condition;

(2) The defendant has violated orders of protection;

(3) Past or present abuse to a victim resulted in injury;

(4) The abuse occurred in public; and

(5) The abuse includes:

If the court prohibits the defendant from possessing a firearm or other dangerous weapon in a temporary order and if the defendant moves for dissolution or modification of an order pursuant to subsection 7, the court must hear and decide the motion as expeditiously as possible and must issue a written decision on the motion within 24 hours after a hearing on that motion.

If the court prohibits the defendant from possessing a dangerous weapon other than a firearm in a temporary order, the court shall specify the type of weapon the defendant is prohibited from possessing.

If the court prohibits the defendant from possessing a firearm or other dangerous weapon in a temporary order, the court shall direct the defendant to relinquish, within 24 hours after service of the order on the defendant or such earlier time as the court specifies in the order, all firearms and specified dangerous weapons in the possession of the defendant to a law enforcement officer or other individual for the duration of

the order. If the weapons are relinquished to an individual other than a law enforcement officer, the defendant must file, within 24 hours after such relinquishment, with the court or local law enforcement agency designated in the order a written statement that contains the name and address of the individual holding the weapons and a description of all weapons held by that individual. The court may subsequently issue a search warrant authorizing a law enforcement officer to seize any firearms and other dangerous weapons at any location if there is probable cause to believe such firearms or dangerous weapons have not been relinquished by the defendant. ...

4007. Relief.

1. PROTECTION ORDER; CONSENT AGREEMENT. The court, after a hearing and upon finding that the defendant has committed the alleged abuse, may grant a protective order or, upon making that finding, approve a consent agreement to bring about a cessation of abuse. This subsection does not preclude the parties from voluntarily requesting a consent agreement without a finding of abuse. The court may enter a finding that the defendant represents a credible threat to the physical safety of the plaintiff or a minor child residing in the plaintiff's household. Relief granted under this section may include: ...

A-1. Directing the defendant not to possess a firearm or other dangerous weapon for the duration of the order;...

1-A. NO POSSESSION OF FIREARM OR DANGEROUS WEAPONS FOR DURATION OF ORDER. If the court prohibits the defendant from possessing a dangerous weapon other than a firearm, the court shall specify the type of weapon the defendant is prohibited from possessing.

If the weapons are relinquished to an individual other than a law enforcement officer, the defendant must file, within 24 hours after such relinquishment, with

the court or local law enforcement agency designated in the order a written statement that contains the name and address of the individual holding the weapons and a description of all weapons held by that individual. The court may subsequently issue a search warrant authorizing a law enforcement officer to seize any firearms and other dangerous weapons at any location if there is probable cause to believe such firearms or dangerous weapons have not been relinquished by the defendant. ...

The repayment must include the actual, original value of the support, plus reasonable interest calculated by a method specified by the Director of Finance.

[**Publisher's note:** 2001 L.M.C., ch. 11, § 2 provides that § 57-13 applies to (1) support that an organization receives from the county after Dec. 1, 2001 and (2) the display of a gun for sale at the facility after Dec. 1, 2001, and that § 57-13 expires on Dec. 1, 2011.]

122. Licenses; contents; fingerprints of applicants; procedure on refusal of license; fees; punishment for improper issuance. The chief of police or the board or officer having control of the police in a city or town, or persons authorized by them, may, after an investigation into the criminal history of the applicant to determine eligibility for a license under this section, grant a license to any person except an alien, a minor, a person who has been adjudicated a youthful offender, as defined in section fifty-two of chapter one hundred and nineteen, including those who have not received an adult sentence or a person who has been convicted of a felony or of the unlawful use, possession or sale of narcotic or harmful drugs, to sell, rent or lease firearms, rifles, shotguns or machine guns, or to be in business as a gunsmith. The taking of fingerprints shall not be required in issuing a renewal of a license, if the fingerprints of said applicant are on file with the department of the state police. The licensing authority to whom such application is made shall cause one copy of such application to be forwarded to the commissioner of the department of criminal justice information services. Any person refused a license under this section may within ten days thereafter apply to the colonel of state police for such license, who may direct that said licensing authorities grant said license, if, after a hearing, he is satisfied there were no reasonable grounds for the refusal to grant such license and that the applicant was not barred by the provisions of law from holding such a license. 122A. Record of licenses; notice to department of criminal justice information services; sales record. The licensing authority, under section one hundred and twenty-two, shall record all issued licenses in books, forms or electronic files kept for that purpose, and upon the granting of any such license or renewal thereof or renewal of an expired license shall send notice thereof to the department of criminal justice information services in a manner prescribed by the commissioner of the department of criminal justice information; provided, however, that said executive director shall promulgate rules and regulations to ensure

the prompt collection, exchange, dissemination, and distribution of such license information. The commissioner of the department of criminal justice information services, upon the application of the licensee, at a price not in excess of the cost thereof, shall furnish said licensee with the necessary sales record books to be kept by him as provided in section one hundred and twenty-three.

Every license shall specify the street and number, if any, of the building where the business is to be carried on. The licensing authority to whom such application is made shall cause one copy of the application to be forwarded to the commissioner of the department of criminal justice information services, who shall within a reasonable time thereafter advise such authority in writing of any criminal record disqualifying the applicant. The fee for an application for a license to sell ammunition shall be \$100, which shall be payable to the licensing authority and shall not be prorated or refunded in case of revocation or denial. The licensing authority shall retain \$25 of the fee; \$50 of the fee shall be deposited into the general fund of the commonwealth; and \$25 of the fee shall be deposited in the Firearms Fingerprint Identity Verification Trust Fund. The licensing authority to whom such application is made shall cause one copy of any approved application to be forwarded to the commissioner of the department of criminal justice information services.

The licensing authority may revoke or suspend a license to sell ammunition for violation of any provision of this chapter.

The secretary of the executive office of public safety may establish such rules and regulations as he may deem necessary to carry out the provisions of this section.

Any person refused a license under this section or once issued a license under this section has had said license suspended or revoked may obtain a judicial review of such refusal, suspension or revocation by filing within thirty days of such refusal, suspension or revocation a petition for review thereof in the district court having jurisdiction in the city or town in which the applicant

filed for such license, and a justice of said court, after a hearing, may direct that a license be issued the applicant if satisfied there was no reasonable ground for refusing such license and that the applicant was not prohibited by law from holding the same.

Whoever not being licensed, as hereinbefore provided, sells ammunition within the commonwealth shall be punished by a fine of not less than five hundred nor more than one thousand dollars or by imprisonment for not less than six months nor more than two years.

"Malfunction" shall not include a misfire caused by a faulty cartridge the primer of which fails to detonate when properly struck by the firearm's firing mechanism.

Nineteenth. That no licensee shall sell, rent, lease, transfer or deliver or offer for sale, lease, transfer or delivery any firearm to any purchaser in the commonwealth unless such sale is to a business entity that is primarily a firearms wholesaler, and the sale, by its terms, prohibits such purchaser from reselling such firearm to a firearm retailer or consumer in the commonwealth if such firearm is prone to accidental discharge which, for purposes of this clause, shall mean any make and model of firearm for which a sample of five firearms in new condition all undergo, and none discharge during, the following test: Each of the five sample firearms shall be: (a) test loaded; (b) set so that the firearm is in a condition such that pulling the trigger and taking any action that must simultaneously accompany the pulling of the trigger as part of the firing procedure would fire the handgun; and (c) dropped onto a solid slab of concrete from a height of one meter from each of the following positions: (i) normal firing position; (ii) upside down; (iii) on grip; (iv) on the muzzle; (v) on either side; and (vi) on the exposed hammer or striker or, if there

is no exposed hammer or striker, the rearmost part of the firearm. If the firearm is designed so that its hammer or striker may be set in other positions, each sample firearm shall be tested as above with the hammer or striker in each such position but otherwise in such condition that pulling the trigger, and taking any action that must simultaneously accompany the pulling of the trigger as part of the firing procedure, would fire the firearm. Alternatively, the tester may use additional sample firearms of the same make and model, in a similar condition, for the test of each of these hammer striker settings.

Twentieth. That no licensee shall sell, rent, lease, transfer or deliver or offer for sale, lease, transfer or delivery, any firearm to any purchaser in the commonwealth unless such sale is to a business entity that is primarily a firearm wholesaler, and the sale, by its terms, prohibits the purchaser from reselling such firearm to a firearm retailer or consumer in the commonwealth if such firearm is prone to: (i) firing more than once per pull of the trigger; or (ii) explosion during firing.

Twenty-first. That no licensee shall sell, rent, lease, transfer or deliver or offer for sale, lease, transfer or delivery any firearm to any purchaser in the commonwealth unless such sale is to a business entity that is primarily a firearm wholesaler and the sale, by its terms, prohibits the purchaser from reselling such firearm to a firearm retailer or consumer in the commonwealth if such firearm has a barrel less than three inches in length, unless the licensee discloses in writing, prior to the transaction, to the prospective buyer, lessee, deliverer or transferee the limitations of the accuracy of the particular make and model of the subject firearm, by disclosing the make and model's average group diameter test result at seven yards, average group diameter test result at 14 yards and average group diameter test result at 21 yards. For purposes of this clause, "average group diameter test result" shall mean the arithmetic mean of three separate trials, each performed as follows on a different sample firearm in new condition of the make and model at issue. Each firearm shall fire five rounds at a target from a set distance and the largest spread in inches between the centers of any of the holes made in a test target shall be measured and recorded. This procedure shall be repeated two more times on the firearm. The arithmetic mean of each of the three recorded results shall be deemed the result of the trial for that particular sample firearm. The ammunition used shall be the type recommended by the firearm manufacturer in its user manual or, if none is recommended, any standard ammunition of the correct caliber in new condition. No licensee shall sell any rifle or shotgun, contrary to the provisions of section one hundred and thirty or section 131E

Clauses Eighteenth to Twenty-first, inclusive, of the first paragraph shall not apply to: (a) any firearm lawfully owned or possessed under a license issued under this chapter on or before October 21, 1998; or (b) any firearm designated by the secretary of public safety, with the advice of the gun control advisory board established pursuant to [section 1311/2 of chapter 140](#), as a firearm solely designed and sold for formal target shooting competition. The secretary of public safety shall compile a list, on a bi-annual basis, of firearms designated as formal target shooting firearms in accordance with this paragraph. Such list shall be made available for

distribution by the executive office of public safety.

No person licensed under the provisions of section 122 or section 122B shall sell, rent, lease, transfer or deliver any rifle, shotgun or firearm or ammunition or ammunition feeding device contrary to the provisions of section 130 or section 131E; and no such licensee shall sell, rent, lease, transfer or deliver any rifle, shotgun or firearm or ammunition or ammunition feeding device to any person who does not have in his possession the required firearm identification card or proof of exemption therefrom, license to carry firearms or permit to purchase, rent or lease firearms and who does not present such card, proof, license or permit to the licensee in person at the time of purchase, rental or lease. No person licensed under the provisions of section 122 or section 122B shall fill an order for such weapon, ammunition or ammunition feeding device that was received by mail, facsimile, telephone or other telecommunication unless such transaction or transfer includes the in-person presentation of the required card, proof, license or permit as required herein prior to any sale, delivery or any form of transfer of possession of the subject weapon, ammunition or ammunition feeding device. Transactions between persons licensed under section 122 or between federally licensed dealers shall be exempt from the provisions of this paragraph.

The licensing authority shall enter, one time per calendar year, during regular business hours, the commercial premises owned or leased by any licensee, wherein such records required to be maintained under this section are stored or maintained, and inspect, in a reasonable manner, such records and inventory for the purpose of enforcing the provisions of this section. If such records and inventory contain evidence of violations of this section, the inspecting officer shall produce and take possession of copies of such records and, in the event that the licensee subject to inspection does not possess copying equipment, the inspecting officer shall arrange to have copied, in a reasonable time and manner, such records that contain evidence of such violations and the costs for such copying shall be assessed against the owner of such records. Licensees found to be in violation of this section shall be subject to the suspension or permanent revocation of such license issued under section 122 and to the provisions of section 128. Nothing herein shall prohibit the licensing authority or the department of state police from conducting such inspections pursuant to a valid search warrant issued by a court of competent jurisdiction.

Notwithstanding the provisions of this section, a person licensed under the provisions of section one hundred and twenty-two, or section one hundred and twenty-two B, may sell or transfer firearms, rifles, shotguns, machine guns or ammunition at any regular meeting of an incorporated collectors club or at a gun show open to the general public; provided, however, that all other provisions of this section are complied with and that such sale or transfer is in conformity with federal law or regulations applicable to the transfer or sale of firearms, rifles, shotguns, machine guns or ammunition, including the restrictions imposed upon firearm identification cards issued under section 129B, licenses to carry firearms issued under section 131 and permits to purchase, lease or rent firearms issued under section 131A.

124. Term of Licenses. Licenses issued under sections one hundred and twenty-two and one hundred and twenty-two B shall expire three years from the date of issuance.

125. Forfeiture or suspension of licenses; notice. The officials authorized to issue a license under section one hundred and twenty-two, after due notice to the licensee and reasonable opportunity for him to be heard, may declare his license forfeited, or may suspend his license for such period of time as they may deem proper, upon satisfactory proof that he has violated or permitted a violation of any condition thereof or has violated any provision of this chapter, or has been convicted of a felony. The pendency of proceedings before a court shall not suspend or interfere with the power to declare a forfeiture. If the license is declared forfeited, the licensee shall be disqualified to receive a license for one year after the expiration of the term of the license so forfeited. The commissioner of the department of criminal justice information services shall be notified in writing of any forfeiture under this section.

126. Placards, signs or advertisements; prima facie evidence for Sale. If there is exposed from, maintained in or permitted to remain on any vehicle or premises any placard, sign or advertisement purporting or designed to announce that firearms, rifles, shotguns or machine guns are kept in or upon such vehicle or premises or that an occupant of any vehicle or premises is a gunsmith, it shall be prima facie evidence that firearms, rifles, shotguns or machine guns are kept in or upon such vehicle or premises for sale or that the occupant is engaged in business as a gunsmith.

127. Transfer of Licenses. The officials authorized to issue a license under section one hundred and twenty-two may transfer licenses from one location to another within the city or town in which the licenses are in force, but such transfer shall be granted only to the original licensee and upon the same terms and conditions upon which the license was originally granted. The commissioner of the department of criminal justice information services shall be notified in writing of any transfers made under this section.

128. Penalty for violation of statute on selling, renting or leasing weapons; evidence on sale of machine gun. Any licensee under a license described in section one hundred and twenty-three, and any employee or agent of such a licensee, who violates any provision of said section required to be expressed in the second, fourth, sixth, seventh, eighth, ninth, sixteenth, eighteenth, nineteenth, twentieth or twenty-first condition of said license, and except as provided in section one hundred and twenty-eight A, any person who, without being licensed as herein before provided, sells, rents or leases a firearm, rifle, shotgun or machine gun, or is engaged in business as a gunsmith, shall be punished by a fine of not less than \$1,000 nor more than \$10,000, or by imprisonment for not less than one year nor more than ten years, or by both such fine and imprisonment.

Evidence that a person sold or attempted to sell a machine gun without being licensed under section one hundred and twenty-three shall, in a prosecution under this section, constitute prima facie evidence that such person is engaged in the business of selling machine guns.

128A. Application of Sec. 128. The provisions of section one hundred and twenty-eight shall not apply to any person who, without being licensed as provided in section one hundred and twenty-two, sells or transfers a

firearm, rifle or shotgun to a person licensed under said section one hundred and twenty-two, or to a federally licensed firearms dealer or to a federal, state or local historical society, museum or institutional collection open to the public. The provisions of section one hundred and twenty-eight shall not apply to any resident of the commonwealth who, without being licensed as provided in section one hundred and twenty-two, sells or transfers to other than a federally licensed firearms dealer or organization named above not more than four firearms, including rifles and shotguns in any one calendar year; provided, however, that the seller has a firearm identification card or a license to carry firearms, is an exempt person under the conditions of clauses (n), (o), (r) and (s) of the fourth paragraph of section one hundred and twenty-nine C, or is permitted to transfer ownership under the conditions of section one hundred and twenty-nine D and the purchaser has, in the case of sale or transfer of a firearm, a permit to purchase issued under the provisions of section one hundred and thirty-one A and a firearm identification card issued under section one hundred and twenty-nine B, or has such permit to purchase and is an exempt person under the provisions of section one hundred and twenty-nine C, or has been issued a license to carry firearms under the provisions of section one hundred and thirty, or in the case of sale or transfer of a rifle or shotgun, the purchaser has a firearm identification card or a license to carry firearms or is an exempt person as hereinbefore stated; and provided, further, that such resident reports within seven days, in writing to the commissioner of the department of criminal justice information services on forms furnished by said executive director, the names and addressees of the seller and the purchaser of any such large capacity feeding device, firearm, rifle or shotgun, together with a complete description of the firearm, rifle or shotgun, including its designation as a large capacity weapon, if applicable, the calibre, make and serial number and the purchaser's license to carry firearms number, permit to purchase number and identifying number of such documentation as is used to establish exempt person status in the case of a firearm or the purchaser's license to carry number or firearm identification card number or said document identity number, in the case of a rifle or shotgun.

128B. Unauthorized purchase of firearms; report to commissioner; penalties. Any resident of the commonwealth who purchases or obtains a firearm, rifle or shotgun or machine gun from any source within or without the commonwealth, other than from a licensee under section one hundred and twenty-two or a person authorized to sell firearms under section one hundred and twenty-eight A, and any nonresident of the commonwealth who purchases or obtains a firearm, rifle, shotgun or machine gun from any source within or without the commonwealth, other than such a licensee or person, and receives such firearm, rifle, shotgun or machine gun, within the commonwealth shall within seven days after receiving such firearm, rifle, shotgun or machine gun, report, in writing, to the commissioner of the department of criminal justice information services the name and address of the seller or donor and the buyer or donee, together with a complete description of the firearm, rifle, shotgun or machine gun, including the caliber, make and serial number. Whoever violates any provision of this section shall for the first offense

be punished by a fine of not less than \$500 nor more than \$1,000 and for any subsequent offense by imprisonment in the state prison for not more than ten years.

129. Fictitious name or address and other false information; penalties. Whoever in purchasing, renting or hiring a firearm, rifle, shotgun or machine gun, or in making application for any form of license or permit issued in connection therewith, or in requesting that work be done by a gunsmith, gives a false or fictitious name or address or knowingly offers or gives false information concerning the date or place of birth, his citizenship status, occupation, or criminal record, shall for the first offense be punished by a fine of not less than five hundred nor more than one thousand dollars, or by imprisonment for not more than one year, or both; and for a second or subsequent offense, shall be punished by imprisonment for not less than two and one half years nor more than five years in the state prison.

129B. Firearm Identification Card; conditions and restrictions. A firearm identification card shall be issued and possessed subject to the following conditions and restrictions:

(1) Any person residing or having a place of business within the jurisdiction of the licensing authority or any person residing in an area of exclusive federal jurisdiction located within a city or town may submit to the licensing authority an application for a firearm identification card, or renewal of the same, which the licensing authority shall issue, unless the applicant:

(i) has ever, in a court of the commonwealth, been convicted or adjudicated a youthful offender or delinquent child, both as defined in section 52 of chapter 119, for the commission of: (a) a felony; (b) a misdemeanor punishable by imprisonment for more than two years; (c) a violent crime as defined in section 121; (d) a violation of any law regulating the use, possession, ownership, transfer, purchase, sale, lease, rental, receipt or transportation of weapons or ammunition for which a term of imprisonment may be imposed; or (e) a violation of any law regulating the use, possession or sale of controlled substances, as defined in section 1 of chapter 94C including, but not limited to, a violation under said chapter 94C; provided, however, that except for the commission of a violent crime or a crime involving the trafficking of controlled substances, if the applicant has been so convicted or adjudicated or released from confinement, probation or parole supervision for such conviction or adjudication, whichever is last occurring, not less than five years immediately preceding such application, such applicant's right or ability to possess a non-large capacity rifle or shotgun shall be deemed restored in the commonwealth with respect to such conviction or adjudication and such conviction or adjudication shall not disqualify such applicant for a firearm identification card;

(ii) has, in any other state or federal jurisdiction, been convicted or adjudicated a youthful offender or delinquent child for the commission of: (a) a felony; (b) a misdemeanor punishable by imprisonment for more than two years; (c) a violent crime as defined in section 121; (d) a violation of any law regulating the use, possession, ownership, transfer, purchase, sale, lease, rental, receipt or transportation of weapons or ammunition for which a term of imprisonment may be imposed; or (e) a violation of any law regulating the use, possession or sale of controlled substances, as defined in section 1 of chapter

94C; provided, however, that, except for the commission of a violent crime or a crime involving the trafficking of weapons or controlled substances, if the applicant has been so convicted or adjudicated or released from confinement, probation or parole supervision for such conviction or adjudication, whichever is last occurring, not less than five years immediately preceding such application, and such applicant's right or ability to possess a rifle or shotgun has been fully restored in the jurisdiction wherein the subject conviction or adjudication was entered, such conviction or adjudication shall not disqualify such applicant for a firearm identification card;

(iii) has been confined to any hospital or institution for mental illness, unless the applicant submits with his application an affidavit of a registered physician attesting that such physician is familiar with the applicant's mental illness and that in such physician's opinion the applicant is not disabled by such an illness in a manner that should prevent the applicant from possessing a firearm, rifle or shotgun;

(iv) is or has been under treatment for or confinement for drug addiction or habitual drunkenness, unless such applicant is deemed to be cured of such condition by a licensed physician, in which case he may make application for such card after the expiration of five years from the date of such confinement or treatment and upon presentation of an affidavit issued by such physician to the effect that such physician knows the applicant's history of treatment and that in such physician's opinion the applicant is deemed cured;

(v) is at the time of the application less than 15 years of age;

(vi) is at the time of the application more than 15 but less than 18 years of age, unless the applicant submits with his application a certificate of his parent or guardian granting the applicant permission to apply for a card;

(vii) is an alien;

(viii) is currently subject to: (a) an order for suspension or surrender issued pursuant to section 3B or 3C of chapter 209A or a similar order issued by another jurisdiction; or (b) a permanent or temporary protection order issued pursuant to chapter 209A or a similar order issued by another jurisdiction; or

(ix) is currently the subject of an outstanding arrest warrant in any state or federal jurisdiction.

(2) Within seven days of the receipt of a completed application for a card, the licensing authority shall forward one copy of the application and one copy of the applicant's fingerprints to the colonel of state police, who shall, within 30 days, advise the licensing authority, in writing, of any disqualifying criminal record of the applicant arising from within or without the commonwealth and whether there is reason to believe that the applicant is disqualified for any of the foregoing reasons from possessing a card; provided, however, that the taking of fingerprints shall not be required in issuing the renewal of a card if the renewal applicant's fingerprints are on file with the department of state police. In searching for any disqualifying history of the applicant, the colonel shall utilize, or cause to be utilized, files maintained by the department of mental health, department of probation and statewide and nationwide criminal justice, warrant and protection order information systems and files including, but not limited to, the National Instant Criminal Background Check System. If the information available to the colonel does not indicate that the possession of a non-large capacity rifle or shotgun by the applicant would be in violation of

state or federal law, he shall certify such fact, in writing, to the licensing authority within such 30 day period.

(3) The licensing authority may not prescribe any other condition for the issuance of a firearm identification card and shall, within 40 days from the date of application, either approve the application and issue the license or deny the application and notify the applicant of the reason for such denial in writing; provided, however, that no such card shall be issued unless the colonel has certified, in writing, that the information available to him does not indicate that the possession of a rifle or shotgun by the applicant would be in violation of state or federal law.

(4) A firearm identification card shall be revoked or suspended by the licensing authority or his designee upon the occurrence of any event that would have disqualified the holder from being issued such card or from having such card renewed or for a violation of a restriction provided under this section. Any revocation or suspension of a card shall be in writing and shall state the reasons therefor. Upon revocation or suspension, the licensing authority shall take possession of such card and receipt for fee paid for such card, and the person whose card is so revoked or suspended shall take all action required under the provisions of section 129D. No appeal or post-judgment motion shall operate to stay such revocation or suspension. Notices of revocation and suspension shall be forwarded to the executive director of the criminal history systems board and the commissioner of probation and shall be included in the criminal justice information system. A revoked or suspended card may be reinstated only upon the termination of all disqualifying conditions.

(5) Any applicant or holder aggrieved by a denial, revocation or suspension of a firearm identification card, unless a hearing has previously been held pursuant to chapter 209A, may, within either 90 days after receipt of notice of such denial, revocation or suspension or within 90 days after the expiration of the time limit in which the licensing authority is required to respond to the applicant, file a petition to obtain judicial review in the district court having jurisdiction in the city or town wherein the applicant filed for or was issued such card. A justice of such court, after a hearing, may direct that a card be issued or reinstated to the petitioner if the justice finds that such petitioner is not prohibited by law from possessing such card.

(6) A firearm identification card shall not entitle a holder thereof to possess: (i) a large capacity firearm or large capacity feeding device therefor, except under a Class A license issued to a shooting club as provided under section 131 or under the direct supervision of a holder of a Class A license issued to an individual under section 131 at an incorporated shooting club or licensed shooting range; or (ii) a non-large capacity firearm or large capacity rifle or shotgun or large capacity feeding device therefor, except under a Class A license issued to a shooting club as provided under section 131 or under the direct supervision of a holder of a Class A or Class B license issued to an individual under section 131 at an incorporated shooting club or licensed shooting range. A firearm identification card shall not entitle a holder thereof to possess any rifle or shotgun that is, or in such manner that is, otherwise prohibited by law. A firearm identification card shall be valid for the purpose of purchasing and possessing chemical mace, pepper spray or other similarly propelled liquid, gas or powder designed to temporarily incapacitate.

Except as otherwise provided herein, a firearm identification card shall not be valid for the use, possession, ownership, transfer, purchase, sale, lease, rental or transportation of a rifle or shotgun if such rifle or shotgun is a large capacity weapon as defined in section 121.

(7) A firearm identification card shall be in a standard form provided by the executive director of the criminal history systems board in a size and shape equivalent to that of a license to operate motor vehicles issued by the registry of motor vehicles pursuant to section 8 of chapter 90 and shall contain an identification number, name, address, photograph, fingerprint, place and date of birth, height, weight, hair color, eye color and signature of the cardholder and shall be marked "Firearm Identification Card". If a firearm identification card is issued for the sole purpose of purchasing or possessing chemical mace, pepper spray or other similarly propelled liquid, gas or powder designed to temporarily incapacitate, such card shall clearly state that such card is valid for such limited purpose only. The application for such card shall be made in a standard form provided by the executive director of the criminal history systems board which shall require the applicant to affirmatively state, under the pains and penalties of perjury, that he is not disqualified on any of the grounds enumerated in clauses (i) to (ix), inclusive, from being issued such card.

(8) Any person who knowingly files an application containing false information shall be punished by a fine of not less than \$500 nor more than \$1,000 or by imprisonment for not less than six months nor more than two years in a house of correction, or by both such fine and imprisonment.

(9) A firearm identification card shall be valid, unless revoked or suspended, for a period of not more than 6 years from the date of issue, except that if the cardholder applied for renewal before the card expired, the card shall remain valid for a period of 90 days after the stated expiration date on the card, unless the application for renewal is denied. A card issued on February 29 shall expire on March 1. The executive director of the criminal history systems board shall send by first class mail to the holder of a firearm identification card, a notice of the expiration of the card not less than 90 days before its expiration, and shall enclose with the notice a form for the renewal of the card. The executive director of the criminal history systems board shall include in the notice all pertinent information about the penalties that may be imposed if the firearm identification card is not renewed within the 90 days before expiration.

(9A) Except as provided in clause (9B), the fee for an application for a firearm identification card shall be \$100, which shall be payable to the licensing authority and shall not be prorated or refunded in the case of revocation or denial. The licensing authority shall retain \$25 of the fee; \$50 of the fee shall be deposited in the General Fund; and \$25 of the fee shall be deposited in the Firearms Fingerprint Identity Verification Trust Fund. Notwithstanding any general or special law to the contrary, licensing authorities shall deposit quarterly that portion of the firearm identification card application fee which is to be deposited into the General Fund, not later than January 1, April 1, July 1 and October 1 of each year.

(9B) The application fee for a firearm identification card issued for the sole purpose of purchasing or possessing chemical mace, pepper spray or other similarly propelled liquid, gas or

powder designed to temporarily incapacitate shall be \$25, which shall be payable to the licensing authority and shall not be prorated or refunded in the case of revocation or denial. The licensing authority shall retain 50 per cent of the fee and the remaining portion shall be deposited in the General Fund. Notwithstanding any general or special law to the contrary, licensing authorities shall deposit quarterly that portion of the firearm identification card application fee which is to be deposited into the General Fund, not later than January 1, April 1, July 1 and October 1 of each year. There shall be no application fee for the renewal of a firearm identification card issued under this clause.

A firearm identification card issued under this clause shall display, in clear and conspicuous language, that the card shall be valid only for the purpose of purchasing or possessing chemical mace, pepper spray or other similarly propelled liquid, gas or powder designed to temporarily incapacitate.

(10) Any person over the age of 70 shall be exempt from the requirement of paying a renewal fee for a firearm identification card.

(11) A cardholder shall notify, in writing, the licensing authority that issued such card, the chief of police into whose jurisdiction such cardholder moves and the executive director of the criminal history systems board of any change of address. Such notification shall be made by certified mail within 30 days of its occurrence. Failure to so notify shall be cause for revocation or suspension of such card.

(12) Notwithstanding the provisions of section 10 of chapter 269, any person in possession of a non-large capacity rifle or shotgun whose firearm identification card issued under this section is invalid for the sole reason that it has expired, meaning after 90 days beyond the stated expiration date on the card, but who shall not be disqualified from renewal upon application therefor under this section, shall be subject to a civil fine of not less than \$500 nor more than \$5,000 and the provisions of said section 10 of said chapter 269 shall not apply; provided, however, that the exemption from the provisions of said section 10 of said chapter 269 provided herein shall not apply if: (i) such firearm identification card has been revoked or suspended, unless such revocation or suspension was caused by failure to give notice of a change of address as required under this section; (ii) revocation or suspension of such firearm identification card is pending, unless such revocation or suspension was caused by failure to give notice of a change of address as required under this section; or (iii) an application for renewal of such firearm identification card has been denied. Any law enforcement officer who discovers a person to be in possession of a rifle or shotgun after such person's firearm identification card has expired or has been revoked or suspended solely for failure to give notice of a change of address shall confiscate any rifle or shotgun and such expired, meaning after 90 days beyond the stated expiration date on the card, or suspended card then in possession, and such officer shall forward such card to the licensing authority by whom it was issued as soon as practicable. Any confiscated weapon shall be returned to the owner upon the renewal or reinstatement of such expired or suspended card within one year of such confiscation or such weapon may be otherwise disposed of in accordance with the provisions of section 129D. Pending the issuance of a renewed firearm identification card, a receipt for the fee paid, after five days following issuance, shall serve as a

valid substitute and any rifle or shotgun so confiscated shall be returned, unless the applicant is disqualified. The provisions of this paragraph shall not apply if such person has a valid license to carry firearms issued under section 131 or 131F.

(13) Upon issuance of a firearm identification card under this section, the licensing authority shall forward a copy of such approved application and card to the executive director of the criminal history systems board, who shall inform the licensing authority forthwith of the existence of any disqualifying condition discovered or occurring subsequent to the issuance of a firearm identification card under this section.

(14) Nothing in this section shall authorize the purchase, possession or transfer of any weapon, ammunition or feeding device that is, or in such manner that is, prohibited by state or federal law.

(15) The secretary of the executive office of public safety, or his designee, may promulgate regulations to carry out the purposes of this section.

129C. Application of Sec. 129B; ownership or possession of firearms or ammunition; transfers; report to executive director; exemptions; exhibiting license to carry, etc. on demand. No person, other than a licensed dealer or one who has been issued a license to carry a pistol or revolver or an exempt person as hereinafter described, shall own or possess any firearm, rifle, shotgun or ammunition unless he has been issued a firearm identification card by the licensing authority pursuant to the provisions of section one hundred and twenty-nine B.

No person shall sell, give away, loan or otherwise transfer a rifle or shotgun or ammunition other than (a) by operation of law, or (b) to an exempt person as hereinafter described, or (c) to a licensed dealer, or (d) to a person who displays his firearm identification card, or license to carry a pistol or revolver.

A seller shall, within seven days, report all such transfers to the executive director of the criminal history systems board according to the provisions set forth in section one hundred and twenty-eight A, and in the case of loss, theft or recovery of any firearm, rifle, or shotgun or machine gun a similar report shall be made forthwith to both the executive director of the criminal history systems board and the licensing authority in the city or town where the owner resides. Failure to so report shall be cause for suspension or permanent revocation of such person's firearm identification card or license to carry firearms, or both, and shall be punished by a fine of not less than \$200 nor more than \$1,000 for a first offense and by a fine of not less than \$1,000 nor more than \$5,000 for a second offense.

The provisions of this section shall not apply to the following exempted persons and uses:

(b) Federally licensed firearms manufacturers or wholesale dealers, or persons employed by them or by licensed dealers, or on their behalf, when possession of firearms, rifles or shotguns is necessary for manufacture, display, storage, transport, installation, inspection or testing;

(c) To a person voluntarily surrendering a firearm, rifle or shotgun and ammunition therefor to a licensing authority, the colonel of the state police or his designee if prior written notice has

(f) Possession of rifles and shotguns and ammunition therefor by nonresident hunters with valid nonresident hunting licenses during hunting season;

(g) Possession of rifles and shotguns and ammunition therefor by residents or nonresidents while on a firing or shooting range;

(j) Any new resident moving into the commonwealth, any resident of the commonwealth returning after having been absent from the commonwealth for not less than 180 consecutive days or any resident of the commonwealth upon being released from active service with any of the armed services of the United States with respect to any firearm, rifle or shotgun and any ammunition therefor then in his possession, for 60 days after such release, return or entry into the commonwealth;

(k) Any person under the age of fifteen with respect to the use of a rifle or shotgun by such person in hunting or target shooting, provided that such use is otherwise permitted by law and is under the immediate supervision of a person holding a firearm identification card or a license to carry firearms, or a duly commissioned officer, noncommissioned officer or enlisted member of the United States Army, Navy, Marine Corps, Air Force or Coast Guard, or the National Guard or military service of the commonwealth or reserve components thereof, while in the performance of his duty;

(m) The temporary holding, handling or firing of a firearm for examination, trial or instruction in the presence of a holder of a license to carry firearms, or the temporary holding, handling or firing of a rifle or shotgun for examination, trial or instruction in the presence of a holder of a firearm identification card, or where such holding, handling or firing is for a lawful purpose;

(n) The transfer of a firearm, rifle or shotgun upon the death of any owner to his heir or legatee shall be subject to the provisions of this section, provided that said heir or legatee shall within one hundred and eighty days of such transfer, obtain a firearm identification card or a license to

carry firearms if not otherwise an exempt person who is qualified to receive such or apply to the licensing authority for such further limited period as may be necessary for the disposition of such firearm, rifle or shotgun;

(o) Persons in the military or other service of any state or of the United States, and police officers and other peace officers of any jurisdiction, in the performance of their official duty or when duly authorized to possess them;

(p) Carrying or possession by nonresidents of so-called black powder rifles, shotguns, and ammunition therefor as described in such paragraphs (A) and (B) of the third paragraph of section 121, and the carrying or possession of conventional rifles, shotguns, and ammunition therefor by nonresidents who meet the requirements for such carrying or possession in the state in which they reside;

(q) [Deleted]

(r) Possession by a veteran's organization chartered by the Congress of the United States, chartered by the commonwealth or recognized as a nonprofit tax-exempt organization by the Internal Revenue Service and possession by the members of any such organization when on official parade duty or ceremonial occasions.

(s) Possession by federal, state and local historical societies, museums, and institutional collections open to the public, provided such firearms, rifles or shotguns are unloaded, properly housed and secured from unauthorized handling;

(t) the possession of firearms, rifles, shotguns, machine guns and ammunition, by banks or institutional lenders, or their agents, servants or employees, when the same are possessed as collateral for a secured commercial transaction or as a result of a default under a secured commercial transaction.

(u) Any nonresident who is eighteen years of age or older at the time of acquiring a rifle or shotgun from a licensed firearms dealer; provided, however, that such nonresident must hold a valid firearms license from his state of residence; provided, further, that the licensing requirements of such nonresident's state of residence are as stringent as the requirements of the commonwealth for a firearm identification card, as determined by the colonel of the state police who shall, annually, publish a list of those states whose requirements comply with the provisions of this clause.

Any person, exempted by clauses (o), (p) and (q), purchasing a rifle or shotgun or ammunition therefor shall submit to the seller such full and clear proof of identification, including shield number, serial number, military or governmental order or authorization, military or other official identification, other state firearms license, or proof of nonresidence, as may be applicable.

Nothing in this section shall permit the sale of rifles or shotguns or ammunition therefor to a minor under the age of eighteen in violation of section one hundred and thirty nor may any firearm be sold to a person under the age of 21 nor to any person who is not licensed to carry firearms under section one hundred and thirty-one unless he presents a valid firearm identification card and a permit to purchase issued under section one hundred and thirty-one A, or presents such permit to purchase and is a properly documented exempt person as herein before described.

Nothing in this section shall permit the sale or transfer of any large capacity rifle or shotgun or large capacity feeding device therefor to any person not in possession of a Class A or Class

B license to carry firearms issued under section 131, or of any large capacity firearm or large capacity feeding device therefor to any person not in possession of a Class A license to carry firearms issued under section 131.

The possession of a firearm identification card issued under section one hundred and twenty-nine B shall not entitle any person to carry a firearm in violation of section ten of chapter two hundred and sixty-nine and, the possession of a firearm identification card issued under section 129B shall not entitle any person to possess any large capacity rifle or shotgun or large capacity feeding device therefor in violation of subsection (m) of said section 10 of said chapter 269.

Any person who, while not being within the limits of his own property or residence, or such person whose property or residence is under lawful search, and who is not exempt under this section, shall on demand of a police officer or other law enforcement officer, exhibit his license to carry firearms, or his firearm identification card or receipt for fee paid for such card, or, after January first, nineteen hundred and seventy, exhibit a valid hunting license issued to him which shall bear the number officially inscribed of such license to carry or card if any. Upon failure to do so such person may be required to surrender to such officer said firearm, rifle or shotgun which shall be taken into custody as under the provisions of section one hundred and twenty-nine D, except that such firearm, rifle or shotgun shall be returned forthwith upon presentation within thirty days of said license to carry firearms, firearm identification card or receipt for fee paid for such card or hunting license as herein before described. Any person subject to the conditions of this paragraph may, even though no firearm, rifle or shotgun was surrendered, be required to produce within thirty days said license to carry firearms, firearm identification card or receipt for fee paid for such card, or said hunting license, failing which the conditions of section one hundred and twenty-nine D will apply. Nothing in this section shall prevent any person from being prosecuted for any violation of this chapter.

129D. Surrender of firearms and ammunition to licensing authority upon denial of application for, or revocation of, identification card or license; right to transfer; sale by colonel of state police; rules and regulations. Upon revocation, suspension or denial of an application for a firearm identification card pursuant to the conditions of section one hundred and twenty-nine B, or of any firearms license if said firearms identification card is not then in force or of any machine gun license, the person whose application was so revoked, suspended or denied shall without delay deliver or surrender, to the licensing authority where he resides, all fire-arms, rifles, shotguns and machine guns and ammunition which he then possesses unless an appeal is pending. Such person, or his legal representative, shall have the right, at any time up to one year after said delivery or surrender, to transfer such firearms, rifles, shotguns and machine guns and ammunition to any licensed dealer or any other person legally permitted to purchase or take possession of such firearms, rifles, shotguns and machine guns and ammunition and upon notification in writing by the purchaser or transferee and the former owner, the licensing authority shall within ten days deliver such firearms, rifles, shotguns and machine guns and ammunition to the transferee or purchaser and due care shall be observed by

the licensing authority in the receipt and holding of any such firearm, rifle, shotgun or machine gun and ammunition.

The licensing authority, after taking possession of any firearm, rifle, shotgun, machine gun or ammunition by any means, may transfer possession of such weapon for storage purposes to a federally and state licensed dealer of such weapons and ammunition who operates a bonded warehouse on the licensed premises that is equipped with a safe for the secure storage of firearms and a weapon box or similar container for the secure storage of other weapons and ammunition; provided, however, that the licensing authority shall not transfer to such dealer possession of any weapon that is or may be evidence in any current or pending criminal case concerning a violation of any general or special law, rule or regulation governing the use, possession or ownership of such weapon. Any such dealer that takes possession of a weapon under the provisions of this section shall: (i) inspect such weapon; (ii) issue to the owner a receipt indicating the make, model, caliber, serial number and condition of each weapon so received; and (iii) store and maintain all weapons so received in accordance with such regulations, rules or guidelines as the secretary of the executive office of public safety may establish under this section. The owner shall be liable to such dealer for reasonable storage charges and may dispose of any such weapon as provided under this section by transfer to a person lawfully permitted to purchase or take possession of such weapon.

Firearms, rifles, shotguns or machine guns and ammunition not disposed of after delivery or surrender according to the provisions of this section shall be sold at public auction by the colonel of the state police to the highest bidding person legally permitted to purchase and possess said firearms, rifles, shotguns or machine guns and ammunition and the proceeds shall be remitted to the state treasurer. Any such weapon that is stored and maintained by a licensed dealer as provided under this section may be so auctioned at the direction of: (i) the licensing authority at the expiration of one year following initial surrender or delivery to such licensing authority; or (ii) the dealer then in possession, if the storage charges for such weapon have been in arrears for 90 days; provided, however, that in either case, title shall pass to the licensed dealer for the purpose of transferring ownership to the auctioneer; and provided further, that in either case, after deduction and payment for storage charges and all necessary costs associated with such surrender and transfer, all surplus proceeds, if any, shall be immediately returned to the owner of such weapon.

The secretary of the executive office of public safety may make and promulgate such rules and regulations as are necessary to carry out the provisions of this section.

130. Sale or furnishing weapons or ammunition to aliens or minors; penalty; exceptions. Whoever sells or furnishes a rifle, shotgun or ammunition to any alien eighteen years of age or older who does not hold a permit card issued to him under section one hundred and thirty-one H or, except as provided in this section or section one hundred and thirty-one E, whoever sells or furnishes any alien or any person under eighteen years of age a rifle, shotgun, machine gun or ammunition, or whoever sells or furnishes to any person under 21 years of age a firearm or large capacity rifle or shotgun or ammunition therefor shall have his license to sell

firearms, rifles, shotguns, machine guns and or ammunition revoked and shall not be entitled to apply for such license for ten years from the date of such revocation and shall be punished by a fine of not less than \$1,000 nor more than \$10,000, or by imprisonment in a state prison for not more than ten years or by imprisonment in a house of correction for not more than two and one-half years, or by both such fine and imprisonment. Nothing in this section or section one hundred and thirty-one E shall be construed to prohibit a parent or guardian from allowing his child or ward, who has not attained age fifteen, the supervised use of a rifle or shotgun or ammunition therefor, according to the provisions of section one hundred and twenty-nine C, nor from furnishing his child or ward, who has attained age fifteen, with a rifle or shotgun that is not a large capacity weapon or ammunition; provided, however, that said child or ward, being fifteen years of age or older, has been issued a valid firearm identification card or alien permit to possess a rifle or shotgun which is in his possession. Nothing in this section shall be construed to prohibit an instructor from furnishing rifles or shotguns or ammunition therefor to pupils; provided, however, that said instructor has the consent of a parent or guardian of a pupil under the age of eighteen years.

130B. Firearm Licensing Review Board

(a) There shall be a firearm licensing review board, established within the department of criminal justice information services, in this section called the board, comprised of 7 members, 1 of whom shall be a member of the department of criminal justice information services appointed by the commissioner and who shall be the chair, 1 of whom shall be the secretary of public safety or his designee, 1 of whom shall be the colonel of state police or his designee, 1 of whom shall be appointed by the Massachusetts Chiefs of Police Association, 1 of whom shall be the attorney general or his designee, 1 whom shall be an attorney with litigation experience in firearm licensing cases and appointed by the governor from a list of qualified persons submitted to the governor by the Massachusetts Bar Association, and 1 of whom shall be a retired member of the judiciary and appointed by the governor.

(b) An applicant for a firearm identification card or license to carry who has been convicted of or adjudicated a delinquent child or youthful offender by reason of an offense or offenses punishable by 2 1/2 years imprisonment or less when committed under the laws of the commonwealth which was not: (a) an assault or battery on a family member or household member, as defined by [section 1 of chapter 209A](#), except that the determination to be made under clause (e) of said [section 1 of said chapter 209A](#) shall be made by the review board, may, after the passage of 5 years from conviction, adjudication as a youthful offender or a delinquent child or release from confinement, commitment, probation or parole supervision for such conviction or adjudication, whichever is last occurring, file a petition for review of eligibility with the firearm licensing review board.

(c) The petitioner shall provide to the board a copy of a completed firearm identification card or license to carry application, which application shall have previously been submitted to the licensing authority or be submitted to the licensing authority contemporaneously with the petition filed with the board. The petitioner shall have the burden to prove his suitability to receive a firearm identification card or a license

to carry by clear and convincing evidence. The board shall set a reasonable filing fee to file the petition.

(d) If the board determines, by 2/3rds vote, that: (i) the sole disqualifier for the petitioner is any conviction or adjudication as a youthful offender or a delinquent child for an offense or offenses punishable by 2 1/2 years imprisonment or less when committed under the laws of the commonwealth, arising out of a single incident and which does not otherwise disqualify the petitioner under subclauses (a), (d) or (e) of clause (i) or clauses (ii) to (ix), inclusive, of paragraph (1) of section 129B or subclauses (a), (d) or (e) of clause (i) or clauses (ii) to (vii), inclusive, of paragraph (d) of section 131, and which was not an assault or battery on a family member or household members, as defined by [section 1 of chapter 209A](#), except that the determination to be made under clause (e) of said [section 1 of said chapter 209A](#) shall be made by the board; (ii) 5 years has passed since such conviction or adjudication or release from confinement, commitment, probation or parole supervision for such conviction or adjudication, whichever is last occurring; and (iii) by clear and convincing evidence, that the petitioner is a suitable person to be a firearm identification card or license to carry holder, the board shall determine that the petitioner's right or ability to possess a firearm is fully restored in the commonwealth with respect to such conviction or adjudication and that such conviction or adjudication shall not prohibit such petitioner from applying to a licensing authority for a firearm identification card or license to carry. The board shall make a determination on a petition within 60 days after receipt of the petition.

(e) The board shall hold hearings at such times and places as in its discretion it reasonably determines to be required, but not less than once every 90 days, and shall give reasonable notice of the time and place of the hearing to the petitioner. The board shall have the power to compel attendance of witnesses at hearings.

(f) All hearings shall be conducted in an informal manner, but otherwise according to the rules of evidence, and all witnesses shall be sworn by the chair. If requested by the petitioner and payment for stenographic services, as determined by the board, accompanies such request, the board shall cause a verbatim transcript of the hearing to be made. The board's decisions and findings of facts therefore shall be communicated in writing to the petitioner and to the licensing authority to whom the petitioner has applied or intends to apply within 20 days of rendering a decision.

(g) Members of the board shall serve without compensation, but shall be entitled to reasonable subsistence and travel allowances in the performance of their duties.

131. License to carry firearm; Class A and B; conditions and restrictions. All licenses to carry firearms shall be designated Class A or Class B, and the issuance and possession of any such license shall be subject to the following conditions and restrictions:

(a) A Class A license shall entitle a holder thereof to purchase, rent, lease, borrow, possess and carry: (i) firearms, including large capacity firearms, and feeding devices and ammunition therefor, for all lawful purposes, subject to such restrictions relative to the possession, use or carrying of firearms as the licensing authority deems proper; and (ii) rifles and shotguns, in-

cluding large capacity weapons, and feeding devices and ammunition therefor, for all lawful purposes; provided, however, that the licensing authority may impose such restrictions relative to the possession, use or carrying of large capacity rifles and shotguns as it deems proper. A violation of a restriction imposed by the licensing authority under the provisions of this paragraph shall be cause for suspension or revocation and shall, unless otherwise provided, be punished by a fine of not less than \$1,000 nor more than \$10,000; provided, however, that the provisions of section 10 of chapter 269 shall not apply to such violation.

The colonel of state police may, after an investigation, grant a Class A license to a club or facility with an on-site shooting range or gallery, which club is incorporated under the laws of the commonwealth for the possession, storage and use of large capacity weapons, ammunition therefor and large capacity feeding devices for use with such weapons on the premises of such club; provided, however, that not less than one shareholder of such club shall be qualified and suitable to be issued such license; and provided further, that such large capacity weapons and ammunition feeding devices may be used under such Class A club license only by such members that possess a valid firearm identification card issued under section 129B or a valid Class A or Class B license to carry firearms, or by such other persons that the club permits while under the direct supervision of a certified firearms safety instructor or club member who, in the case of a large capacity firearm, possesses a valid Class A license to carry firearms or, in the case of a large capacity rifle or shotgun, possesses a valid Class A or Class B license to carry firearms. Such club shall not permit shooting at targets that depict human figures, human effigies, human silhouettes or any human images thereof, except by public safety personnel performing in line with their official duties.

No large capacity weapon or large capacity feeding device shall be removed from the premises except for the purposes of: (i) transferring such firearm or feeding device to a licensed dealer; (ii) transporting such firearm or feeding device to a licensed gunsmith for repair; (iii) target, trap or skeet shooting on the premises of another club incorporated under the laws of the commonwealth and for transporting thereto; (iv) attending an exhibition or educational project or event that is sponsored by, conducted under the supervision of or approved by a public law enforcement agency or a nationally or state recognized entity that promotes proficiency in or education about semiautomatic weapons and for transporting thereto and therefrom; (v) hunting in accordance with the provisions of chapter 131; or (vi) surrendering such firearm or feeding device under the provisions of section 129D. Any large capacity weapon or large capacity feeding device kept on the premises of a lawfully incorporated shooting club shall, when not in use, be secured in a locked container, and shall be unloaded during any lawful transport. The clerk or other corporate officer of such club shall annually file a report with the colonel of state police and the executive director of the criminal history systems board listing all large capacity weapons and large capacity feeding devices owned or possessed under such license. The colonel of state police or his designee, shall have the right to inspect all firearms owned or possessed by such club upon request during regular business hours and said colonel may revoke or suspend a club license for a violation of any provision of

this chapter or chapter 269 relative to the ownership, use or possession of large capacity weapons or large capacity feeding devices.

(b) A Class B license shall entitle a holder thereof to purchase, rent, lease, borrow, possess and carry: (i) non-large capacity firearms and feeding devices and ammunition therefor, for all lawful purposes, subject to such restrictions relative to the possession, use or carrying of such firearm as the licensing authority deems proper; provided, however, that a Class B license shall not entitle the holder thereof to carry or possess a loaded firearm in a concealed manner in any public way or place; and provided further, that a Class B license shall not entitle the holder thereof to possess a large capacity firearm, except under a Class A club license issued under this section or under the direct supervision of a holder of a valid Class A license at an incorporated shooting club or licensed shooting range; and (ii) rifles and shotguns, including large capacity rifles and shotguns, and feeding devices and ammunition therefor, for all lawful purposes; provided, however, that the licensing authority may impose such restrictions relative to the possession, use or carrying of large capacity rifles and shotguns as he deems proper. A violation of a restriction provided under this paragraph, or a restriction imposed by the licensing authority under the provisions of this paragraph, shall be cause for suspension or revocation and shall, unless otherwise provided, be punished by a fine of not less than \$1,000 nor more than \$10,000; provided, however, that the provisions of section 10 of chapter 269 shall not apply to such violation.

A Class B license shall not be a valid license for the purpose of complying with any provision under this chapter governing the purchase, sale, lease, rental or transfer of any weapon or ammunition feeding device if such weapon is a large capacity firearm or if such ammunition feeding device is a large capacity feeding device for use with a large capacity firearm, both as defined in section 121.

(c) Either a Class A or Class B license shall be valid for the purpose of owning, possessing, purchasing and transferring non-large capacity rifles and shotguns, and for purchasing and possessing chemical mace, pepper spray or other similarly propelled liquid, gas or powder designed to temporarily incapacitate, consistent with the entitlements conferred by a firearm identification card issued under section 129B.

(d) Any person residing or having a place of business within the jurisdiction of the licensing authority or any law enforcement officer employed by the licensing authority or any person residing in an area of exclusive federal jurisdiction located within a city or town may submit to such licensing authority or the colonel of state police, an application for a Class A or Class B license to carry firearms, or renewal of the same, which such licensing authority or said colonel may issue if it appears that the applicant is a suitable person to be issued such license, and that the applicant has good reason to fear injury to his person or property, or for any other reason, including the carrying of firearms for use in sport or target practice only, subject to such restrictions expressed or authorized under this section, unless the applicant:

(i) has, in any state or federal jurisdiction, been convicted or adjudicated a youthful offender or delinquent child for the commission of (a) a felony; (b) a misdemeanor punishable by imprisonment for more than two years; (c) a violent crime as defined in section 121; (d) a violation of

any law regulating the use, possession, ownership, transfer, purchase, sale, lease, rental, receipt or transportation of weapons or ammunition for which a term of imprisonment may be imposed; or (e) a violation of any law regulating the use, possession or sale of controlled substances as defined in section 1 of chapter 94C.

(ii) has been confined to any hospital or institution for mental illness, unless the applicant submits with his application an affidavit of a registered physician attesting that such physician is familiar with the applicant's mental illness and that in such physician's opinion the applicant is not disabled by such an illness in a manner that should prevent such applicant from possessing a firearm;

(iii) is or has been under treatment for or confinement for drug addiction or habitual drunkenness, unless such applicant is deemed to be cured of such condition by a licensed physician, and such applicant may make application for such license after the expiration of five years from the date of such confinement or treatment and upon presentment of an affidavit issued by such physician stating that such physician knows the applicant's history of treatment and that in such physician's opinion the applicant is deemed cured;

(iv) is at the time of the application less than 21 years of age;

(v) is an alien;

(vi) is currently subject to: (A) an order for suspension or surrender issued pursuant to section 3B or 3C of chapter 209A or a similar order issued by another jurisdiction; or (B) a permanent or temporary protection order issued pursuant to chapter 209A or a similar order issued by another jurisdiction; or

(vii) is currently the subject of an outstanding arrest warrant in any state or federal jurisdiction.

(e) Within seven days of the receipt of a completed application for a license to carry or possess firearms, or renewal of same, the licensing authority shall forward one copy of the application and one copy of the applicant's fingerprints to the colonel of state police, who shall within 30 days advise the licensing authority, in writing, of any disqualifying criminal record of the applicant arising from within or without the commonwealth and whether there is reason to believe that the applicant is disqualified for any of the foregoing reasons from possessing a license to carry or possess firearms. In searching for any disqualifying history of the applicant, the colonel shall utilize, or cause to be utilized, files maintained by the department of probation and statewide and nationwide criminal justice, warrant and protection order information systems and files including, but not limited to, the National Instant Criminal Background Check System. The colonel shall inquire of the commissioner of the department of mental health relative to whether the applicant is disqualified from being so licensed. If the information available to the colonel does not indicate that the possession of a firearm or large capacity firearm by the applicant would be in violation of state or federal law, he shall certify such fact, in writing, to the licensing authority within said 30 day period.

The licensing authority may also make inquiries concerning the applicant to: (i) the executive director of the criminal history systems board relative to any disqualifying condition and records of purchases, sales, rentals, leases and transfers of weapons or ammunition concerning the applicant; (ii) the commissioner of probation relative to any record contained within the department of probation or the statewide domestic vio-

lence record keeping system concerning the applicant; and (iii) the commissioner of the department of mental health relative to whether the applicant is a suitable person to possess firearms or is not a suitable person to possess firearms. The director or commissioner to whom the licensing authority makes such inquiry shall provide prompt and full cooperation for that purpose in any investigation of the applicant.

The licensing authority shall, within 40 days from the date of application, either approve the application and issue the license or deny the application and notify the applicant of the reason for such denial in writing; provided, however, that no such license shall be issued unless the colonel has certified, in writing, that the information available to him does not indicate that the possession of a firearm or large capacity firearm by the applicant would be in violation of state or federal law.

(f) A license issued under this section shall be revoked or suspended by the licensing authority, or his designee, upon the occurrence of any event that would have disqualified the holder from being issued such license or from having such license renewed. A license may be revoked or suspended by the licensing authority if it appears that the holder is no longer a suitable person to possess such license. Any revocation or suspension of a license shall be in writing and shall state the reasons therefor. Upon revocation or suspension, the licensing authority shall take possession of such license and the person whose license is so revoked or suspended shall take all actions required under the provisions of section 129D. No appeal or post-judgment motion shall operate to stay such revocation or suspension. Notices of revocation and suspension shall be forwarded to the executive director of the criminal history systems board and the commissioner of probation and shall be included in the criminal justice information system. A revoked or suspended license may be reinstated only upon the termination of all disqualifying conditions, if any.

Any applicant or holder aggrieved by a denial, revocation or suspension of a license, unless a hearing has previously been held pursuant to chapter 209A, may, within either 90 days after receiving notice of such denial, revocation or suspension or within 90 days after the expiration of the time limit during which the licensing authority is required to respond to the applicant, file a petition to obtain judicial review in the district court having jurisdiction in the city or town wherein the applicant filed for, or was issued, such license. A justice of such court, after a hearing, may direct that a license be issued or reinstated to the petitioner if such justice finds that there was no reasonable ground for denying, suspending or revoking such license and that the petitioner is not prohibited by law from possessing same.

(g) A license shall be in a standard form provided by the executive director of the criminal history systems board in a size and shape equivalent to that of a license to operate motor vehicles issued by the registry of motor vehicles pursuant to section 8 of chapter 90 and shall contain a license number which shall clearly indicate whether such number identifies a Class A or Class B license, the name, address, photograph, fingerprint, place and date of birth, height, weight, hair color, eye color and signature of the licensee. Such license shall be marked "License to Carry Firearms" and shall clearly indicate whether the license is Class A or Class B. The application for such license shall be made in a

standard form provided by the executive director of the criminal history systems board, which form shall require the applicant to affirmatively state under the pains and penalties of perjury that such applicant is not disqualified on any of the grounds enumerated above from being issued such license.

(h) Any person who knowingly files an application containing false information shall be punished by a fine of not less than \$500 nor more than \$1,000 or by imprisonment for not less than six months nor more than two years in a house of correction, or by both such fine and imprisonment.

(i) A license to carry or possess firearms shall be valid, unless revoked or suspended, for a period of not more than 6 years from the date of issue and shall expire on the anniversary of the licensee's date of birth occurring not less than 5 years but not more than 6 years from the date of issue, except that if the licensee applied for renewal before the license expired, the license shall remain valid for a period of 90 days beyond the stated expiration date on the license, unless the application for renewal is denied. Any renewal thereof shall expire on the anniversary of the licensee's date of birth occurring not less than 5 years but not more than 6 years from the effective date of such license. Any license issued to an applicant born on February 29 shall expire on March 1. The fee for the application shall be \$100, which shall be payable to the licensing authority and shall not be prorated or refunded in case of revocation or denial. The licensing authority shall retain \$25 of the fee; \$50 of the fee shall be deposited into the general fund of the commonwealth and not less than \$50,000 of the funds deposited into the General Fund shall be allocated to the Firearm Licensing Review Board, established in section 130B, for its operations and that any funds not expended by said board for its operations shall revert back to the General Fund; and \$25 of the fee shall be deposited in the Firearms Fingerprint Identity Verification Trust Fund. For law enforcement officials, or local, state, or federal government entities acting on their behalf, the fee for the application shall be set at \$25, which shall be payable to the licensing authority and shall not be prorated or refunded in case of revocation or denial. The licensing authority shall retain \$12.50 of the fee, and \$12.50 of the fee shall be deposited into the general fund of the commonwealth. Notwithstanding any general or special law to the contrary, licensing authorities shall deposit such portion of the license application fee into the Firearms Record Keeping Fund quarterly, not later than January 1, April 1, July 1 and October 1 of each year. Notwithstanding any general or special law to the contrary, licensing authorities shall deposit quarterly such portion of the license application fee as is to be deposited into the General Fund, not later than January 1, April 1, July 1 and October 1 of each year. For the purposes of section 10 of chapter 269, an expired license to carry firearms shall be deemed to be valid for a period not to exceed 90 days beyond the stated date of expiration, unless such license to carry firearms has been revoked.

Any person over the age of 70 and any law enforcement officer applying for a license to carry firearms through his employing agency shall be exempt from the requirement of paying a renewal fee for a Class A or Class B license to carry.

(j)(1) No license shall be required for the carrying or possession of a firearm known as a det-

onator and commonly used on vehicles as a signaling and marking device, when carried or possessed for such signaling or marking purposes.

(2) No license to carry shall be required for the possession of an unloaded large capacity rifle or shotgun or an unloaded feeding device therefor by a veteran's organization chartered by the Congress of the United States, chartered by the commonwealth or recognized as a nonprofit tax-exempt organization by the Internal Revenue Service, or by the members of any such organization when on official parade duty or during ceremonial occasions. For purposes of this subparagraph, an "unloaded large capacity rifle or shotgun" and an "unloaded feeding device therefor" shall include any large capacity rifle, shotgun or feeding device therefor loaded with a blank cartridge or blank cartridges, so-called, which contain no projectile within such blank or blanks or within the bore or chamber of such large capacity rifle or shotgun.

(k) Whoever knowingly issues a license in violation of this section shall be punished by a fine of not less than \$500 nor more than \$1,000 or by imprisonment for not less than six months nor more than two years in a jail or house of correction, or by both such fine and imprisonment.

(l) The executive director of the criminal history systems board shall send by first class mail to the holder of each such license to carry firearms, a notice of the expiration of such license not less than 90 days prior to such expiration and shall enclose therein a form for the renewal of such license. The taking of fingerprints shall not be required in issuing the renewal of a license if the renewal applicant's fingerprints are on file with the department of the state police. Any licensee shall notify, in writing, the licensing authority who issued said license, the chief of police into whose jurisdiction the licensee moves and the executive director of the criminal history systems board of any change of address. Such notification shall be made by certified mail within 30 days of its occurrence. Failure to so notify shall be cause for revocation or suspension of said license.

(m) Notwithstanding the provisions of section 10 of chapter 269, any person in possession of a firearm, rifle or shotgun whose license issued under this section is invalid for the sole reason that it has expired, meaning after 90 days beyond the stated expiration date on the license, but who shall not be disqualified from renewal upon application therefor under this section, shall be subject to a civil fine of not less than \$500 nor more than \$5,000 and the provisions of section 10 of chapter 269 shall not apply; provided, however, that the exemption from the provisions of said section 10 of said chapter 269 provided herein shall not apply if: (i) such license has been revoked or suspended, unless such revocation or suspension was caused by failure to give notice of a change of address as required under this section; (ii) revocation or suspension of such license is pending, unless such revocation or suspension was caused by failure to give notice of a change of address as required under this section; or (iii) an application for renewal of such license has been denied. Any law enforcement officer who discovers a person to be in possession of a firearm, rifle or shotgun after such person's license has expired, meaning after 90 days beyond the stated expiration date on the license, has been revoked or suspended, solely for failure to give notice of a change of address, shall confiscate such firearm, rifle or shotgun and the expired or suspended license then in possession and such offi-

cer, [sic] shall forward such license to the licensing authority by whom it was issued as soon as practicable. The officer shall, at the time of confiscation, provide to the person whose firearm, rifle or shotgun has been confiscated, a written inventory and receipt for all firearms, rifles or shotguns confiscated and the officer and his employer shall exercise due care in the handling, holding and storage of these items. Any confiscated weapon shall be returned to the owner upon the renewal or reinstatement of such expired or suspended license within one year of such confiscation or may be otherwise disposed of in accordance with the provisions of section 129D. (c) a statement that the proposed transferee authorizes the release to the local police authority of commitment information about the proposed transferee maintained by the commissioner of human services, to the extent that the information relates to the proposed transferee's eligibility to possess a pistol or semiautomatic military-style assault weapon under section 624.713, subdivision 1; and

(d) a statement by the proposed transferee that the proposed transferee is not prohibited by section 624.713 from possessing a pistol or semiautomatic military-style assault weapon.

The statements shall be signed and dated by the person applying for a permit. At the time of application, the local police authority shall provide the applicant with a dated receipt for the application. The statement under clause (c) must comply with any applicable requirements of Code of Federal Regulations, title 42, sections 2.31 to 2.35, with respect to consent to disclosure of alcohol or drug abuse patient records.

Subd. 2. Investigation.

The chief of police or sheriff shall check criminal histories, records and warrant information relating to the applicant through the Minnesota crime information system, the national criminal record repository, and the National Instant Criminal Background Check System. The chief of police or sheriff shall also make a reasonable effort to check other available state and local record-keeping systems. The chief of police or sheriff shall obtain commitment information from the commissioner of human services as provided in section 245.041.

Subd. 3. Forms. Chiefs of police and sheriffs shall make transferee permit application forms available throughout the community. There shall be no charge for forms, reports, investigations, notifications, waivers or any other act performed or materials provided by a government employee or agency in connection with application for or issuance of a transferee permit.

Subd. 4. Grounds for disqualification. A determination by the chief of police or sheriff that the applicant is prohibited by section 624.713 from possessing a pistol or semiautomatic military-style assault weapon shall be the only basis for refusal to grant a transferee permit.

Subd. 5. Granting of permits. The chief of police or sheriff shall issue a transferee permit or deny the application within seven days of application for the permit. The chief of police or sheriff shall provide an applicant with written notification of a denial and the specific reason for the denial. The permits and their renewal shall be granted free of charge.

Subd. 6. Permits valid statewide. Transferee permits issued pursuant to this section are valid statewide and shall expire after one year. A transferee permit may be renewed in the same manner and subject to the same provisions by which the original permit was obtained, except that all renewed permits must comply with the standards adopted by the commissioner under section 624.7151. Permits issued pursuant to this section are not transferable. A person who transfers a permit in violation of this subdivision is guilty of a misdemeanor.

Subd. 7. Permit voided. The transferee permit shall be void at the time that the holder becomes prohibited from possessing a pistol under section 624.713, in which event the holder shall return the permit within five days to the issuing authority. Failure of the holder to return the permit within the five days is a misdemeanor unless the court finds that the circumstances or the physical or mental condition of the permit holder prevented the holder from complying with the return requirement.

Subd. 8. Hearing upon denial. Any person aggrieved by denial of a transferee permit may appeal the denial to the district court having jurisdiction over the county or municipality in which the denial occurred.

Subd. 9. Permit to carry. A valid permit to carry issued pursuant to section 624.714 constitutes a transferee permit for the purposes of this section and section 624.7132.

Subd. 10. Transfer report not required. A person who transfers a pistol or semiautomatic military-style assault weapon to a person exhibiting a valid transferee permit issued pursuant to this section or a valid permit to carry issued pursuant to section 624.714 is not required to file a transfer report pursuant to section 624.7132, subdivision 1.

Subd. 11. Penalty. A person who makes a false statement in order to obtain a transferee permit knowing or having reason to know the

statement is false is guilty of a gross misdemeanor.

Subd. 12. Local regulation. This section shall be construed to supersede municipal or county regulation of the issuance of transferee permits.

624.7132. REPORT OF TRANSFER

Subdivision 1. Required information. Except as provided in this section and section 624.7131, every person who agrees to transfer a pistol or semiautomatic military-style assault weapon shall report the following information in writing to the chief of police of the organized full-time police department of the municipality where the proposed transferee resides or to the appropriate county sheriff if there is no such local chief of police:

(a) the name, residence, telephone number and driver's license number or nonqualification certificate number, if any, of the proposed transferee;

(b) the sex, date of birth, height, weight and color of eyes, and distinguishing physical characteristics, if any, of the proposed transferee;

(c) a statement that the proposed transferee authorizes the release to the local police authority of commitment information about the proposed transferee maintained by the commissioner of human services, to the extent that the information relates to the proposed transferee's eligibility to possess a pistol or semiautomatic military-style assault weapon under section 624.713, subdivision 1;

(d) a statement by the proposed transferee that the transferee is not prohibited by section 624.713 from possessing a pistol or semiautomatic military-style assault weapon; and

(e) the address of the place of business of the transferor.

The report shall be signed and dated by the transferor and the proposed transferee. The report shall be delivered by the transferor to the chief of police or sheriff no later than three days after the date of the agreement to transfer, excluding weekends and legal holidays. The statement under clause (c) must comply with any applicable requirements of Code of Federal Regulations, title 42, sections 2.31 to 2.35, with respect to consent to disclosure of alcohol or drug abuse patient records.

Subd. 2. Investigation. Upon receipt of a transfer report, the chief of police or sheriff shall check criminal histories, records and warrant information relating to the proposed transferee through the Minnesota crime information system, the national criminal record repository, and the National Instant Criminal Background Check System. The chief of police or sheriff shall also make a reasonable effort to check other available state and local record-keeping systems. The chief of police or sheriff shall obtain commitment information from the commissioner of human services as provided in section 245.041.

Subd. 3. Notification. The chief of police or sheriff shall notify the transferor and proposed transferee in writing as soon as possible if the chief or sheriff determines that the proposed transferee is prohibited by section 624.713 from possessing a pistol or semiautomatic military-style assault weapon. The notification to the transferee shall specify the grounds for the disqualification of the proposed transferee and shall set forth in detail the transferee's right of appeal under subdivision 13.

Subd. 4. Delivery. Except as otherwise provided in subdivision 7 or 8, no person shall deliver a pistol or semiautomatic military-style assault

weapon to a proposed transferee until five business days after the date the agreement to transfer is delivered to a chief of police or sheriff in accordance with subdivision 1 unless the chief of police or sheriff waives all or a portion of the seven day waiting period. The chief of police or sheriff may waive all or a portion of the five business day waiting period in writing if the chief of police or sheriff finds that the transferee requires access to a pistol or semiautomatic military-style assault weapon because of a threat to the life of the transferee or of any member of the household of the transferee.

No person shall deliver a pistol or semiautomatic military-style assault weapon to a proposed transferee after receiving a written notification that the chief of police or sheriff has determined that the proposed transferee is prohibited by section 624.713 from possessing a pistol or semiautomatic military-style assault weapon.

If the transferor makes a report of transfer and receives no written notification of disqualification of the proposed transferee within five business days after delivery of the agreement to transfer, the pistol or semiautomatic military-style assault weapon may be delivered to the transferee.

Subd. 5. Grounds for disqualification. A determination by the chief of police or sheriff that the proposed transferee is prohibited by section 624.713 from possessing a pistol or semiautomatic military-style assault weapon shall be the sole basis for a notification of disqualification under this section.

Subd. 6. Transferee permit. If a chief of police or sheriff determines that a transferee is not a person prohibited by section 624.713 from possessing a pistol or semiautomatic military-style assault weapon, the transferee may, within 30 days after the determination, apply to that chief of police or sheriff for a transferee permit, and the permit shall be issued.

Subd. 7. [Repealed]

Subd. 8. Report not required. If the proposed transferee presents a valid transferee permit issued under section 624.7131 or a valid permit to carry issued under section 624.714, the transferor need not file a transfer report.

Subd. 9. Number of pistols or semiautomatic military-style assault weapons. Any number of pistols or semiautomatic military-style assault weapons may be the subject of a single transfer agreement and report to the chief of police or sheriff. Nothing in this section or section 624.7131 shall be construed to limit or restrict the number of pistols or semiautomatic military-style assault weapons a person may acquire.

Subd. 10. Restriction on records. If, after a determination that the transferee is not a person prohibited by section 624.713 from possessing a pistol or semiautomatic military-style assault weapon, a transferee requests that no record be maintained of the fact of who is the transferee of a pistol or semiautomatic military-style assault weapon, the chief of police or sheriff shall sign the transfer report and return it to the transferee as soon as possible. Thereafter, no government employee or agency shall maintain a record of the transfer that identifies the transferee, and the transferee shall retain the report of transfer.

Subd. 11. Forms; cost. Chiefs of police and sheriffs shall make transfer report forms available throughout the community. There shall be no charge for forms, reports, investigations, notifications, waivers or any other act performed or materials provided by a government employee or agency in connection with a transfer.

Subd. 12. Exclusions. Except as otherwise provided in section 609.66, subdivision 1f, this

section shall not apply to transfers of antique firearms as curiosities or for their historical significance or value, transfers to or between federally licensed firearms dealers, transfers by order of court, involuntary transfers, transfers at death or the following transfers:

A person aggrieved by the determination of a chief of police or sheriff that the person is prohibited by section 624.713 from possessing a pistol or semiautomatic military-style assault weapon may appeal the determination as provided in this subdivision. The district court shall have jurisdiction of proceedings under this subdivision.

Chapter 8. Offenses Against Public Order

Part 3. Weapons

45-8-301. Uniformity of interpretation. Sections 45-8-302 through 45-8-305 and 45-8-307 must be interpreted and construed to effectuate their general purpose to make uniform the law of those states that enact them.

45-8-302. Definitions. In 45-8-303 through 45-8-305 and 45-8-307, the following definitions apply:

(1) "Crime of violence" means any of the following crimes or an attempt to commit any of the crimes: any forcible felony, robbery, burglary, and criminal trespass.

(2) "Machine gun" means a firearm designed to discharge more than one shot by a single function of the trigger.

(3) "Person" includes a firm, partnership, association, or corporation.

45-8-304. Possession or use of machine gun for offensive purpose. Possession or use of a machine gun for offensive or aggressive purpose is hereby declared to be a crime punishable by imprisonment in the state penitentiary for a term of not less than 10 years.

45-8-305. Presumption of offensive or aggressive purpose. Possession or use of a machine gun must be presumed to be for an offensive or aggressive purpose when the machine gun is in the possession of or used by a person who has been convicted of a crime of violence in any court of record, state or federal, in the United States of America or its territories or insular possessions.

45-8-307. Exceptions. Sections 45-8-301 through 45-8-305 and this section do not prohibit or interfere with:

(1) the manufacture of machine guns for and sale of machine guns to the military forces or the peace officers of the United States or of any political subdivision of the United States or transportation required for that purpose;

(2) the possession of a machine gun for a scientific purpose or the possession of a machine gun not usable as a weapon and possessed as a curiosity, ornament, or keepsake;

(3) the possession of a machine gun for a purpose manifestly not aggressive or offensive.

(2) A person convicted of unlawful possession of a firearm by a convicted person shall be imprisoned in a state prison for not less than 2 years or more than 10 years.

(3) A person who has been issued a permit under 45-8-314 may not be convicted of a violation of this section.

45-8-314. Lifetime firearms supervision of certain convicted persons.

(1) For the purposes of rehabilitation and public protection, a person convicted of an offense referred to in 45-8-313 shall, as part of the sentence imposed, be sentenced to life supervision by the state for the purpose of restricting the person's right to purchase and possess firearms. Active supervision by a probation or parole officer is not required but may be imposed by the court. "Supervision" means that the person may not violate 45-8-313 and must comply with other state and federal law restrictions on the purchase and possession of firearms.

(2)(a) A person subject to subsection (1) may apply to the district court for the county in which the person resides for a permit to purchase and possess one or more firearms. The person shall show good cause for the possession of each firearm sought to be purchased and possessed. The grant or denial of the application does not prevent the person from making another application, except that if an application is denied, another application may not be made for the next 12 months.

(c) The person shall, at the time of filing the application with the court, mail a copy to the county attorney and county sheriff.

(d) The county attorney or county sheriff may file a written objection with the court. If no objection is filed, the court may grant the permit if it finds that the person has shown good cause to purchase and possess the firearm or firearms listed in the application. If an objection is filed, a hearing must be held within 60 days after the filing of the objection. If the court first finds that the person has shown good cause to purchase and possess the firearm or firearms listed in the application and that, but for the objection, the court would have granted a permit, the court shall decide whether the objection is valid and overrides the good cause showing and requires denial of the permit.

Chapter 159. Pistols and Revolvers

159:1. Definition. Pistol or revolver, as used herein, means any firearm with barrel less than 16 inches in length. It does not include antique pistols, gun canes, or revolvers. An antique pistol, gun cane, or revolver, for the purposes of this chapter means any pistol, gun cane, or revolver utilizing an early type of ignition, including, but not limited to, flintlocks, wheel locks, matchlocks, percussions and pin-fire, but no pistol, gun cane, or revolver which utilizes readily available center fire or rim-fire cartridges which are in common, current use shall be deemed to be an antique pistol, gun cane, or revolver. Nothing in this section shall prevent antique pistols, gun canes, or revolvers from being owned or transferred by museums, antique or arms collectors, or licensed gun dealers at auctions, gun shows, or private premises provided such ownership or transfer does not conflict with federal statutes.

159:3. Convicted Felons.

I. A person is guilty of a class B felony if he:

(a) Owns or has in his possession or under his control, a pistol, revolver, or other firearm, or slungshot, metallic knuckles, billies, stiletto, switchblade knife, sword cane, pistol cane, blackjack, dagger, dirk-knife, or other deadly weapon as defined in RSA 625:11, V; and

(3) A felony violation of the laws of any other state, the District of Columbia, the United States, the Commonwealth of Puerto Rico or any territory or possession of the United States relating to controlled drugs as defined in RSA 318-B.

I-a. A person is guilty of a class B felony if such person completes and signs an application for purchase of a firearm and the person is a convicted felon under the provisions of paragraph I.

II. The state shall confiscate to the use of the state the weapon or weapons of persons convicted under this section.

III. It is an affirmative defense to a charge under this section that a felony of which a defendant has been convicted in another jurisdiction would not have constituted a felony in the state of New Hampshire at the time such felony was committed.

159:3-a. Armed Career Criminals.

I. No person who has been convicted of any combination of 3 or more felonies in this state or any other state under homicide, assault, sexual

assault, arson, burglary, robbery, extortion, child pornography, or controlled drug laws, shall own or have in his possession or under his control, a pistol, revolver, rifle, shotgun, or any other firearm.

II. Any person who violates paragraph I shall be guilty of a felony and, notwithstanding RSA 651:2, II, shall be sentenced to a minimum mandatory term of 10 years imprisonment and a maximum term of imprisonment of not more than 40 years and shall be fined not more than \$25,000.

III. Notwithstanding any other provision of law, neither the whole, nor any part of the minimum mandatory sentence provided under paragraph II shall be served concurrently with any other term, nor shall the whole or any part of such additional term of imprisonment be suspended or deferred. No action brought to enforce sentencing under this section shall be continued for sentencing, nor shall the provisions of RSA 651:20 relative to suspensions or RSA 651-A relative to parole apply to any sentence of imprisonment imposed.

159:4. Carrying Without License. No person shall carry a loaded pistol or revolver in any vehicle or concealed upon his person, except in his dwelling, house or place of business, without a valid license therefor as hereinafter provided. A loaded pistol or revolver shall include any pistol or revolver with a magazine, cylinder, chamber or clip in which there are loaded cartridges. Whoever violates the provisions of this section shall, for the first such offense, be guilty of a misdemeanor. For the second and for each subsequent violation of the provisions of this section, such person shall be guilty of a class B felony, provided such second or subsequent violation has occurred within 7 years of the previous conviction.

159:5. Exceptions. The provisions of RSA 159:3 and 4 shall not apply to marshals, sheriffs, policemen or other duly appointed peace and other law enforcement officers, or bailiffs and court officers responsible for court security; nor to the regular and ordinary transportation of pistols or revolvers as merchandise, nor to members of the armed services of the United States when on duty; nor to the national guard when on duty; nor to organizations by law authorized to purchase or receive such weapons; nor to duly authorized military or civil organizations when parading, or the members thereof when at, or going to or from, their customary places of assembly.

159:5-a Exceptions and Exemptions Not Required to be Negated.

In any complaint, information, or indictment, and in any action or proceeding brought for the enforcement of any provision of this chapter, it shall not be necessary to negate any exception, excuse, proviso, or exemption contained herein, and the burden of proof of any such exception,

excuse, proviso or exemption shall be upon the defendant.

159:6. License to Carry.

I. The selectmen of a town or the mayor or chief of police of a city or some full-time police officer designated by them respectively, upon application of any resident of such town or city, or the director of state police, or some person designated by such director, upon application of a nonresident, shall issue a license to such applicant authorizing the applicant to carry a loaded pistol or revolver in this state for not less than 4 years from the date of issue, if it appears that the applicant has good reason to fear injury to the applicant's person or property or has any proper purpose, and that the applicant is a suitable person to be licensed. Hunting, target shooting, or self-defense shall be considered a proper purpose. The license shall be valid for all allowable purposes regardless of the purpose for which it was originally issued. The license shall be in duplicate and shall bear the name, address, description, and signature of the licensee. The original shall be delivered to the licensee and the duplicate shall be preserved by the people issuing the same for 4 years. When required, license renewal shall take place within the month of the fourth anniversary of the license holder's date of birth following the date of issuance. The license shall be issued within 14 days after application, and, if such application is denied, the reason for such denial shall be stated in writing, the original of which such writing shall be delivered to the applicant, and a copy kept in the office of the person to whom the application was made. The fee for licenses issued to residents of the state shall be \$10, which fee shall be for the use of the law enforcement department of the town or city granting said licenses; the fee for licenses granted to out-of-state residents shall be \$100, which fee shall be for the use of the state. The director of state police is hereby authorized and directed to prepare forms for the licenses required under this chapter and forms for the application for such licenses and to supply the same to officials of the cities and towns authorized to issue the licenses. No other forms shall be used by officials of cities and towns. The cost of the forms shall be paid out of the fees received from nonresident licensees.

II. No photograph or fingerprint shall be required or used as a basis to grant, deny, or renew a license to carry for a resident or nonresident, unless requested by the applicant.

159:6-a Confidentiality of Licenses.

Notwithstanding the provisions of RSA 91-A:4 or any other provision of law to the contrary, all papers and records, including applications, pertaining to the issuance of licenses pursuant to RSA 159:6 and all licenses issued pursuant to said section are subject to inspection only by law enforcement officials of the state or any political

subdivision thereof or of the federal government while in the performance of official duties or upon written consent, for good cause shown, of the superior court in the county where said license was issued.

159:6-b Suspension or Revocation of License.

I. The issuing authority may order a license to carry a loaded pistol or revolver issued to any person pursuant to RSA 159:6 to be suspended or revoked for just cause, provided written notice of the suspension or revocation and the reason therefore is given to the licensee. A licensee whose license has been suspended or revoked shall be permitted a hearing on such suspension or revocation if a hearing is requested by the licensee to the issuing authority within 7 days of the suspension or revocation.

II. When the licensee hereunder ceases to be a resident of the community in which the license was issued he shall notify in writing the issuing authority at his new place of residence that he has a current license. Such license shall remain in effect until it expires pursuant to RSA 159:6.

159:6-c Appeal From Denial, Suspension, or Revocation.

Any person whose application for a license to carry a loaded pistol or revolver has been denied pursuant to RSA 159:6 or whose license to carry a loaded pistol or revolver has been suspended or revoked pursuant to RSA 159:6-b may within 30 days thereafter, petition the district or municipal court in the jurisdiction in which such person resides to determine whether the petitioner is entitled to a license. The court shall conduct a hearing within 14 days after receipt of the petition. During this hearing the burden shall be upon the issuing authority to demonstrate by clear and convincing proof why any denial, suspension, or revocation was justified, failing which the court shall enter an order directing the issuing authority to grant or reinstate the petitioner's license. The court shall issue its decision not later than 14 days after the hearing on whether the petitioner is entitled to a license.

159:6-d. Full Faith and Credit for Licenses From Other States; Reciprocity. Notwithstanding the provisions of RSA 159:6, no nonresident holding a current and valid license to carry a loaded pistol or revolver in the state in which he resides or who is a peace officer in the state in which he resides, shall be required to obtain a license to carry a loaded pistol or revolver within this state if:

I. Such nonresident carries upon his person the license held from the state in which he resides; and

II. The state in which such person is a resident provides a reciprocal privilege for residents of this state.

159:6-e Violation.

Any person aggrieved by a violation of the licensing sections of this chapter by a licensing entity may petition the superior court of the county in which the alleged violation occurred for injunctive relief. The court shall give proceedings under this chapter priority on the court calendar. Such a petitioner may appear with or without counsel. The petition shall be deemed sufficient if it states facts constituting a violation of the licensing sections of this chapter by the licensing entity, and may be filed by the petitioner or the petitioner's counsel with the clerk of court or the justice. The clerk of court or any justice shall order service by copy of the petition on the licensing entity or a person employed by the entity. If the justice finds that time is of the

essence, the justice may order notice by any reasonable means, and shall have authority to issue an order ex parte when the justice reasonably deems such an order necessary to insure compliance with the provisions of this chapter.

159:6-f Remedies.

I. If any licensing entity or employee or member of the city council or board of selectmen, in violation of the provisions of this chapter, refuses to comply with this chapter, such entity or person shall be liable for reasonable attorney's fees and costs incurred in a lawsuit under this chapter to enforce the terms of this chapter, provided that the court finds that such lawsuit was necessary in order to obtain compliance with this chapter by the licensing authority. Fees shall not be awarded unless the court finds that the entity or person knew or should have known that the conduct engaged in was a violation of this chapter or when the parties, by agreement, provide that no such fees shall be paid. In any case in which fees are awarded under this chapter, upon a finding that an employee or other official of a licensing entity has acted in bad faith in refusing to comply with this chapter, the court may award such fees personally against such employee or other official.

II. The court may invalidate an action of a licensing entity taken in violation of the provisions of this chapter, if the circumstances justify such invalidation, and may require the licensing entity to issue a license or otherwise comply with the provisions of this chapter.

III. In addition to any other relief awarded pursuant to this chapter, the court may issue an order to enjoin future violations of this chapter.

159:7. Sales to Felons. No person shall sell, deliver, or otherwise transfer a pistol, revolver or any other firearm, to a person who has been convicted, in any jurisdiction, of a felony. Whoever violates the provisions of this section shall be guilty of a class B felony.

159:8. License to Sell. The selectmen of a town and the chief of police of a city may grant licenses, the form of which shall be prescribed by the director of the division of state police, effective for not more than 3 years from date of issue, permitting the licensee to sell at retail pistols and revolvers subject to the following conditions, for breach of any of which the licensee shall be subject to forfeiture:

I. The business shall be carried on only in the building designated in the license or at any organized sporting show or arms collectors' meeting sponsored by a chartered club or organization.

II. The license or a copy thereof, certified by the issuing authority, shall be displayed on the premises where it can easily be read.

III. No pistol, revolver, or other firearm shall be delivered to a purchaser not personally known to the seller or who does not present clear evidence of his identity; nor to a person who has been convicted of a felony.

159:8-a. Sales to Nonresidents; Attorney General. No person holding a license issued under the provisions of RSA 159:8 shall sell a pistol or revolver to a nonresident unless such nonresident has authority under the laws of the state of his residence, to purchase a pistol or revolver in the state of his residence, or unless the director or the division of state police, for good cause shown, has issued to such nonresident a permit for the purchase of a pistol or revolver. The attorney general shall, at least once annually, file with the secretary of state a summary of the

laws of each state of the United States relative to the purchase of pistols and revolvers in such states; and a licensee may rely upon such summary in determining if a nonresident offering to purchase a pistol or revolver has authority to make such purchase under the laws of the state of his residence.

159:8-b. Penalties. If a licensee shall in any court be found guilty of a violation of any of the provisions of RSA 159:8-a, such court shall, for each such violation, order the suspension of his license for a period of 3 months, and may, in addition, impose a fine not in excess of \$100.

159:10. Sale Without License. Any person who, without being licensed as herein provided, sells, advertises or exposes for sale, or has in his possession with intent to sell, pistols or revolvers shall be guilty of a class B felony if a natural person, or guilty of a felony if any other person.

159:11. False Information. Any person who, in purchasing or otherwise securing delivery of a pistol, revolver, or other firearm, gives false information or offers false evidence of his identity, shall be guilty of a misdemeanor for the first offense, and be guilty of a class B felony for any subsequent offense.

159:12. Sale to Minors.

I. Any person who shall sell, barter, hire, lend or give to any minor any pistol or revolver shall be guilty of a misdemeanor.

II. This section shall not apply to:

(a) Fathers, mothers, grandparents, guardians, administrators or executors who give a revolver to their children or wards or to heirs to an estate.

(b) Individuals instructing minors in the safe use of firearms during a supervised firearms training program, provided the minor's parent or legal guardian has granted the minor permission to participate in such program.

(c) Licensed hunters accompanying a minor while lawfully taking wildlife.

(d) Individuals supervising minors using firearms during a lawful shooting event or activity.

159:13. Changing Marks. No person shall change, alter, remove or obliterate the name of the maker, model, manufacturer's number or other mark of identification on any pistol or revolver. Possession of any such firearms upon which the same shall have been changed, altered, removed or obliterated shall be presumptive evidence that such possessor has changed, altered, removed or obliterated the same. Any person who violates the provisions of this section shall be guilty of a misdemeanor.

159:14. Exemption. None of the provisions of this chapter shall prohibit an individual not licensed under the provisions thereof who is not engaged in the business of selling pistols or revolvers from selling a pistol or revolver to a person licensed under this chapter or to a person personally known to him.

State Jurisdiction

159:26. Firearms and Ammunition; Authority of the State.

I. To the extent consistent with federal law, the state of New Hampshire shall have authority and jurisdiction over the sale, purchase, ownership, use, possession, transportation, licensing, permitting, taxation, or other matter pertaining to firearms, firearms components, ammunition, or firearms supplies in the state. Except as otherwise specifically provided by statute, no ordinance or regulation of a political subdivision may

regulate the sale, purchase, ownership, use, possession, transportation, licensing, permitting, taxation, or other matter pertaining to firearms, firearms components, ammunition, or firearms supplies in the state. Nothing in this section shall be construed as affecting a political subdivision's right to adopt zoning ordinances for the purpose of regulating firearms businesses in the same manner as other businesses or to take any action allowed under RSA 207:59.

II. Upon the effective date of this section, all municipal ordinances and regulations not authorized under paragraph I relative to the sale, purchase, ownership, use, possession, transportation, licensing, permitting, taxation, or other matter pertaining to firearms, firearm components, ammunition, or firearms supplies shall be null and void.

Chapter 159-D. Criminal Background Checks

159-D:1. Sale of Firearms; Criminal History Record and Protective Order Check. The department of safety may become the point of contact for the federal government for the purposes of the National Instant Criminal Background Check System (NICS).

159-D:2. Confidentiality.

I. If the department of safety conducts criminal background checks under RSA 159-D:1, any records containing information pertaining to a potential buyer or transferee who is not found to be prohibited from receipt or transfer of a firearm by reason of state or federal law, which are created by the department of safety to conduct the criminal background check, shall be confidential and may not be disclosed by the department or any officers or employees to any person or to another agency. The department shall destroy any such records after it communicates the corresponding approval number to the licensee and, in any event, such records shall be destroyed within one day after the day of the receipt of the licensee's request.

II. The department shall retain records containing any information pertaining to a potential buyer or transferee who is prohibited from receipt or transfer of a firearm for 3 years.

XI. "Firearm" means any weapon, including a starter gun, which will or is designed to or may readily be converted to expel a projectile by force of gunpowder. ...

173-B:4. Temporary Relief.

I. Upon a showing of an immediate and present danger of abuse, the court may enter temporary orders to protect the plaintiff with or without actual notice to defendant. The court may issue such temporary orders by telephone or facsimile. Such telephonically issued orders shall be made by a district or superior court judge to a law enforcement officer, shall be valid in any jurisdiction in the state, and shall be effective until the close of the next regular court business day. Such orders shall be returnable to the district court where the plaintiff resides or to which the plaintiff has fled, unless otherwise ordered by the issuing justice. If nontelephonic temporary orders are made ex parte, the party against whom such relief is issued may file a written request with the clerk of the court and request a hearing on such orders. Such hearing shall be held no less than 3 business days and no more than 5 business days after the request is received by the clerk. Such hearings may constitute the final hearing described in RSA 173-B:3, VII. Such temporary relief may direct the defendant to relinquish to a peace officer any and all firearms and ammunition in the control, ownership, or possession of the defendant, or any other person on behalf of the defendant for the duration of the protective order. Other temporary relief may include:

(a) Protective orders: ...

(9) Directing the defendant to relinquish to the peace officer, in addition to the relief specified in RSA 173-B:4, I, any and all deadly weapons specified in the protective order that are in the control, ownership, or possession of the defendant, or any other person on behalf of the defendant, for the duration of the protective order. ...

II. The defendant may be prohibited from purchasing, receiving, or possessing any deadly weapons and any and all firearms and ammunition for the duration of the order. The court may subsequently issue a search warrant authorizing the peace officer to seize any deadly weapons specified in the protective order and any and all firearms and ammunition, if there is probable cause to believe such firearms and ammunition and specified deadly weapons are kept on the premises or curtilage of the defendant and if the court has reason to believe that all such firearms and ammunition and specified deadly weapons have not been relinquished by the defendant.

173-B:5. Relief.

I. A finding of abuse shall mean the defendant represents a credible threat to the safety of the plaintiff. Upon a showing of abuse of the plaintiff by a preponderance of the evidence, the court shall grant such relief as is necessary to bring about a cessation of abuse. Such relief shall direct the defendant to relinquish to the peace officer any and all firearms and ammunition in the control, ownership, or possession of the defendant, or any other person on behalf of the defendant for the duration of the protective order. Other relief may include:

(a) Protective orders: ...

(6) Directing the defendant to relinquish to the peace officer, in addition to the relief specified in RSA 173-B:5, I, any and all deadly weapons specified in the protective order that are in the control, ownership, or possession of the defendant, or any other person on behalf of the defendant. ...

II. The defendant shall be prohibited from purchasing, receiving, or possessing any deadly weapons and any and all firearms and ammunition for the duration of the order. The court may subsequently issue a search warrant authorizing a peace officer to seize any deadly weapons specified in the protective order and any and all firearms and ammunition, if there is probable cause to believe such firearms and ammunition and specified deadly weapons are kept on the premises or curtilage of the defendant. ...

IX-a. If a criminal records check conducted by the department of safety indicates that a potential buyer or transferee is prohibited from receipt or possession of a firearm pursuant to a protective order issued under this chapter, the department of safety shall notify the administrative office of the courts of the denial. The administrative office of the courts shall immediately notify the plaintiff that the defendant has attempted to purchase or obtain a firearm in violation of the protective order.

X. (a) Within 15 days prior to the expiration of the protective orders, the defendant may request, by motion to the court, the return of any and all firearms and ammunition and specified deadly weapons held by the law enforcement agency while the protective order was in effect. Upon receipt of such a motion, the court shall schedule a hearing no later than 15 days after the expiration of the order. The court shall provide written notice to the plaintiff who shall have the right to appear and be heard, and to the law enforcement agency which has control of the firearms, ammunition, and specified deadly weapons. The scope of the hearing shall be limited to:

(1) Establishing whether the defendant is subject to any state or federal law or court order that precludes the defendant from owning or possessing a firearm; and

(2) Under circumstances where the plaintiff has requested an extension of the protective order, whether the plaintiff has established by a preponderance of the evidence that the defendant continues to represent a credible threat to the safety of the plaintiff.

(b) If the court finds that the defendant is not subject to any state or federal law or court order precluding the ownership or possession of firearms, or if the court denies the plaintiff's request to extend the protective order, the court shall issue a written order directing the law enforcement agency to return the requested firearms, ammunition, or deadly weapon to the defendant.

(c) Law enforcement agencies shall not release firearms and ammunition and specified deadly weapons without a court order granting such release. The law enforcement agency may charge the defendant a reasonable fee for the storage of any firearms and ammunition and specified deadly weapons taken pursuant to a protective order. The fee shall not exceed the actual cost incurred by the law enforcement agency for the storage of the firearms and ammunition and specified deadly weapons. The defendant may make alternative arrangements with a federally licensed firearms dealer for the storage of firearms, at the defendant's own expense, upon approval of the court. Such firearms shall be turned over to the appropriate law enforcement agency for transfer to the storage facility. Retrieval of such firearms shall be through the law enforcement agency responsible for their transfer to the storage facility pursuant to a court order as prescribed in this paragraph.

(d) No law enforcement agency shall be held liable for alleged damage or deterioration due to

storage or transportation to any firearms and ammunition and specified deadly weapons held by a law enforcement agency, so long as due care is used.

173-B:9 Violation of Protective Order; Penalty.

I.(a) When the defendant violates either a temporary or permanent protective order issued or enforced under this chapter, peace officers shall arrest the defendant and ensure that the defendant is detained until arraignment, provided that in extreme circumstances, such as when the health of the defendant would be jeopardized by the temporary detention, a judge in response to a request by the arresting law enforcement officer or agency, may order an alternative to detention pending arraignment. Such arrests may be made within 12 hours without a warrant upon probable cause, whether or not the violation is committed in the presence of a peace officer.

(b) Subsequent to an arrest, the peace officer shall seize any firearms and ammunition in the control, ownership, or possession of the defendant and any deadly weapons which may have been used, or were threatened to be used, during the violation of the protective order. The law enforcement agency shall maintain possession of the firearms, ammunition, or deadly weapons until the court issues an order directing that the firearms, ammunition, or deadly weapons be relinquished and specifying the person to whom the firearms and ammunition or deadly weapons will be relinquished.

173-B:10 Protection by Peace Officers.

I. Whenever any peace officer has probable cause to believe that a person has been abused, as defined in RSA 173-B:1, that officer shall use all means within reason to prevent further abuse including, but not limited to:

(a) Confiscating any deadly weapons involved in the alleged domestic abuse and any firearms and ammunition in the defendant's control, ownership, or possession.

Chapter 58. Licensing and Other Provisions Relating to Firearms

2C:58-1. Registration of manufacturers and wholesale dealers of firearms

a. Registration. Every manufacturer and wholesale dealer of firearms shall register with the superintendent as provided in this section. Applications for registration shall be made on such forms as shall be prescribed by the superintendent, and the applicant shall furnish such information and other particulars as may be prescribed by law or by any rules or regulations promulgated by the superintendent. Each application for registration or renewal shall be accompanied by a fee of \$150.00.

The superintendent shall prescribe standards and qualifications for the registration of manufacturers and wholesalers of firearms, for the protection of the public safety, health and welfare. He shall refuse to register any applicant for registration unless he is satisfied that the applicant can be permitted to engage in business as a manufacturer or wholesale dealer of firearms

without any danger to the public safety, health or welfare.

The superintendent shall issue a certificate of registration to every person registered under this section, and such certificate shall be valid for a period of 3 years from the date of issuance.

The superintendent shall prescribe standards and qualifications for licensed wholesale dealers' agents, for the protection of the public safety, health and welfare.

c. Revocation of certificate of registration or license. The superintendent may, after reasonable notice to all affected parties and a hearing if requested, revoke any certificate of registration or agent's license if he finds that the registered or licensed person is no longer engaged in the business of manufacturing or wholesaling firearms in this State or that he can no longer be permitted to carry on such business without endangering the public safety, health or welfare. A certificate or license may be cancelled at any time at the request of the registered or licensed person.

d. Appeals. Any person aggrieved by the refusal of the superintendent to register him as a manufacturer or wholesale dealer or a wholesale dealer's agent, or by revocation of his certificate or license, may appeal to the Appellate Division of the Superior Court.

e. Records of Sales. Every manufacturer and wholesale dealer shall keep a detailed record of each firearm sold by him. The record shall include the date of sale, the name and address of the purchaser, a description of each firearm and the serial number thereof. The records shall be available for inspection at all reasonable times by any law enforcement officer.

2C:58-2. Retailing of firearms; licensing of dealers and their employees

a. Licensing of retail dealers and their employees. No retail dealer of firearms nor any employee of a retail dealer shall sell or expose for sale, or possess with the intent of selling, any firearm unless licensed to do so as hereinafter provided. The superintendent shall prescribe standards and qualifications for retail dealers of firearms and their employees for the protection of the public safety, health and welfare.

Applications shall be made in the form prescribed by the superintendent, accompanied by a fee of \$50 payable to the superintendent, and shall be made to a judge of the Superior Court in the county where the applicant maintains his place of business. The judge shall grant a license to an applicant if he finds that the applicant meets the standards and qualifications established by the superintendent and that the applicant can be permitted to engage in business as a retail dealer of firearms or employee thereof without any danger to the public safety, health and welfare. Each license shall be valid for a period of three years from the date of issuance, and shall authorize the holder to sell firearms at retail in a specified municipality.

In addition, every retail dealer shall pay a fee of \$5 for each employee actively engaged in the sale or purchase of firearms. The superintendent shall issue a license for each employee for whom said fee has been paid, which license shall be valid for so long as the employee remains in the employ of said retail dealer.

No license shall be granted to any retail dealer under the age of 21 years or to any employee of a retail dealer under the age of 18 or to any person who could not qualify to obtain a permit to purchase a handgun or a firearms purchaser identification card, or to any corporation, partnership or other business organization in which the actual or equitable controlling interest is held or possessed by such an ineligible person.

All licenses shall be granted subject to the following conditions, for breach of any of which the license shall be subject to revocation on the application of any law enforcement officer and after notice and hearing by the issuing court:

(1) The business shall be carried on only in the building or buildings designated in the license, provided that repairs may be made by the dealer or his employees outside of such premises.

(2) The license or a copy certified by the issuing authority shall be displayed at all times in a conspicuous place on the business premises where it can be easily read.

(3) No firearm or imitation thereof shall be placed in any window or in any other part of the premises where it can be readily seen from the outside.

(4) No rifle or shotgun, except antique rifles or shotguns, shall be delivered to any person unless such person possesses and exhibits a valid firearms purchaser identification card and furnishes the seller, on the form prescribed by the superintendent, a certification signed by him setting forth his name, permanent address, firearms purchaser identification card number and such other information as the superintendent may by rule or regulation require. The certification shall be retained by the dealer and shall be made available for inspection by any law enforcement officer at any reasonable time.

The exemption afforded under this subparagraph for antique handguns shall be narrowly construed, limited solely to the requirements set forth herein and shall not be deemed to afford or authorize any other exemption from the regulatory provisions governing firearms set forth in chapter 39 and chapter 58 of Title 2C of the New Jersey Statutes; and

(e) On and after the first day of the sixth month following the date on which the list of personalized handguns is prepared and delivered pursuant to section 3 of P.L.2002, c.130 (C.2C:58-2.4), the handgun is identified as a personalized handgun and included on that list or is an antique handgun. The provisions of subpara-

(6) The dealer shall keep a true record of every handgun sold, given or otherwise delivered or disposed of, in accordance with the provisions of subsections b. through e. of this section and the record shall note that a trigger lock, locked case, gun box, container or other secure facility was delivered along with the handgun.

(7) A dealer shall not knowingly deliver more than one handgun to any person within any 30-day period. This limitation shall not apply to:

d. Signatures in register. The purchaser, lessee or transferee of any handgun shall sign, and the dealer shall require him to sign his name to the register, in triplicate, and the person making the sale, lease or transfer shall affix his name, in triplicate, as a witness to the signature. The signatures shall constitute a representation of the accuracy of the information contained in the register.

e. Copies of register entries; delivery to chief of police or county clerk. If the Attorney General determines that personalized handguns are not available for retail sales purposes, the Attorney General, every six months thereafter, shall report to the Governor and the Legislature as to the availability of personalized handguns for retail sales purposes until such time as the Attorney General shall deem that personalized handguns are available for retail sales purposes and so report to the Governor and the Legislature. In making this determination, the Attorney General may consult with any other neutral and detached public or private entity that may have useful information and expertise to assist in determining whether, through performance and other relevant indicators, a handgun meets the statutory definition of a personalized handgun set forth in N.J.S.2C:39-1.

b. For the purposes of this section, personalized handguns shall be deemed to be available for retail sales purposes if at least one manufacturer has delivered at least one production model of a personalized handgun to a registered or licensed wholesale or retail dealer in New Jersey or any other state. As used in this subsection, the term "production model" shall mean a handgun which is the product of a regular manufacturing process that produces multiple copies of the same handgun model, and shall not include a prototype or other unique specimen that is offered for sale.

Whenever a handgun is determined to meet the statutory definition of a personalized handgun as set forth in N.J.S.2C:39-1, the Attorney General shall report that determination in writing to the Governor and the Legislature within 60 days. The superintendent shall promptly amend and supplement the list to include hand-

guns which meet the statutory definition of a personalized handgun as set forth in N.J.S.2C:39-1 or to remove previously listed handguns, if appropriate. Registered and licensed retail firearms dealers in this State shall be notified forthwith of any such changes in the list. The notice shall be given in a manner prescribed by rule and regulation. The Attorney General shall promulgate rules and regulations establishing a process for handgun manufacturers to demonstrate that their handguns meet the statutory definition of a personalized handgun set forth in N.J.S.2C:39-1 and request that their handgun be added to this list. These rules and regulations may require that the handgun manufacturer:

(1) deliver a handgun or handguns to the Attorney General or his designee for testing;

(2) pay a reasonable application fee; and

(3) pay any reasonable costs incurred in, or associated with, the testing and independent scientific analysis of the handgun, including any analysis of the technology the manufacturer has incorporated within the handgun's design to limit its operational use, that is conducted to determine whether the handgun meets the statutory definition of a personalized handgun set forth in N.J.S.2C:39-1.

2C:58-2.5. Sales; commission to qualify use by law enforcement; penalty

a. On and after the first day of the sixth month following the preparation and delivery of the list of personalized handguns which may be sold in the State pursuant to section 3 of P.L.2002, c.130 (C.2C:58-2.4), no person registered or licensed by the superintendent as a manufacturer, wholesale dealer of firearms, retail dealer of firearms or agent or employee of a wholesale or retail dealer of firearms pursuant to the provisions of N.J.S.2C:58-1 or N.J.S.2C:58-2 shall transport into this State, sell, expose for sale, possess with the intent of selling, assign or otherwise transfer any handgun unless it is a personalized handgun or an antique handgun.

b. The provisions of this section shall not apply to handguns to be sold, transferred, assigned and delivered for official use to: (1) State and local law enforcement officers of this State; (2) federal law enforcement officers and any other federal officers and employees required to carry firearms in the performance of their official duties and (3) members of the Armed Forces of the United States or of the National Guard.

c. The provisions of this section also shall not apply to handguns to be sold, transferred, assigned and delivered solely for use in competitive shooting matches sanctioned by the Civilian Marksmanship Program, the International Olympic Committee or USA Shooting. The Attorney General may promulgate rules and regulations governing the scope and application of the exemption afforded under this section. The Attorney General, by rule and regulation, may require, at a minimum, that a person acquiring a handgun pursuant to this section submit valid proof of participation in these sanctioned shooting matches.

d. No later than 30 days after the preparation and delivery of the list of personalized handguns which may be sold in the State pursuant to section 3 of P.L.2002, c.130 (C.2C:58-2.4), there shall be established a seven-member commission in the Department of Law and Public Safety that shall meet at least once a year to determine whether personalized handguns qualify for use by State and local law enforcement officers. The Governor shall appoint the following six members of the commission: a county sheriff; a county law enforcement officer; a county prose-

cutor; one local law enforcement officer who shall be an active member of the New Jersey Fraternal Order of Police; one local law enforcement officer who shall be an active member of the New Jersey State Policemen's Benevolent Association; and an experienced firearms instructor qualified to teach a firearms training course approved by the Police Training Commission. The seventh member of the commission shall be the Superintendent of State Police.

The commission shall issue a report to the Attorney General upon its determination that personalized handguns qualify for use by State and local law enforcement officers. In making this determination, the commission shall consider any advantages and disadvantages to using these weapons in the performance of the official duties of law enforcement officers and shall give due regard to the safety of law enforcement officers and others. The commission shall expire thereafter. The Attorney General shall be authorized to promulgate rules and regulations that apply the provisions of this section to handguns to be sold, transferred, assigned and delivered for official use to State and local law enforcement officers upon a determination by the commission that personalized handguns qualify for use by State and local law enforcement officers.

e. A person who knowingly violates the provisions of this section is guilty of a crime of the fourth degree.

2C:58-2.6. Rules and regulations The Attorney General, in accordance with the provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), shall promulgate rules and regulations to effectuate the purposes of this act.

2C:58-3. Purchase of firearms a. **Permit to purchase a handgun.** No person shall sell, give, transfer, assign or otherwise dispose of, nor receive, purchase, or otherwise acquire a handgun unless the purchaser, assignee, donee, receiver or holder is licensed as a dealer under this chapter or has first secured a permit to purchase a handgun as provided by this section.

b. **Firearms purchaser identification card.** No person shall sell, give, transfer, assign or otherwise dispose of nor receive, purchase or otherwise acquire an antique cannon or a rifle or shotgun, other than an antique rifle or shotgun, unless the purchaser, assignee, donee, receiver or holder is licensed as a dealer under this chapter or possesses a valid firearms purchaser identification card, and first exhibits said card to the seller, donor, transferor or assignor, and unless the purchaser, assignee, donee, receiver or holder signs a written certification, on a form prescribed by the superintendent, which shall indicate that he presently complies with the requirements of subsection c. of this section and shall contain his name, address and firearms purchaser identification card number or dealer's registration number. The said certification shall be retained by the seller, as provided in section 2C:58-2a., or, in the case of a person who is not a dealer, it may be filed with the chief of police of the municipality in which he resides or with the superintendent.

c. **Who may obtain.** No person of good character and good reputation in the community in which he lives, and who is not subject to any of the disabilities set forth in this section or other sections of this chapter, shall be denied a permit to purchase a handgun or a firearms purchaser identification card, except as hereinafter set forth. No handgun purchase permit or firearms purchaser identification card shall be issued:

(1) To any person who has been convicted of any crime, or a disorderly persons offense involving an act of domestic violence as defined in section 3 of P.L.1991, c.261 (C.2C:25-19), whether or not armed with or possessing a weapon at the time of such offense;

(2) To any drug dependent person as defined in section 2 of P.L. 1970, c. 226 (C. 24:21-2), to any person who is confined for a mental disorder to a hospital, mental institution or sanitarium, or to any person who is presently an habitual drunkard;

(3) To any person who suffers from a physical defect or disease which would make it unsafe for him to handle firearms, to any person who has ever been confined for a mental disorder, or to any alcoholic unless any of the foregoing persons produces a certificate of a medical doctor or psychiatrist licensed in New Jersey, or other satisfactory proof, that he is no longer suffering from that particular disability in such a manner that would interfere with or handicap him in the handling of firearms; to any person who knowingly falsifies any information on the application form for a handgun purchase permit or firearms purchaser identification card;

(4) To any person under the age of 18 years for a firearms purchaser identification card and to any person under the age of 21 years for a permit to purchase a handgun;

(5) To any person where the issuance would not be in the interest of the public health, safety or welfare;

(6) To any person who is subject to a restraining order issued pursuant to the "Prevention of Domestic Violence Act of 1991," P.L.1991, c.261 (C.2C:25-17 et seq.) prohibiting the person from possessing any firearm;

(7) To any person who as a juvenile was adjudicated delinquent for an offense which, if committed by an adult, would constitute a crime and the offense involved the unlawful use or possession of a weapon, explosive or destructive device or is enumerated in subsection d. of section 2 of P.L.1997, c.117 (C.2C:43-7.2); or

(8) To any person whose firearm is seized pursuant to the "Prevention of Domestic Violence Act of 1991," P.L.1991, c.261 (C.2C:25-17 et seq.) and whose firearm has not been returned.

d. **Issuance.** The chief of police of an organized full-time police department of the municipality where the applicant resides or the superintendent, in all other cases, shall upon application, issue to any person qualified under the provisions of subsection c. of this section a permit to purchase a handgun or a firearms purchaser identification card.

Any person aggrieved by the denial of a permit or identification card may request a hearing in the Superior Court of the county in which he resides if he is a resident of New Jersey or in the Superior Court of the county in which his application was filed if he is a nonresident. The request for a hearing shall be made in writing within 30 days of the denial of the application for a permit or identification card. The applicant shall serve a copy of his request for a hearing upon the chief of police of the municipality in which he resides, if he is a resident of New Jersey, and upon the superintendent in all cases. The hearing shall be held and a record made thereof within 30 days of the receipt of the application for such hearing by the judge of the Superior Court. No formal pleading and no filing fee shall be required as a preliminary to such hearing. Appeals from the results of such hearing shall be in accordance with law.

e. Applications. Applications for permits to purchase a handgun and for firearms purchaser identification cards shall be in the form prescribed by the superintendent and shall set forth the name, residence, place of business, age, date of birth, occupation, sex and physical characteristics, if any, of the applicant, and shall state whether the applicant is a citizen, whether he is an alcoholic, habitual drunkard, drug dependent person as defined in section 2 of P.L. 1970, c. 226 (C.24:21-2), whether he has ever been confined or committed to a mental institution or hospital for treatment or observation of a mental or psychiatric condition on a temporary, interim or permanent basis, giving the name and location of the institution or hospital and the dates of such confinement or commitment, whether he has been attended, treated or observed by any doctor or psychiatrist or at any hospital or mental institution on an inpatient or outpatient basis for any mental or psychiatric condition, giving the name and location of the doctor, psychiatrist, hospital or institution and the dates of such occurrence, whether he presently or ever has been a member of any organization which advocates or approves the commission of acts of force and violence to overthrow the Government of the United States or of this State, or which seeks to deny others their rights under the Constitution of either the United States or the State of New Jersey, whether he has ever been convicted of a crime or disorderly persons offense, whether the person is subject to a restraining order issued pursuant to the "Prevention of Domestic Violence Act of 1991," P.L.1991, c.261 (C.2C:25-17 et. seq.) prohibiting the person from possessing any firearm, and such other information as the superintendent shall deem necessary for the proper enforcement of this chapter. For the purpose of complying with this subsection, the applicant shall waive any statutory or other right of confidentiality relating to institutional confinement. The application shall be signed by the applicant and shall contain as references the names and addresses of two reputable citizens personally acquainted with him.

Application blanks shall be obtainable from the superintendent, from any other officer authorized to grant such permit or identification card, and from licensed retail dealers.

The chief police officer or the superintendent shall obtain the fingerprints of the applicant and shall have them compared with any and all records of fingerprints in the municipality and county in which the applicant resides and also the records of the State Bureau of Identification and the Federal Bureau of Investigation, provided that an applicant for a handgun purchase permit who possesses a valid firearms purchaser identification card, or who has previously obtained a handgun purchase permit from the same licensing authority for which he was previously fingerprinted, and who provides other reasonably satisfactory proof of his identity, need not be fingerprinted again; however, the chief police officer or the superintendent shall proceed to investigate the application to determine whether or not the applicant has become subject to any of the disabilities set forth in this chapter.

f. Granting of permit or identification card; fee; term; renewal; revocation. The application for the permit to purchase a handgun together with a fee of \$2.00, or the application for the firearms purchaser identification card together with a fee of \$5.00, shall be delivered or forwarded to the licensing authority who shall investigate the

same and, unless good cause for the denial thereof appears, shall grant the permit or the identification card, or both, if application has been made therefor, within 30 days from the date of receipt of the application for residents of this State and within 45 days for nonresident applicants. A permit to purchase a handgun shall be valid for a period of 90 days from the date of issuance and may be renewed by the issuing authority for good cause for an additional 90 days. A firearms purchaser identification card shall be valid until such time as the holder becomes subject to any of the disabilities set forth in subsection c. of this section, whereupon the card shall be void and shall be returned within five days by the holder to the superintendent, who shall then advise the licensing authority. Failure of the holder to return the firearms purchaser identification card to the superintendent within the said five days shall be an offense under section 2C:39-10a. Any firearms purchaser identification card may be revoked by the Superior Court of the county wherein the card was issued, after hearing upon notice, upon a finding that the holder thereof no longer qualifies for the issuance of such permit. The county prosecutor of any county, the chief police officer of any municipality or any citizen may apply to such court at any time for the revocation of such card.

There shall be no conditions or requirements added to the form or content of the application, or required by the licensing authority for the issuance of a permit or identification card, other than those that are specifically set forth in this chapter.

g. Disposition of fees. All fees for permits shall be paid to the State Treasury if the permit is issued by the superintendent, to the municipality if issued by the chief of police, and to the county treasurer if issued by the judge of the Superior Court.

h. Form of permit; quadruplicate; disposition of copies. The permit shall be in the form prescribed by the superintendent and shall be issued to the applicant in quadruplicate. Prior to the time he receives the handgun from the seller, the applicant shall deliver to the seller the permit in quadruplicate and the seller shall complete all of the information required on the form. Within five days of the date of the sale, the seller shall forward the original copy to the superintendent and the second copy to the chief of police of the municipality in which the purchaser resides, except that in a municipality having no chief of police, such copy shall be forwarded to the superintendent. The third copy shall then be returned to the purchaser with the pistol or revolver and the fourth copy shall be kept by the seller as a permanent record.

i. Restriction on number of firearms person may purchase. Only one handgun shall be purchased or delivered on each permit and no more than one handgun shall be purchased within any 30-day period, but this limitation shall not apply to:

(1) a federal, State or local law enforcement officer or agency purchasing handguns for use by officers in the actual performance of their law enforcement duties;

(2) a collector of handguns as curios or relics as defined in Title 18, United States Code, section 921 (a)(13) who has in his possession a valid Collector of Curios and Relics License issued by the federal Bureau of Alcohol, Tobacco, Firearms and Explosives;

(3) transfers of handguns among licensed retail dealers, registered wholesale dealers and registered manufacturers;

(4) transfers of handguns from any person to a licensed retail dealer or a registered wholesale dealer or registered manufacturer;

(5) any transaction where the person has purchased a handgun from a licensed retail dealer and has returned that handgun to the dealer in exchange for another handgun within 30 days of the original transaction, provided the retail dealer reports the exchange transaction to the superintendent; or

(6) any transaction where the superintendent issues an exemption from the prohibition in this subsection pursuant to the provisions of section 4 of P.L.2009, c. 186 (C.2C:58-3.4).

The provisions of this subsection shall not be construed to afford or authorize any other exemption from the regulatory provisions governing firearms set forth in chapter 39 and chapter 58 of Title 2C of the New Jersey Statutes.

A person shall not be restricted as to the number of rifles or shotguns he may purchase, provided he possesses a valid firearms purchaser identification card and provided further that he signs the certification required in subsection b. of this section for each transaction.

j. Firearms passing to heirs or legatees.

Notwithstanding any other provision of this section concerning the transfer, receipt or acquisition of a firearm, a permit to purchase or a firearms purchaser identification card shall not be required for the passing of a firearm upon the death of an owner thereof to his heir or legatee, whether the same be by testamentary bequest or by the laws of intestacy. The person who shall so receive, or acquire said firearm shall, however, be subject to all other provisions of this chapter. If the heir or legatee of such firearm does not qualify to possess or carry it, he may retain ownership of the firearm for the purpose of sale for a period not exceeding 180 days, or for such further limited period as may be approved by the chief law enforcement officer of the municipality in which the heir or legatee resides or the superintendent, provided that such firearm is in the custody of the chief law enforcement officer of the municipality or the superintendent during such period.

k. Sawed-off shotguns. Nothing in this section shall be construed to authorize the purchase or possession of any sawed-off shotgun.

l. Nothing in this section and in N.J.S. 2C:58-2 shall apply to the sale or purchase of a visual distress signaling device approved by the United States Coast Guard, solely for possession on a private or commercial aircraft or any boat; provided, however, that no person under the age of 18 years shall purchase nor shall any person sell to a person under the age of 18 years such a visual distress signaling device.

2C:58-3.1. Temporary transfer of firearms; duration; presence of owner or dealer

a. Notwithstanding the provisions of N.J.S. 2C:39-9, N.J.S.2C:58-2, N.J.S.2C:58-3 or any other statute to the contrary concerning the transfer or disposition of firearms, the legal owner, or a dealer licensed under N.J.S.2C:58-2, may temporarily transfer a handgun, rifle or shotgun to another person who is 18 years of age or older, whether or not the person receiving the firearm holds a firearms purchaser identification card or a permit to carry a handgun. The person to whom a handgun, rifle or shotgun is temporarily transferred by the legal owner of the firearm or a licensed dealer may receive, possess, carry and use that handgun, rifle or shotgun, if the transfer is made upon a firing range operated by a licensed dealer, by a law enforce-

ment agency, a legally recognized military organization or a rifle or pistol club which has filed a copy of its charter with the superintendent and annually submits to the superintendent a list of its members and if the firearm is received, possessed, carried and used for the sole purpose of target practice, trap or skeet shooting, or competition upon that firing range or instruction and training at any location.

A transfer under this subsection shall be for not more than eight consecutive hours in any 24-hour period and may be made for a set fee or an hourly charge.

The firearm shall be handled and used by the person to whom it is temporarily transferred only in the actual presence or under the direct supervision of the legal owner of the firearm, the dealer who transferred the firearm or any other person competent to supervise the handling and use of firearms and authorized to act for that purpose by the legal owner or licensed dealer. The legal owner of the firearm or the licensed dealer shall be on the premises or the property of the firing range during the entire time that the firearm is in the possession of the person to whom it is temporarily transferred.

The term "legal owner" as used in this subsection means a natural person and does not include an organization, commercial enterprise, or a licensed manufacturer, wholesaler or dealer of firearms.

b. Notwithstanding the provisions of N.J.S. 2C:39-9, N.J.S.2C:58-2, N.J.S.2C:58-3 or any other statute to the contrary concerning the transfer and disposition of firearms, a legal owner of a shotgun or a rifle may temporarily transfer that firearm to another person who is 18 years of age or older, whether or not the person receiving the firearm holds a firearms purchaser identification card. The person to whom a shotgun or rifle is temporarily transferred by the legal owner may receive, possess, carry and use that shotgun or rifle in the woods or fields or upon the waters of this State for the purposes of hunting if the transfer is made in the woods or fields or upon the waters of this State, the shot-gun or rifle is legal and appropriate for hunting and the person to whom the firearm is temporarily transferred possesses a valid license to hunt with a firearm, and a valid rifle permit if the firearm is a rifle, obtained in accordance with the provisions of chapter 3 of Title 23 of the Revised Statutes.

The transfer of a firearm under this subsection shall be for not more than eight consecutive hours in any 24-hour period and no fee shall be charged for the transfer.

The legal owner of the firearm which is temporarily transferred shall remain in the actual presence or in the vicinity of the person to whom it was transferred during the entire time that the firearm is in that person's possession.

The term "legal owner" as used in this subsection means a natural person and does not include an organization, commercial enterprise, or a licensed manufacturer, wholesaler or dealer of firearms.

c. No firearm shall be temporarily transferred or received under the provisions of subsections a. or b. of this section for the purposes described in section 1 of P.L. 1983, c. 229 (C. 2C:39-14).

d. An owner or dealer shall not transfer a firearm to any person pursuant to the provisions of this section if the owner or dealer knows the person does not meet the qualifications set forth in subsection c. of N.J.S.2C:58-3 for obtaining or holding a firearms purchaser identification card or a handgun purchase permit. A person shall

not receive, possess, carry or use a firearm pursuant to the provisions of this section if the person knows he does not meet the qualifications set forth in subsection c. of N.J.S.2C:58-3 for obtaining or holding a firearms purchaser identification card or a handgun purchase permit.

2C:58-3.2. Transfer of firearm; participation in training courses

a. Notwithstanding the provisions of N.J.S. 2C:39-9, N.J.S.2C:58-2, N.J.S.2C:58-3 or any other statute to the contrary, a person who is certified as an instructor in the use, handling and maintenance of firearms by the Police Training Commission, the Division of Fish, Game and Wildlife and the State Park Service in the Department of Environmental Protection [now, Department of Environmental Protection and Energy], the Director of Civilian Marksmanship of the United States Department of the Army or by a recognized rifle or pistol association that certifies instructors may transfer a firearm temporarily in accordance with the terms of this section to a person participating in a training course for the use, handling and maintenance of firearms by the Police Training Commission, the Division of Fish, Game and Wildlife, the Director of Civilian Marksmanship or by a recognized rifle or pistol association that certifies instructors. The person to whom a firearm is transferred by a certified instructor in accordance with the terms of this section may receive, possess, carry and use the firearm temporarily during the sessions of the course for the purpose of training and participating in the course.

b. A transfer of a firearm under this section may be made only if:

(1) the transfer is made upon a firearms range or, if the firearm is unloaded, in an area designated and appropriate for the training;

(2) the transfer is made during the sessions of the firearms course for the sole purpose of participating in the course;

(3) the transfer is made for not more than eight consecutive hours in any 24-hour period; and

(4) the transferred firearm is used and handled only in the actual presence and under the direct supervision of the instructor.

c. The transfer permitted by this section may be made whether or not the person participating in the course holds a firearms license, firearms purchaser identification card or a handgun purchase permit. However, an instructor shall not knowingly transfer a firearm under the terms of this section to a person who does not meet the qualifications set forth in subsection c. of N.J.S. 2C:58-3 for obtaining or holding a firearms purchaser identification card or a handgun purchase permit, and a person who knows that he does not meet such qualifications shall not receive the transferred firearm under the terms of this section.

d. No firearm shall be transferred or received under the provisions of this section for purposes described in section 1 of P.L. 1983, c. 229 (C. 2C:39-14).

2C:58-3.3. Handgun ammunition sales and transfers

a. As used in this act, "handgun ammunition" means ammunition specifically designed to be used only in a handgun. "Handgun ammunition" shall not include blank ammunition, air gun pellets, flare gun ammunition, nail gun ammunition, paint ball ammunition, or any non-fixed ammunition.

b. No person shall sell, give, transfer, assign or otherwise dispose of, or receive, purchase, or otherwise acquire handgun ammunition unless

the purchaser, assignee, donee, receiver or holder is licensed as a manufacturer, wholesaler, or dealer under this chapter or is the holder of and possesses a valid firearms purchaser identification card, a valid copy of a permit to purchase a handgun, or a valid permit to carry a handgun and first exhibits such card or permit to the seller, donor, transferor or assignor.

c. No person shall sell, give, transfer, assign or otherwise dispose of handgun ammunition to a person who is under 21 years of age.

d. The provisions of this section shall not apply to a collector of firearms or ammunition as curios or relics who purchases, receives, acquires, possesses, or transfers handgun ammunition which is recognized as being historical in nature or of historical significance.

e. A person who violates this section shall be guilty of a crime of the fourth degree, except that nothing contained herein shall be construed to prohibit the sale, transfer, assignment or disposition of handgun ammunition to or the purchase, receipt or acceptance of ammunition by a law enforcement agency or law enforcement official for law enforcement purposes.

f. Nothing in this section shall be construed to prohibit the transfer of ammunition for use in a lawfully transferred firearm in accordance with the provisions of section 1 of P.L.1992, c.74 (C.2C:58-3.1), section 1 of P.L.1997, c.375 (C.2C:58-3.2) or section 14 of P.L.1979, c.179 (C.2C:58-6.1).

g. Nothing in this section shall be construed to prohibit the sale of a de minimis amount of handgun ammunition at a firearms range operated by a licensed dealer; a law enforcement agency; a legally recognized military organization; or a rifle or pistol club which has filed a copy of its charter with the superintendent for immediate use at that range.

2C:58-4. Permits to carry handguns

a. Scope and duration of authority. Any person who holds a valid permit to carry a handgun issued pursuant to this section shall be authorized to carry a handgun in all parts of this State, except as prohibited by section 2C:39-5e. One permit shall be sufficient for all handguns owned by the holder thereof, but the permit shall apply only to a handgun carried by the actual and legal holder of the permit.

All permits to carry handguns shall expire 2 years from the date of issuance or, in the case of an employee of an armored car company, upon termination of his employment by the company occurring prior thereto whichever is earlier in time, and they may thereafter be renewed every 2 years in the same manner and subject to the same conditions as in the case of original applications.

b. Application forms. All applications for permits to carry handguns, and all applications for renewal of such permits, shall be made on the forms prescribed by the superintendent. Each application shall set forth the full name, date of birth, sex, residence, occupation, place of business or employment, and physical description of the applicant, and such other information as the superintendent may prescribe for the determination of the applicant's eligibility for a permit and for the proper enforcement of this chapter. The application shall be signed by the applicant under oath, and shall be indorsed by three reputable persons who have known the applicant for at least 3 years preceding the date of application, and who shall certify thereon that the appli-

cant is a person of good moral character and behavior.

c. Investigation and approval. Each application shall in the first instance be submitted to the chief police officer of the municipality in which the applicant resides, or to the superintendent,

(1) if the applicant is an employee of an armored car company, or

(2) if there is no chief police officer in the municipality where the applicant resides, or

(3) if the applicant does not reside in this State. The chief police officer, or the superintendent, as the case may be, shall cause the fingerprints of the applicant to be taken and compared with any and all records maintained by the municipality, the county in which it is located, the State Bureau of Identification and the Federal Bureau of Identification. He shall also determine and record a complete description of each handgun the applicant intends to carry.

No application shall be approved by the chief police officer or the superintendent unless the applicant demonstrates that he is not subject to any of the disabilities set forth in 2C:58-3c., that he is thoroughly familiar with the safe handling and use of handguns, and that he has a justifiable need to carry a handgun. If the application is not approved by the chief police officer or the superintendent within 60 days of filing, it shall be deemed to have been approved, unless the applicant agrees to an extension of time in writing.

d. Issuance by Superior Court; fee. If the application has been approved by the chief police officer or the superintendent, as the case may be, the applicant shall forthwith present it to the Superior Court of the county in which the applicant resides, or to the Superior Court in any county where he intends to carry a handgun, in the case of a nonresident or employee of an armored car company. The court shall issue the permit to the applicant if, but only if, it is satisfied that the applicant is a person of good character who is not subject to any of the disabilities set forth in section 2C:58-3c., that he is thoroughly familiar with the safe handling and use of handguns, and that he has a justifiable need to carry a handgun. The court may at its discretion issue a limited-type permit which would restrict the applicant as to the types of handguns he may carry and where and for what purposes such handguns may be carried. At the time of issuance, the applicant shall pay to the county clerk of the county where the permit was issued a permit fee of \$20.00.

e. Appeals from denial of applications. Any person aggrieved by the denial by the chief police officer or the superintendent of approval for a permit to carry a handgun may request a hearing in the Superior Court of the county in which he resides or in any county in which he intends to carry a handgun, in the case of a nonresident, by filing a written request for such a hearing within 30 days of the denial. Copies of the request shall be served upon the superintendent, the county prosecutor and the chief police officer of the municipality where the applicant resides, if he is a resident of this State. The hearing shall be held within 30 days of the filing of the request, and no formal pleading or filing fee shall be required. Appeals from the determination at such a hearing shall be in accordance with law and the rules governing the courts of this State.

If the superintendent or chief police officer approves an application and the Superior Court denies the application and refuses to issue a permit, the applicant may appeal such denial in accordance with law and the rules governing the courts of this State.

f. Revocation of permits. Any permit issued under this section shall be void at such time as the holder thereof becomes subject to any of the disabilities set forth in section 2C:58-3c, and the holder of such a void permit shall immediately surrender the permit to the superintendent who shall give notice to the licensing authority.

Any permit may be revoked by the Superior Court, after hearing upon notice to the holder, if the court finds that the holder is no longer qualified for the issuance of such a permit. The county prosecutor of any county, the chief police officer of any municipality, the superintendent or any citizen may apply to the court at any time for the revocation of any permit issued pursuant to this section.

2C:58-4.1. Employee of armored car company; application; letter from chief executive officer In addition to the requirements of N.J.S. 2C:58-4 any application to carry a handgun by an employee of an armored car company shall be accompanied by a letter from the chief executive officer of the armored car company verifying employment of the applicant; endorsing approval of the application; and agreeing to notify the superintendent forthwith upon the termination of the employee of any person to whom a permit is issued and to obtain from the employee the permit which shall thereupon be surrendered to the superintendent.

2C:58-5. Licenses to possess and carry machine guns and assault firearms

a. Any person who desires to purchase, possess and carry a machine gun or assault firearm in this State may apply for a license to do so by filing in the Superior Court in the county in which he resides, or conducts his business if a nonresident, a written application setting forth in detail his reasons for desiring such a license. The Superior Court shall refer the application to the county prosecutor for investigation and recommendation. A copy of the prosecutor's report, together with a copy of the notice of the hearing on the application, shall be served upon the superintendent and the chief police officer of every municipality in which the applicant intends to carry the machine gun or assault firearm, unless, for good cause shown, the court orders notice to be given wholly or in part by publication.

b. No license shall be issued to any person who would not qualify for a permit to carry a handgun under section 2C:58-4, and no license shall be issued unless the court finds that the public safety and welfare so require. No license shall be issued or renewed except for an applicant (a) twenty-one years of age or older, provided, however, that where such applicant has been honorably discharged from the United States army, navy, marine corps, air force or coast guard, or the national guard of the state of New York, no such age restriction shall apply; (b) of good moral character; (c) who has not been convicted anywhere of a felony or a serious offense; (d) who has stated whether he has ever suffered any mental illness or been confined to any hospital or institution, public or private, for mental illness; (e) who has not had a license revoked or who is not under a suspension or ineligibility order issued pursuant to the provisions of section 530.14 of the criminal procedure law or section eight hundred forty-two-a of the family court act; (f) in the county of Westchester, who has successfully completed a firearms safety course and test as evidenced by a certificate of completion issued in his or her name and endorsed and affirmed under the penalties of perjury by a duly authorized instructor, except that: (i) persons

No person shall engage in the business of gunsmith or dealer in firearms unless licensed pursuant to this section. An applicant to engage in such business shall also be a citizen of the United States, more than twenty-one years of age and maintain a place of business in the city or county where the license is issued. For such business, if the applicant is a firm or partnership, each member thereof shall comply with all of the requirements set forth in this subdivision and if the applicant is a corporation, each officer thereof shall so comply.

2. Types of licenses. A license for gunsmith or dealer in firearms shall be issued to engage in such business. A license for a pistol or revolver, other than an assault weapon or a disguised gun, shall be issued to (a) have and possess in his dwelling by a householder; (b) have and possess in his place of business by a merchant or storekeeper; (c) have and carry concealed while so employed by a messenger employed by a banking institution or express company; (d) have and carry concealed by a justice of the supreme court in the first or second judicial departments, or by a judge of the New York city civil court or the New York city criminal court; (e) have and carry concealed while so employed by a regular employee of an institution of the state, or of any county, city, town or village, under control of a commissioner of correction of the city or any warden, superintendent or head keeper of any state prison, penitentiary, workhouse, county jail or other institution for the detention of persons convicted or accused of crime or held as witnesses in criminal cases, provided that application is made therefor by such commissioner, warden, superintendent or head keeper; (f) have and carry concealed, without regard to employment or place of possession, by any person when proper cause exists for the issuance thereof; and (g) have, possess, collect and carry antique pistols which are defined as follows: (i) any single shot, muzzle loading pistol with a matchlock, flintlock, percussion cap, or similar type of ignition system manufactured in or before 1898, which is not designed for using rimfire or conventional centerfire fixed ammunition; and (ii) any replica of any pistol described in clause (i) hereof if such replica -

(1) is not designed or redesigned for using rimfire or conventional centerfire fixed ammunition, or

(2) uses rimfire or conventional centerfire fixed ammunition which is no longer manufactured in the United States and which is not readily available in the ordinary channels of commercial trade.

3. Applications.

(a) Applications shall be made and renewed, in the case of a license to carry or possess a pistol or revolver, to the licensing officer in the city or county, as the case may be, where the applicant resides, is principally employed or has

his principal place of business as merchant or storekeeper; and, in the case of a license as gunsmith or dealer in firearms, to the licensing officer where such place of business is located. Blank applications shall, except in the city of New York, be approved as to form by the superintendent of state police. An application shall state the full name, date of birth, residence, present occupation of each person or individual signing the same, whether or not he is a citizen of the United States, whether or not he complies with each requirement for eligibility specified in subdivision one of this section and such other facts as may be required to show the good character, competency and integrity of each person or individual signing the application. An application shall be signed and verified by the applicant. Each individual signing an application shall submit one photograph of himself and a duplicate for each required copy of the application. Such photographs shall have been taken within thirty days prior to filing the application. In case of a license as gunsmith or dealer in firearms, the photographs submitted shall be two inches square, and the application shall also state the previous occupation of each individual signing the same and the location of the place of such business, or of the bureau, agency, subagency, office or branch office for which the license is sought, specifying the name of the city, town or village, indicating the street and number and otherwise giving such apt description as to point out reasonably the location thereof. In such case, if the applicant is a firm, partnership or corporation, its name, date and place of formation, and principal place of business shall be stated. For such firm or partnership, the application shall be signed and verified by each individual composing or intending to compose the same, and for such corporation, by each officer thereof.

(b) Application for an exemption under paragraph seven-b of subdivision a of section 265.20 of this chapter. Each applicant desiring to obtain the exemption set forth in paragraph seven-b of subdivision a of section 265.20 of this chapter shall make such request in writing of the licensing officer with whom his application for a license is filed, at the time of filing such application. Such request shall include a signed and verified statement by the person authorized to instruct and supervise the applicant, that has met with the applicant and that he has determined that, in his judgment, said applicant does not appear to be or poses a threat to be, a danger to himself or to others. He shall include a copy of his certificate as an instructor in small arms, if he is required to be certified, and state his address and telephone number. He shall specify the exact location by name, address and telephone number where such instruction will take place. Such licensing officer shall, no later than ten business days after such filing, request the duly constituted police authorities of the locality where such application is made to investigate and ascertain any previous criminal record of the applicant pursuant to subdivision four of this section. Upon completion of this investigation, the police authority shall report the results to the licensing officer without unnecessary delay. The licensing officer shall no later than ten business days after the receipt of such investigation, determine if the applicant has been previously denied a license, been convicted of a felony, or been convicted of a serious offense, and either approve or disapprove the applicant for exemption purposes based upon such determin-

ations. If the applicant is approved for the exemption, the licensing officer shall notify the appropriate duly constituted police authorities and the applicant. Such exemption shall terminate if the application for the license is denied, or at any earlier time based upon any information obtained by the licensing officer or the appropriate police authorities which would cause the license to be denied. The applicant and appropriate police authorities shall be notified of any such terminations.

4. Investigation. Before a license is issued or renewed, there shall be an investigation of all statements required in the application by the duly constituted police authorities of the locality where such application is made. For that purpose, the records of the appropriate office of the department of mental hygiene concerning previous or present mental illness of the applicant shall be available for inspection by the investigating officer of the police authority. In order to ascertain any previous criminal record, the investigating officer shall take the fingerprints and physical descriptive data in quadruplicate of each individual by whom the application is signed and verified. Two copies of such fingerprints shall be taken on standard fingerprint cards eight inches square, and one copy may be taken on a card supplied for that purpose by the federal bureau of investigation; provided, however, that in the case of a corporate applicant that has already been issued a dealer in firearms license and seeks to operate a firearm dealership at a second or subsequent location, the original fingerprints on file may be used to ascertain any criminal record in the second or subsequent application unless any of the corporate officers have changed since the prior application, in which case the new corporate officer shall comply with procedures governing an initial application for such license. When completed, one standard card shall be forwarded to and retained by the division of criminal justice services in the executive department, at Albany. A search of the files of such division and written notification of the results of the search to the investigating officer shall be made without unnecessary delay. Thereafter, such division shall notify the licensing officer and the executive department, division of state police, Albany, of any criminal record of the applicant filed therein subsequent to the search of its files. A second standard card, or the one supplied by the federal bureau of investigation, as the case may be, shall be forwarded to that bureau at Washington with a request that the files of the bureau be searched and notification of the results of the search be made to the investigating police authority. The failure or refusal of the federal bureau of investigation to make the fingerprint check provided for in this section shall not constitute the sole basis for refusal to issue a permit pursuant to the provisions of this section. Of the remaining two fingerprint cards, one shall be filed with the executive department, division of state police, Albany, within ten days after issuance of the license, and the other remain on file with the investigating police authority. No such fingerprints may be inspected by any person other than a peace officer, who is acting pursuant to his special duties, or a police officer, except on order of a judge or justice of a court of record either upon notice to the licensee or without notice, as the judge or justice may deem appropriate. Upon completion of the investigation,

the police authority shall report the results to the licensing officer without unnecessary delay.

4-a. Processing of license applications. Applications for licenses shall be accepted for processing by the licensing officer at the time of presentment. Except upon written notice to the applicant specifically stating the reasons for any delay, in each case the licensing officer shall act upon any application for a license pursuant to this section within six months of the date of presentment of such an application to the appropriate authority. Such delay may only be for good cause and with respect to the applicant. In acting upon an application, the licensing officer shall either deny the application for reasons specifically and concisely stated in writing or grant the application and issue the license applied for.

4-b. Westchester county firearms safety course certificate. In the county of Westchester, at the time of application, the licensing officer to which the license application is made shall provide a copy of the safety course booklet to each license applicant. Before such license is issued, such licensing officer shall require that the applicant submit a certificate of successful completion of a firearms safety course and test issued in his or her name and endorsed and affirmed under the penalties of perjury by a duly authorized instructor.

5. Filing of approved applications. The application for any license, if granted, shall be filed by the licensing officer with the clerk of the county of issuance, except that in the city of New York and, in the counties of Nassau and Suffolk, the licensing officer shall designate the place of filing in the appropriate division, bureau or unit of the police department thereof, and in the county of Suffolk the county clerk is hereby authorized to transfer all records or applications relating to firearms to the licensing authority of that county. The name and address of any person to whom an application for any license has been granted shall be a public record. Upon application by a licensee who has changed his place of residence such records or applications shall be transferred to the appropriate officer at the licensee's new place of residence. A duplicate copy of such application shall be filed by the licensing officer in the executive department, division of state police, Albany, within ten days after issuance of the license. Nothing in this subdivision shall be construed to change the expiration date or term of such licenses if otherwise provided for in law.

6. License: validity. Any license issued pursuant to this section shall be valid notwithstanding the provisions of any local law or ordinance. No license shall be transferable to any other person or premises. A license to carry or possess a pistol or revolver, not otherwise limited as to place or time of possession shall be effective throughout the state, except that the same shall not be valid within the city of New York unless a special permit granting validity is issued by the police commissioner of that city. Such license to carry or possess shall be valid within the city of New York in the absence of a permit issued by the police commissioner of that city, provided that (a) the firearms covered by such license have been purchased from a licensed dealer within the city of New York and are being transported out of said city forthwith and immediately from said dealer by the licensee in a locked container during a continuous and uninterrupted trip; or provided that (b) the firearms covered by such license are being transported by the licensee in a locked container and the trip through the city of New York is continuous and uninterrupted; or

provided that (c) the firearms covered by such license are carried by armored car security guards transporting money or other valuables, in, to, or from motor vehicles commonly known as armored cars, during the course of their employment; or provided that (d) the licensee is a retired police officer as police officer is defined pursuant to subdivision thirty-four of section 1.20 of the criminal procedure law or a retired federal law enforcement officer, as defined in section 2.15 of the criminal procedure law, who has been issued a license by an authorized licensing officer as defined in subdivision ten of section 265.00 of this chapter; provided, further, however, that if such license was not issued in the city of New York it must be marked "Retired Police Officer" or "Retired Federal Law Enforcement Officer", as the case may be, and, in the case of a retired officer the license shall be deemed to permit only police or federal law enforcement regulations weapons; or provided that (e) the licensee is a peace officer described in subdivision four of section 2.10 of the criminal procedure law and the license, if issued by other than the city of New York, is marked "New York State Tax Department Peace Officer" and in such case the exemption shall apply only to the firearm issued to such licensee by the department of taxation and finance. A license as gunsmith or dealer in firearms shall not be valid outside the city or county, as the case may be, where issued.

7. License: form. Any license issued pursuant to this section shall, except in the city of New York, be approved as to form by the superintendent of state police. A license to carry or possess a pistol or revolver shall have attached the licensee's photograph, and a coupon which shall be removed and retained by any person disposing of a firearm to the licensee. Such license shall specify the weapon covered by caliber, make, model, manufacturer's name and serial number, or if none, by any other distinguishing number or identification mark, and shall indicate whether issued to carry on the person or possess on the premises, and if on the premises shall also specify the place where the licensee shall possess the same. If such license is issued to an alien, or to a person not a citizen of and usually a resident in the state, the licensing officer shall state in the license the particular reason for the issuance and the names of the persons certifying to the good character of the applicant. Any license as gunsmith or dealer in firearms shall mention and describe the premises for which it is issued and shall be valid only for such premises.

8. License: exhibition and display. Every licensee while carrying a pistol or revolver shall have on his or her person a license to carry the same. Every person licensed to possess a pistol or revolver on particular premises shall have the license for the same on such premises. Upon demand, the license shall be exhibited for inspection to any peace officer, who is acting pursuant to his or her special duties, or police officer. A license as gunsmith or dealer in firearms shall be prominently displayed on the licensed premises. A gunsmith or dealer of firearms may conduct business temporarily at a location other than the location specified on the license if such temporary location is the location for a gun show or event sponsored by any national, state, or local organization, or any affiliate of any such organization devoted to the collection, competitive use or other sporting use of firearms. Any sale or transfer at a gun show must also comply with

the provisions of article thirty-nine-DD of the general business law. Records of receipt and disposition of firearms transactions conducted at such temporary location shall include the location of the sale or other disposition and shall be entered in the permanent records of the gunsmith or dealer of firearms and retained on the location specified on the license. Nothing in this section shall authorize any licensee to conduct business from any motorized or towed vehicle. A separate fee shall not be required of a licensee with respect to business conducted under this subdivision. Any inspection or examination of inventory or records under this section at such temporary location shall be limited to inventory consisting of, or records related to, firearms held or disposed at such temporary locations. Failure of any licensee to so exhibit or display his or her license, as the case may be, shall be presumptive evidence that he or she is not duly licensed.

9. License: amendment. Elsewhere than in the city of New York, a person licensed to carry or possess a pistol or revolver may apply at any time to his licensing officer for amendment of his license to include one or more such weapons or to cancel weapons held under license. If granted, a record of the amendment describing the weapons involved shall be filed by the licensing officer in the executive department, division of state police, Albany. Notification of any change of residence shall be made in writing by any licensee within ten days after such change occurs, and a record of such change shall be inscribed by such licensee on the reverse side of his license. Elsewhere than in the city of New York, and in the counties of Nassau and Suffolk, such notification shall be made to the executive department, division of state police, Albany, and in the city of New York to the police commissioner of that city, and in the county of Nassau to the police commissioner of that county, and in the county of Suffolk to the licensing officer of that county, who shall, within ten days after such notification shall be received by him, give notice in writing of such change to the executive department, division of state police, at Albany.

10. License: expiration, certification and renewal. Any license for gunsmith or dealer in firearms and, in the city of New York, any license to carry or possess a pistol or revolver, issued at any time pursuant to this section or prior to the first day of July, nineteen hundred sixty-three and not limited to expire on an earlier date fixed in the license, shall expire not more than three years after the date of issuance. In the counties of Nassau, Suffolk and Westchester, any license to carry or possess a pistol or revolver, issued at any time pursuant to this section or prior to the first day of July, nineteen hundred sixty-three and not limited to expire on an earlier date fixed in the license, shall expire not more than five years after the date of issuance; however, in the county of Westchester, any such license shall be certified prior to the first day of April, two thousand, in accordance with a schedule to be contained in regulations promulgated by the commissioner of the division of criminal justice services, and every such license shall be recertified every five years thereafter. For purposes of this section certification shall mean that the licensee shall provide to the licensing officer the following information only: current name, date of birth, current address, and the make, model, caliber and serial number of all firearms currently possessed. Such certification information shall be filed by the licensing officer in the same manner as an amendment. Elsewhere

than in the city of New York and the counties of Nassau, Suffolk and Westchester, any license to carry or possess a pistol or revolver, issued at any time pursuant to this section or prior to the first day of July, nineteen hundred sixty-three and not previously revoked or cancelled, shall be in force and effect until revoked as herein provided. Any license not previously cancelled or revoked shall remain in full force and effect for thirty days beyond the stated expiration date on such license. Any application to renew a license that has not previously expired, been revoked or cancelled shall thereby extend the term of the license until disposition of the application by the licensing officer. In the case of a license for gunsmith or dealer in firearms, in counties having a population of less than two hundred thousand inhabitants, photographs and fingerprints shall be submitted on original applications and upon renewal thereafter only at six year intervals. Upon satisfactory proof that a currently valid original license has been despoiled, lost or otherwise removed from the possession of the licensee and upon application containing an additional photograph of the licensee, the licensing officer shall issue a duplicate license.

11. License: revocation and suspension.

The conviction of a licensee anywhere of a felony or serious offense shall operate as a revocation of the license. A license may be revoked or suspended as provided for in section 530.14 of the criminal procedure law or section eight hundred forty-two-a of the family court act. A license may be revoked and cancelled at any time in the city of New York, and in the counties of Nassau and Suffolk, by the licensing officer, and elsewhere than in the city of New York by any judge or justice of a court of record. The official revoking a license shall give written notice thereof without unnecessary delay to the executive department, division of state police, Albany, and shall also notify immediately the duly constituted police authorities of the locality.

12. Records required of gunsmiths and dealers in firearms. Any person licensed as gunsmith or dealer in firearms shall keep a record book approved as to form, except in the city of New York, by the superintendent of state police. In the record book shall be entered at the time of every transaction involving a firearm the date, name, age, occupation and residence of any person from whom a firearm is received or to whom a firearm is delivered, and the caliber, make, model, manufacturer's name and serial number, or if none, any other distinguishing number or identification mark on such firearm. Before delivering a firearm to any person, the licensee shall require him to produce either a license valid under this section to carry or possess the same, or proof of lawful authority as an exempt person pursuant to section 265.20. In addition, before delivering a firearm to a peace officer, the licensee shall verify that person's status as a peace officer with the division of state police. After completing the foregoing, the licensee shall remove and retain the attached coupon and enter in the record book the date of such license, number, if any, and name of the licensing officer, in the case of the holder of a license to carry or possess, or the shield or other number, if any, assignment and department, unit or agency, in the case of an exempt person. The original transaction report shall be forwarded to the division of state police within ten days of delivering a firearm to any person, and a duplicate copy shall be kept by the licensee. The record book shall be maintained on the premises men-

tioned and described in the license and shall be open at all reasonable hours for inspection by any peace officer, acting pursuant to his special duties, or police officer. In the event of cancellation or revocation of the license for gunsmith or dealer in firearms, or discontinuance of business by a licensee, such record book shall be immediately surrendered to the licensing officer in the city of New York, and in the counties of Nassau and Suffolk, and elsewhere in the state to the executive department, division of state police.

12-a. State police regulations applicable to licensed gunsmiths engaged in the business of assembling or manufacturing firearms.

The superintendent of state police is hereby authorized to issue such rules and regulations as he deems reasonably necessary to prevent the manufacture and assembly of unsafe firearms in the state. Such rules and regulations shall establish safety standards in regard to the manufacture and assembly of firearms in the state, including specifications as to materials and parts used, the proper storage and shipment of firearms, and minimum standards of quality control. Regulations issued by the state police pursuant to this subdivision shall apply to any person licensed as a gunsmith under this section engaged in the business of manufacturing or assembling firearms, and any violation thereof shall subject the licensee to revocation of license pursuant to subdivision eleven of this section.

(c) Every head of a state or local agency, unit of local government, state or local commission, public authority, or any other agency, firm or corporation that employs persons who may lawfully possess firearms or machine-guns without the requirement of a license therefor, or that employs persons licensed to possess firearms or machine-guns, shall promptly report to the superintendent of state police, in the manner prescribed by him, the make, model, caliber and serial number of every firearm or machine-gun possessed by it on the effective date of this act for the use of such employees or for any other use. Thereafter, within ten days of the acquisition or disposition of any such weapon, such head shall report such information to the superintendent of the state police, including the name and address of the person from whom the weapon was acquired or to whom it was disposed.

13. Expenses. The expense of providing a licensing officer with blank applications, licenses and record books for carrying out the provisions of this section shall be a charge against the

county, and in the city of New York against the city.

14. Fees. In the city of New York and the county of Nassau, the annual license fee shall be twenty-five dollars for gunsmiths and fifty dollars for dealers in firearms. In such city, the city council and in the county of Nassau the Board of Supervisors shall fix the fee to be charged for a license to carry or possess a pistol or revolver and provide for the disposition of such fees. Elsewhere in the state, the licensing officer shall collect and pay into the county treasury the following fees: for each license to carry or possess a pistol or revolver, not less than three dollars nor more than ten dollars as may be determined by the legislative body of the county; for each amendment thereto, three dollars, and five dollars in the county of Suffolk; and for each license issued to a gunsmith or dealer in firearms, ten dollars. 15. Any violation by any person of any provision of this section is a class A misdemeanor.

16. Unlawful disposal. No person shall except as otherwise authorized pursuant to law dispose of any firearm unless he is licensed as gunsmith or dealer in firearms.

17. Applicability of section. The provisions of article two hundred sixty-five relating to illegal possession of a firearm, shall not apply to an offense which also constitutes a violation of this section by a person holding an otherwise valid license under the provisions of this section and such offense shall only be punishable as a class A misdemeanor pursuant to this section. In addition, the provisions of such article two hundred sixty-five shall not apply to the possession of a firearm in a place not authorized by law, by a person who holds an otherwise valid license or possession of a firearm by a person within a one year period after the stated expiration date of an otherwise valid license which has not been previously cancelled or revoked shall only be punishable as a class A misdemeanor pursuant to this section.

193-1. Unlawful to carry loaded firearms; exception. Any person, other than a peace officer, who shall in any public street, highway or place within the City of Albany have upon his person or carry any loaded pistol, revolver or other firearm without having been authorized as provided by law to carry the same shall be guilty of a misdemeanor, punishable by a fine not exceeding \$1,000 or by imprisonment not exceeding one year, or by both such fine and imprisonment.

193-2. Commissioner of Police authorized to issue permit to carry loaded firearms. Any person, except as provided in this Article, who has occasion to carry a loaded revolver, pistol or firearm for his protection may apply to the Commissioner of Police, and such officer, if satisfied that the applicant is a proper and law-abiding person, shall give said person a permit allowing him to carry such loaded firearm for such period of time as he may deem proper. Any non-resident who does business in the City of Albany and has occasion to carry a loaded pistol, revolver or firearm while in said city must make application for permission to do so, to the Commissioner of Police, in the same manner as is

required of residents of said City and shall be subject to the same conditions and restrictions.

Article II. Firearms and Ammunition

193-6. Purpose. The Common Council hereby finds that the storage, possession and display of firearms and the storage, possession and display and sale of ammunition in the City of Albany require the regulation thereof in the public interest, convenience and necessity.

193-7. Definitions. Unless otherwise expressly stated, whenever used in this Article, the following words shall have the meanings given to them by this section. When used herein:

Ammunition - Any projectile commonly known as a "bullet" or "shell."

Firearm - Any weapon from which a shot is discharged by force of an explosive, or a weapon which acts by force of gunpowder, and shall include any weapon capable of being loaded with powder, ball or ammunition, and shall include any weapon which is otherwise capable of being loaded with powder, ball or ammunition, whether completed, assembled or from which any part or piece has been removed therefrom.

Person - Any person, firm, partnership, association, corporation, company or organization of any kind.

193-8. Storage.

(A) Firearms and ammunition for sale shall be kept secured at all times when the place in which they are held for sale is not open for business. The manner in which the firearms and ammunition are to be secured must be approved by both the Chief of Police and the Chief of the Fire Department upon receipt of appropriate application for such approval. Such approval shall in no case be unreasonably withheld.

(B) The regulations provided for herein shall not apply to personal possession, use or ownership of firearms or ammunition therefor.

193-9. Sale of ammunition. Ammunition shall only be sold to persons possessing a valid firearms license, when a license is required for the type of firearm for which the ammunition is used. When purchasing any other type of ammunition, where a firearms license would not be required for the type of ammunition being purchased, a driver's license shall be required. A record shall be kept by the dealer of each sale of ammunition which shall show the type, caliber and quantity of ammunition sold, the name and address of the person receiving the same, the caliber, make, model, manufacturer's name and serial number of the firearm for which the purchaser is purchasing ammunition, the date and time of the transaction, and the identifying number of the firearms or driver's license. Such record shall be maintained for 10 years and shall be made available to state and local enforcement agencies upon request.

193-10. Report of theft or loss to Police Department. Any theft or loss of ammunition or firearms from a storage vault or otherwise shall be reported immediately to the Police Department of the City of Albany.

193-12. Penalties for offenses. Any person who shall violate or shall neglect or refuse to comply with this Article or any provisions thereof shall be guilty of a misdemeanor and, upon conviction thereof, shall be punishable by a fine not exceeding \$1,000 or by imprisonment not exceeding one year, or by both such fine and imprisonment, and each day of violation shall constitute a separate offense and be subject to punishment as such.

Article III. Firearms

193-13. Findings and declaration. The Common Council of the City of Albany finds and declares that the proliferation and use of assault weapons pose and present a threat to the health, safety, welfare and security to the citizens of Albany.

193-14. Scope and intent. As used herein, "assault weapon" generally means a firearm of such a nature and with such a high rate of fire and/or capacity for firepower that its function as a legitimate sports or recreational firearm is substantially outweighed by the danger that it can be used to kill and injure human beings. Chapter 180. Firearms, Arrows and Other Weapons

Article I. Firearms and Arrows

180-1. Firearms, shotguns, rifles and other dangerous weapons.

A. Purpose and intent. The City of Buffalo finds that violent crime is a serious problem in the city and firearms and other dangerous weapons are frequently used in the commission of crimes, particularly homicides and assaults. The possession of such weapons also often leads to accidental deaths and injuries. The possession and use of assault weapons and ammunition-feeding devices for criminal purposes is increasing and poses a serious danger to public safety. The use of weapons by persons under the influence of drugs and/or alcohol can readily lead to serious injury or death. The possession of weapons in public facilities and places also poses a serious danger to public safety. The possession of toy or imitation weapons which substantially duplicate actual weapons poses a danger to the person possessing the weapon and to others. In

order to promote and protect the health, safety and welfare of the public, the City of Buffalo finds it necessary to place restrictions upon the possession and use of such weapons. The restrictions imposed by this section are intended to be in addition to restrictions found in state law and are not intended to conflict with state law provisions.

B. Definitions. As used in this section, the following terms shall have the meanings indicated:

Ammunition - Explosives suitable to be fired from a firearm, machine gun, pistol, revolver, rifle, shotgun, assault weapon or other dangerous weapon.

Ammunition-Feeding Device - Magazines, belts, feedstrips, drums or clips capable of being attached to or utilized with any centerfire rifle, shotgun or pistol which employs the force of the expanding gases from a discharging cartridge to chamber a fresh round after each single pull of the trigger which, in the case of a rifle or shotgun, holds in excess of five cartridges, or in the case of a pistol holds in excess of 17 cartridges.

Assault Weapon:

(1) Any centerfire rifle or shotgun which employs the force of the expanding gases from a discharging cartridge to chamber a fresh round after each single pull of the trigger, and which is loaded or capable of being loaded with a combination of more than six cartridges in the ammunition-feeding device and chamber combined. For the purposes of this section, a weapon is capable of being loaded if it is possessed by one who, at the same time, possesses:

(a) In the case of a rifle, a fixed or detachable ammunition feeding device which is attached to or utilized with or capable of being attached to or utilized with such rifle and which has a capacity of more than five cartridges; or

(b) In the case of a shotgun, an ammunition-feeding device which is attached to or utilized with or capable of being attached to or utilized with such shotgun and which has a capacity of more than five cartridges.

(2) A center-fire rifle or shotgun which employs the force of expanding gases from a discharging cartridge to chamber a fresh round after each single pull of the trigger, and which has:

(a) A flash suppressor attached to the weapon reducing muzzle flash;

For purposes of this definition, the length of a barrel on a shotgun or rifle shall be determined by measuring the distance between the muzzle and the face of the bolt, breech or breechlock when closed and when the shotgun or rifle is cocked; the overall length of a weapon made from a shotgun or rifle is the distance between the extreme ends of the weapon measured along a line parallel to the center line of the bore. Such definition, except as otherwise indicated, shall include both loaded and unloaded firearms, except that it shall not include any antique firearm as defined in federal or New York State law or any curio or relic as defined under United States law which is possessed by a licensed collector in accordance with United States law.

10. The regular and ordinary transport of ammunition or ammunition feeding devices by a manufacturer of ammunition or ammunition feeding devices, or by an agent or employee of such manufacturer who is duly authorized in writing by such manufacturer to transport ammunition or ammunition feeding devices on the date or dates specified, directly between places where the manufacturer regularly conducts business, provided such ammunition or ammunition feeding devices are transported in a locked opaque container, shall not be limited by this subdivision, provided that transportation of such ammunition or ammunition feeding devices into, out of or within the city of New York may be done only with the consent of the police commissioner of the city of New York. To obtain such consent, the manufacturer must notify the police commissioner in writing of the name and address of the transporting manufacturer, or agent or employee of the manufacturer who is authorized in writing by such manufacturer to transport ammunition or ammunition feeding devices, the quantity, caliber and type of ammunition or ammunition feeding devices to be transported and the place where the manufacturer regularly conducts business within the city of New York and such other information as the commissioner may deem necessary. The manufacturer shall not transport such ammunition or ammunition feeding devices between the designated places of business for such reasonable period of time designated in writing by the police commissioner as

such official may deem necessary for investigation and to give consent. The police commissioner may not unreasonably withhold his or her consent. For the purposes of this paragraph, places where the manufacturer regularly conducts business include, but are not limited to, places where the manufacturer regularly or customarily conducts development or design of ammunition or ammunition feeding devices, or regularly or customarily conducts tests on ammunition or ammunition feeding devices.

11. A person shall be deemed authorized to possess a pistol or revolver within the city of New York if such person is authorized to possess a pistol or revolver within the city of New York pursuant to this section, section 10-302 or section 400.00 of the penal law, or is exempt pursuant to section 265.20 of the penal law from provisions of the penal law relating to possession of a firearm and is authorized pursuant to any provision of law to possess a pistol or revolver within the city of New York without a license or permit therefor. A person shall be deemed authorized to possess a rifle within the city of New York if such person is authorized to possess a rifle within the city of New York pursuant to section 10-303, or is a person permitted pursuant to section 10-305 to possess a rifle without a permit therefor.

12. No pistol or revolver ammunition or ammunition feeding device shall be disposed of to any person pursuant to this subdivision unless such person exhibits the license or permit authorizing him or her to possess a pistol or revolver within the city of New York or exhibits proof that he or she is exempt pursuant to section 265.20 of the penal law from provisions of the penal law relating to possession of a firearm and proof that he or she is authorized pursuant to any provision of law to possess a pistol or revolver within the city of New York without a license or permit therefor.

13. A record shall be kept by the dealer of each disposition of ammunition or ammunition feeding devices under this subdivision which shall show the quantity, caliber and type of ammunition or ammunition feeding devices disposed of, the name and address of the person receiving same, the date and time of the transaction, and the number of the license or permit exhibited or description of the proof of status as a person not required to have a license or permit as required by paragraph twelve of this subdivision.

14. Any person who shall violate this subdivision shall be guilty of a misdemeanor punishable by a fine of not more than one thousand dollars or by imprisonment not exceeding one year, or by both such fine and imprisonment.

15. Any person who shall violate this subdivision shall be liable for a civil penalty of not more than one thousand dollars, to be recovered in a civil action brought by the corporation counsel in the name of the city in any court of competent jurisdiction.

16. The provisions of paragraph three, four and six of this subdivision shall not apply to a person voluntarily surrendering ammunition or ammunition feeding devices, provided that such surrender shall be made to the police commissioner or the commissioner's designee; and provided, further, that the same shall be surrendered by such person only after he or she gives notice in writing to the police commissioner or the commissioner's designee, stating his or her name, address, the nature of the property to be surrendered, and the approximate time of day

and the place where such surrender shall take place. Such notice shall be acknowledged immediately upon receipt thereof by such authority. Nothing in this paragraph shall be construed as granting immunity from prosecution for any crime or offense except that of unlawful possession of such ammunition or ammunition feeding devices surrendered as herein provided. A person who possesses any such ammunition or ammunition feeding devices as an executor or administrator or any other lawful possessor of such property of a decedent may continue to possess such property for a period of not over fifteen days. If such property is not lawfully disposed of within such period, the possessor shall deliver it to the police commissioner or the commissioner's designee or such property may be delivered to the superintendent of state police. When such property is delivered to the police commissioner or the commissioner's designee, such officer shall hold it and shall thereafter deliver it on the written request of such executor, administrator or other lawful possessor of such property to a named person, provided such named person is licensed to or is otherwise lawfully permitted to possess the same. If no request to deliver the property is received within two years of the delivery of such property to such official, he or she shall dispose of it in accordance with the provisions of section 400.05 of the penal law...

10-302. Licensing of gunsmiths, of wholesale manufacturers of firearms, of assemblers of firearms, dealers in firearms, dealers in rifles and shotguns, and special theatrical dealers.

a. It shall be unlawful for any person or business enterprise to engage in the business of gunsmith, wholesale manufacturer of firearms, assembler of firearms, dealer in firearms, dealer in rifles and shotguns, or special theatrical dealer, unless such person, or business enterprise, has obtained a license to engage in such business in the manner prescribed in this section. No person shall engage in the business of dealer in rifles and shotguns or special theatrical dealer unless he or she has been issued a permit for the possession of shotguns and rifles pursuant to the provisions of this chapter. No person or business enterprise shall be eligible to apply for or to hold a license as a special theatrical dealer unless such person or business enterprise (1) possesses both a license as a dealer in firearms and a license as a dealer in rifles and shotguns and (2) has possessed such licenses and engaged in such business for at least one year.

b. No license shall be issued or renewed pursuant to this section except by the police commissioner, and then only after investigation and finding that all statements in a proper application for a license or renewal are true. No license shall be issued or renewed except for any applicant:

- (1) of good moral character;
- (2) who has not been convicted anywhere of a felony or of any serious offense;
- (3) who has stated whether he or she has ever suffered any mental illness or been confined to any hospital or institution, public or private, for mental illness and who is free from any mental disorder, defects or diseases that would impair the ability safely to possess or use a firearm, rifle or shotgun;
- (4) who has not been convicted of violating section 10-303.1 of this chapter; and
- (5) concerning whom no good cause exists for the denial of a license.

c. (1) An applicant to engage in such business shall also be a citizen of the United States, more than twenty-one years of age and maintain a place of business in the city.

(2) Each applicant to engage in such business shall comply with all the requirements set forth in this section. If the applicant is a partnership, each partner thereof shall comply with all the requirements set forth in this section and if the applicant is a corporation, each officer thereof shall so comply.

(3) No applicant for a special theatrical dealer's license or renewal thereof shall be issued such license or renewal unless the applicant submits proof, in such form as the commissioner may require, that at least ten percent of the gross income earned by the applicant as a dealer in firearms, dealer in rifles and shotguns and, in the case of an application for renewal, special theatrical dealer, in the year preceding the application for such license or renewal, was earned from the lease for theatrical purposes of such ammunition feeding devices, firearms, rifles, shotguns or assault weapons as the applicant was authorized to lease. No applicant for a special theatrical dealer's license or renewal thereof shall be issued such license or renewal unless the gross income earned by the applicant

as a dealer in firearms, dealer in rifles and shotguns and, in the case of an application for renewal, special theatrical dealer, in the year preceding the application for such license or renewal, exceeded fifty thousand dollars.

d. An application for a license or renewal thereof shall be made to the police commissioner. An application shall include the full name, date of birth, residence, present occupation of each person or individual signing the same, whether he or she is a citizen of the United States, whether he or she complies with each requirement for eligibility specified in subdivision b of this section and such other facts as may be required to show the good character, competency and integrity of each person or individual signing the application. An application shall be signed and affirmed by the applicant. Each individual signing an application shall submit one photograph of himself or herself and a duplicate for each required copy of the application. Such photographs shall have been taken within thirty days prior to filing the application. The photographs submitted shall be two inches square, and the application shall also state the previous occupation of each individual signing the same and the location of the place of such business, or of the bureau, agency, subagency, office or branch office for which the license is sought, indicating the street and number and otherwise giving such apt description as to point out reasonably the location thereof. In such case, if the applicant is a business enterprise, its name, date and place of formation, and principal place of business shall be stated. For a partnership, the application shall be signed and affirmed by each partner, and for a corporation, by each officer thereof.

With respect to an application for a license as a dealer in rifles and shotguns or as a special theatrical dealer, a written statement shall be submitted by the individual applicant, or in the case of a business enterprise a responsible officer or agent thereof, stating (a) the identification number of the shotgun and rifle permit issued to the individual applicant or the responsible officer or agent in the case of a business enterprise, (b) the address of a regular place of business maintained by the applicant, (c) that since the issuance of the rifle and shotgun permit the individual applicant or responsible officer or agent has not become disqualified for issuance of such a permit, (d) that he or she undertakes to supervise the acts of his or her, or in the case of a business enterprise, its employees, (e) that the applicant has not previously been refused a license as a dealer in shotguns and rifles or as a special theatrical dealer and that no such license issued to the applicant has ever been revoked.

e. Before a license is issued or renewed, there shall be an investigation of all statements required in the application by the police department. For that purpose, the records of the department of mental hygiene concerning previous or present mental illness of the applicant shall be available for inspection by the investigating officer of the police department. In order to ascertain any previous criminal record, the investigating officer shall take the fingerprints and physical descriptive data in quadruplicate of each individual by whom the application is signed. Two copies of such fingerprints shall be taken on standard fingerprint cards eight inches square, and one copy may be taken on a card supplied for that purpose by the federal bureau of investigation. When completed, one standard

card shall be promptly submitted to the division of criminal justice services where it shall be appropriately processed. A second standard card, or the one supplied by the federal bureau of investigation, as the case may be, shall be forwarded to that bureau at Washington with a request that the files of the bureau be searched and notification of the results of the search be made to the police department. The failure or refusal of the federal bureau of investigation to make the fingerprint check provided for in this section shall not constitute the sole basis for refusal to issue a license pursuant to the provisions of this section. Of the remaining two fingerprint cards, one shall be filed with the executive department, division of state police, Albany, within ten days after issuance of the license, and the other remain on file with the police department. No such fingerprints may be inspected by any person other than a peace officer, when acting pursuant to his or her special duties, or a police officer except on order of a judge or justice of a court of record either upon notice to the licensee or without notice, as the judge or justice may deem appropriate. Upon completion of the investigation, the police department shall report the results to the commissioner without unnecessary delay.

f. Applications shall indicate and licenses shall be issued for a gunsmith, a wholesale manufacturer of firearms, an assembler of firearms, a dealer in firearms, a dealer in rifles and shotguns or a special theatrical dealer.

g. The application for any license, if granted, shall be a public record. Such application shall be kept on file in the office of the police commissioner and, within ten days after the issuance of a license, a duplicate copy shall be filed in the executive department, division of state police, Albany.

h. No license shall be transferable to any other person or premises. The license shall mention and describe the premises for which it is issued and shall be valid only for such premises.

i. A license issued pursuant to this section shall be prominently displayed on the licensed premises. Failure of any person or business enterprise to so exhibit or display such license shall be presumptive evidence that the person or business enterprise is not duly licensed.

j. Any license or renewal issued pursuant to this section shall expire on the first day of the second January following the date of issuance. Any application to renew a license that has not previously expired, been revoked or cancelled shall thereby extend the term of the license until disposition is made of the application by the police commissioner.

k. The conviction of a licensee anywhere of a felony or a serious offense shall operate as a revocation of the license. Written notice of such revocation shall be forwarded to the executive division of state police in Albany.

l. The police commissioner, upon evidence of any disqualification set forth in subdivision b of this section, may at any time suspend or revoke and cancel a license issued pursuant to this section. Written notice of such suspension or revocation shall be forwarded to the executive department, division of state police, Albany.

m. No license shall be issued pursuant to this section unless the applicant therefor possesses and exhibits all licenses required under any federal or state law.

n. Records.

(1) Any person licensed under this section shall keep an accurate book record of every

transaction involving a firearm, machinegun, rifle, shotgun or assault weapon. Such record shall be kept in the manner prescribed and contain the information required by the police commissioner.

(2) The records required by this section shall be subject to inspection at all times by members of the police department. Such records shall be maintained on the premises mentioned and described in the license, and preserved for record. In the event of suspension, cancellation or revocation of a license, or discontinuance of business by a licensee, such record shall be immediately surrendered to the police commissioner.

(3) Any person licensed under this section as a dealer in firearms or special theatrical dealer shall cause a physical inventory to be taken within the first five business days of April and October of each year, which shall include a listing of each firearm by make, caliber and serial number. The original copy of such inventory shall be securely maintained on the premises for which the license was issued. One or more additional copies shall be forwarded to such addresses as the commissioner may direct, by such means as the commissioner may direct.

(4) With each copy of the inventory required under paragraph three of this subdivision shall be included an affidavit signed by the licensee (or, if the licensee is not a natural person, by an officer, general manager, or other principal of the licensee) stating under penalties of perjury that within the first five business days of that April or October, as the case may be, the signer has personally observed the firearms reported. The affidavit shall also describe the date and contents of any report required to be made pursuant to section 400.10 of the penal law.

(5) In addition to the penalties specified in section 10-310, any act or omission that constitutes a violation of this subdivision or of rules and regulations issued by the commissioner pursuant thereto shall be grounds for the revocation of a license issued by the commissioner pursuant to this section.

o. Rules and regulations.

(1) The police commissioner may make and promulgate such rules and regulations regarding the issuance and renewal of such licenses and prescribe such forms as are necessary to carry out the provisions of this section.

(2) Such rules and regulations shall prescribe reasonable standards and conditions under which firearms, component parts of firearms, rifles, shotguns, assault weapons and ammunition shall be kept at the store or premises of gunsmiths, including store and plant security, employment, record keeping and product quality control for the protection of the public safety, health and welfare. The foregoing enumeration shall not be construed as a limitation of the police commissioner's authority to promulgate rules and regulations hereunder.

(3) The violation of such rules and regulations shall be triable by a judge of the criminal court of the city of New York and punishable by not more than thirty days imprisonment or by a fine of not more than fifty dollars, or both.

p. The annual license fee for a license issued pursuant to this section shall be twenty-five dollars for gunsmiths, wholesale manufacturers and assemblers of firearms, fifty dollars for dealers in firearms, and one hundred fifty dollars for dealers in rifles and shotguns and special theatrical dealers.

q. Failure to obtain a license, by any person, firm, partnership, corporation or company, as required by the provisions of this section shall be punishable as a class A misdemeanor.

r. No dealer in rifles and shotguns may dispose of a rifle or shotgun to any person unless such person produces a valid rifle and shotgun permit, or proof of lawful authority as a police or peace officer, or is an exempt person as provided in this chapter.

s. Any suspension, denial or revocation of a license may be appealed by the applicant or licensee pursuant to procedures established by the police commissioner for administrative review.

10-302.1 Preventing the diversion of firearms, rifles and shotguns to criminals.

a. No dealer in firearms and no dealer in rifles and shotguns shall: (i) sell or otherwise dispose of more than one firearm or more than one rifle or shotgun to any individual as part of the same sales transaction; or (ii) sell or otherwise dispose of a rifle or shotgun to any individual if the dealer knows or should know that such individual has purchased a firearm, rifle or shotgun within the prior ninety days, or (iii) sell or otherwise dispose of a firearm to any individual if the dealer knows or should know that such individual has purchased a firearm within the prior ninety days.

b. No person shall acquire a firearm if such person has acquired a firearm within the previous ninety days. For purposes of this subdivision when a firearm, rifle or shotgun is acquired by a corporation, partnership, or other entity, it shall be considered to have been acquired by each natural person who is an officer, director, or other principal of such entity, unless the firearm, rifle or shotgun is acquired on behalf of such entity by a person who is licensed by the commissioner as gun custodian or special gun custodian, or acquired on behalf of an organization possessing an organization registration certificate, as those terms are used in title thirty-eight of the rules of New York City.

c. d. Any dealer in firearms, dealer in rifles and shotguns or other person who disposes of any firearm, rifle or shotgun to a person licensed by an authority other than the commissioner to possess firearms, rifles or shotguns shall make reasonable efforts to contact such licensing authority and to ascertain the most recent date of acquisition by such licensee of a firearm, in the case of disposition of a firearm, or of a rifle or shotgun, in the case of disposition of a rifle or shotgun.

e. Any dealer in firearms or dealer in rifles or shotguns who disposes of any firearm, rifle or shotgun shall, before or at the time of disposing of such firearm, rifle or shotgun, record, in the record book required to be kept by subdivision n of section 10-302, the efforts made by such dealer to ensure compliance with the requirements of this section, any exception or exemption set forth in this section that such dealer reasonably believes would authorize the disposal of such firearm, rifle or shotgun, and the grounds for such dealer's belief that such exception or exemption applies.

lawful to dispose of any rifle or shotgun to any person unless said person is the holder of a permit for possession and purchase of rifles and shotguns; it shall be unlawful for any person to have in his or her possession any rifle or shotgun unless said person is the holder of a permit for the possession and purchase of rifles and shotguns.

The disposition of a rifle or shotgun, by any licensed dealer in rifles and shotguns, to any person presenting a valid rifle and shotgun permit issued to such person, shall be conclusive proof of the legality of such disposition by the dealer.

a. Requirements. No person shall be denied a permit to purchase and possess a rifle or shotgun unless the applicant:

(1) is under the age of twenty-one; or

(2) is not of good moral character; or

(3) has been convicted anywhere of a felony; of a serious offense as defined in § 265.00 (17) of the New York State Penal Law; of a misdemeanor crime of domestic violence as defined in § 921 (a) of title 18, United States Code; of a misdemeanor crime of assault as defined in the penal law where the applicant was convicted of such assault within the ten years preceding the submission of the application; or of any three misdemeanors as defined in local, state or federal law, however nothing in this paragraph shall preclude the denial of a permit to an applicant with fewer than three misdemeanor convictions; or

(4) has not stated whether he or she has ever suffered any mental illness or been confined to any hospital or institution, public or private, for mental illness; or

(5) is not now free from any mental disorders, defects or diseases that would impair the ability safely to possess or use a rifle or shotgun; or

(6) has been the subject of a suspension or ineligibility order issued pursuant to § 530.14 of the New York State Criminal Procedure Law or § 842-a of the New York State Family Court Act; or

(7) who is subject to a court order that

(a) was issued after a hearing of which such person received actual notice, and at which such person had the opportunity to participate;

(b) restrains such person from harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child; and

(c)(i) includes a finding that such person represents a credible threat to the physical safety of such intimate partner or child; or

(ii) by its terms explicitly prohibits the use, attempted use, or threatened use of physical force against such intimate partner or child that would reasonably be expected to cause bodily injury;

(d) For purposes of this section only, "intimate partner" means, with respect to a person, the spouse of the person, a former spouse of the person, an individual who is a parent of a child of the person, and an individual who cohabitates or has cohabited with the person; or

(8) has been convicted of violating section 10-303.1 of this chapter; or

(9) unless good cause exists for the denial of the permit.

b. Application. Application for a rifle and shotgun permit shall be made to the police commissioner, shall be signed and affirmed by the applicant and shall state his or her full name, date of birth, residence, physical condition, occupation and whether he or she complies with

each requirement specified in subdivision a of this section, and any other information required by the police commissioner to process the application. Each applicant shall submit with his or her application a photograph of himself or herself in duplicate, which shall have been taken within thirty days prior to the filing of the application. Any willful or material omission or false statement shall be a violation of this section and grounds for denial of the application.

c. Before a permit is issued or renewed, the police department shall investigate all statements required in the application. For that purpose, the records of the department of mental hygiene concerning previous or present mental illness of the applicant shall be available for inspection by the investigating officer of the police department. In order to ascertain any previous criminal record, the investigating officer shall take the fingerprints and physical descriptive data in quadruplicate of each individual by whom the application is signed. Two copies of such fingerprints shall be taken on standard fingerprint cards eight inches square, and one copy may be taken on a card supplied for that purpose by the federal bureau of investigation. When completed, one standard card shall be promptly submitted to the division of criminal justice services where it shall be appropriately processed. A second standard card, or the one supplied by the federal bureau of investigation, as the case may be, shall be forwarded to that bureau at Washington with a request that the files of the bureau be searched and notification of the results of the search be made to the police department. The failure or refusal of the federal bureau of investigation to make the fingerprint check provided for in this section shall not constitute the sole basis for refusal to issue a permit pursuant to the provisions of this section. Of the remaining two fingerprint cards, one shall be filed with the executive department, division of state police, Albany, within ten days after issuance of the permit, and the other remain on file with the police department. No such fingerprints may be inspected by any person other than a peace officer, when acting pursuant to his or her special duties, or a police officer, except on order of a justice of a court of record either upon notice to the permittee or without notice, as the judge or justice may deem appropriate. Upon completion of the investigation, the police department shall report the results to the police commissioner without unnecessary delay.

d. Fees. The fee for an application for a rifle and shotgun permit or renewal thereof shall be one hundred forty dollars.

e. Issuance.

(1) Upon completion of the investigation, and in no event later than thirty days from the submission of the application, unless the police commissioner determines more time is needed for an investigation and then it shall not exceed sixty days, the commissioner shall issue the permit or shall notify the applicant of the denial of the application and the reason or reasons therefor. The applicant shall have the right to appeal said denial pursuant to procedures established by the police commissioner for administrative review.

(2) Any person holding a valid license to carry a concealed weapon in accordance with the provisions of the penal law, shall be issued such permit upon filing an application and upon paying the established fee therefor, without the necessity of any further investigation, affidavits or fingerprinting, unless the police commissioner

has reason to believe that the status of the applicant has changed since the issuance of the prior license.

f. Validity. Any person to whom a rifle and shotgun permit has been validly issued pursuant to this chapter may possess a rifle or shotgun. No permit shall be transferred to any other person. Every person carrying a rifle or shotgun shall have on his or her person a permit which shall be exhibited for inspection to any peace officer or police officer upon demand. Failure of any such person to so exhibit his or her permit shall be presumptive evidence that he or she is not duly authorized to possess a rifle or shotgun and the same may be considered by the police commissioner as cause for revocation or suspension of such permit. A permit shall be valid for three (3) years and shall be subject to automatic renewal, upon sworn application, and without investigation, unless the police commissioner has reason to believe that the status of the applicant has changed since the previous application.

g. Revocation or suspension. A permit shall be revoked upon the conviction in this state, or elsewhere, of a person holding a rifle or shotgun permit, of a felony or a serious offense. A permit may be revoked or suspended at any time upon evidence of any other disqualification set forth in subdivision a of this section. Upon revocation or suspension of a permit for any reason, the police commissioner shall immediately notify the New York state division of criminal justice services. The police commissioner shall from time to time send a notice and supplemental report hereof, containing the names, addresses and permit numbers of each person whose rifle and shotgun permit has been revoked or suspended to all licensed dealers in rifles and shotguns throughout the city for the purpose of notifying such dealers that no rifles or shotguns may be issued or sold or in any way disposed of to any such persons. The police commissioner or any police officer acting at the police commissioner's direction shall forthwith seize any rifle and shotgun permit which has been revoked or suspended hereunder and shall seize any rifle or shotgun possessed by such person, provided that the person whose rifle or shotgun permit has been revoked or suspended, or such person's appointee or legal representative, shall have the right at any time up to one year after such seizure to dispose of such rifle or shotgun to any licensed dealer or any other person legally permitted to purchase or take possession of such rifle or shotgun. The permittee shall have the right to appeal any suspension or revocation pursuant to procedures established by the commissioner for administrative review.

h. Non-residents. Non-residents of the city of New York may apply for a rifle or shotgun permit subject to the same conditions, regulations and requirements as residents of the city of New York.

10-303.1. Prohibition of the possession or disposition of assault weapons.

a. It shall be unlawful for any person to possess or dispose of any assault weapon within the city of New York, except as provided in subdivision d, e or f of this section or section 10-305. A person who peaceably surrenders an assault weapon to the commissioner pursuant to subdivision d, e or f of this section or subdivision f of section 10-305 shall not be subject to the criminal or civil penalties set forth in this section.

b. Criminal penalty. Any person who shall violate subdivision a of this section shall be guilty

of an unclassified misdemeanor punishable by a fine of not more than five thousand dollars or by imprisonment of up to one year, or by both fine and imprisonment, for each assault weapon disposed of or possessed, provided that the first violation of subdivision a of this section involving possession of an assault weapon as defined in paragraph c of subdivision 16 of section 10-301 shall be an offense punishable by a fine of not more than three hundred dollars or imprisonment of not more than fifteen days, or both, on condition that (1) such first violation is not in conjunction with the commission of a crime and (2) the possessor has not been previously convicted of a felony or a serious offense.

c. Civil penalty. In addition to the penalties prescribed in subdivision b of this section, any person who shall violate subdivision a of this section shall be liable for a civil penalty of not more than twenty-five thousand dollars for each assault weapon disposed of or possessed, to be recovered in a civil action brought by the corporation counsel in the name of the city in any court of competent jurisdiction, provided that the first violation by any person of subdivision a of this section involving possession of an assault weapon as defined in paragraph c of subdivision sixteen of section 10-301 shall subject such person to a civil penalty of not more than five thousand dollars on condition that (1) such first violation is not in conjunction with the commission of a crime and (2) the possessor has not been previously convicted of a felony or a serious offense.

d. Disposition of assault weapons by permittees, licensees and previously exempt persons. Any person who, on or after the effective date of this local law, shall possess an assault weapon and a valid permit for possession and purchase of rifles and shotguns and a certificate of registration for such assault weapon, and any licensed dealer in firearms or licensed dealer in rifles and shotguns who is not licensed as a special theatrical dealer and who, on or after the effective date of this local law, shall possess an assault weapon, and any police officer or peace officer who, before the effective date of this law was exempt from the sections of the administrative code requiring rifle and shotgun permits and certificates, and who, upon the effective date of this local law, is not exempt from the sections of the administrative code prohibiting the possession or disposition of assault weapons, and who, on or after the effective date of this local law, shall possess an assault weapon, shall, within ninety days of the effective date of rules promulgated by the commissioner pursuant to subparagraph 7 of paragraph a of subdivision 16 of section 10-301, either:

(1) peaceably surrender his or her assault weapon pursuant to subdivision f of section 10-305 for the purpose of destruction of such weapon by the commissioner, provided that the commissioner may authorize the use of such weapon by the department; or

(2) lawfully remove such assault weapon from the city of New York. All assault weapons possessed by such permittees, licensees and previously exempt persons shall be subject to the provisions of this subdivision, whether defined as assault weapons in subdivision 16 of section 10-301 or in rules promulgated by the commissioner pursuant to subparagraph 7 of paragraph a of subdivision 16 of section 10-301.

e. Disposition of assault weapons by non-permittees. Any person who, on or after the effective date of this local law, shall possess an assault weapon and who is not the holder of a

valid permit for possession and purchase of rifles and shotguns and a certificate of registration for such assault weapon, shall peaceably surrender his or her assault weapon pursuant to subdivision f of section 10-305 for the purpose of destruction of such weapon by the commissioner, provided that the commissioner may authorize the use of such weapon by the department, and provided further that heirs and legatees may dispose of assault weapons pursuant to subdivision f of this section.

f. Disposition of assault weapons by heirs and legatees. Any person who acquires an assault weapon on or after the effective date of this local law by the laws of intestacy or by testamentary bequest shall, within ninety days of such acquisition, either: (1) peaceably surrender such assault weapon pursuant to subdivision f of section 10-305 for the purpose of destruction of such weapon by the commissioner, provided that the commissioner may authorize the use of such weapon by the department; or (2) lawfully remove such assault weapon from the city of New York.

g. Within thirty days of the effective date of rules promulgated by the commissioner pursuant to subparagraph 7 of paragraph a of subdivision 16 of section 10-301, the commissioner shall send by regular mail to every person who has been issued a permit to possess a rifle or shotgun and whose rifle or shotgun the commissioner reasonably believes to be an assault weapon as defined in subdivision 16 of section 10-301 or as defined in such rules, a written notice setting forth the requirements and procedures relating to the disposition of such weapons, and the criminal and civil penalties that may be imposed upon the permittee for unlawful possession or disposition of such weapons. Failure by the commissioner to send, or the permittee to receive, such notice, shall not excuse such permittee for unlawful possession or disposition of such weapons.

h. Surrender of firearms. At the discretion of the police commissioner, any person convicted of violating this section may be subject to immediate surrender of all firearms in his or her possession.

10-303.2 Civil penalty; firearms dealers and manufacturers.

Such liability also includes the possible imposition of punitive damages. Liability under this section does not extend to any manufacturer or dealer that has complied with the following standards during a period of

one year immediately preceding and including the transfer of such firearm:

(1) The manufacturer or dealer executes no transfers or agreements to transfer at gun shows except for gun shows that maintain a practice of performing instant criminal background checks consistent with 18 U.S.C. § 922(t), as such subsection may be amended from time to time and any successor provision thereto, on all transfers, whether by licensed or an unlicensed sellers.

(6) The manufacturer or dealer has not transferred a firearm to any other manufacturer or dealer in circumstances in which the manufacturer or dealer transferring such firearm knew or should have known that such manufacturer or dealer had not complied with the standards set forth in this subdivision.

c. Exceptions.

(1) No action may be commenced pursuant to this section by any person injured or killed by the discharge of a firearm that is lawfully possessed by a law enforcement official employed by a public agency.

(2) This section shall not limit in scope any cause of action, other than that provided by this section, available to a person injured by or killed by a firearm.

(3) Nothing in this section shall prevent a manufacturer or dealer from seeking whole or partial indemnity or contribution for any liability incurred under this section from any third party wholly or partially responsible for the injury or death.

(4) Notwithstanding the provisions of subdivision b, there shall be no basis for liability under this section if the manufacturer or dealer proves by a preponderance of the evidence that: (i) the person injured or killed by the discharge of a firearm was committing or attempting to commit

a crime (whether or not such crime is actually charged); (ii) the unlawful transfer or possession of the firearm is solely a result of the failure of the owner of the firearm to renew a license, permit or registration within six months of the date such renewal is required; or (iii) prior to the injury or death caused by the firearm, a lawful possessor of the firearm has reported its theft to a federal, state or local law enforcement agency, or reported its loss to an appropriate public agency.

(6) Notwithstanding the provisions of subdivision b, there shall be no basis for liability under this section if the manufacturer or dealer proves by a preponderance of the evidence that the injury or death is not directly or indirectly related to any act or omission by such manufacturer or dealer, including but not limited to any failure by the manufacturer or dealer to comply with the standards set forth in subdivision b of this section.

a. It shall be unlawful for any person to have in his or her possession any rifle or shotgun unless said person is the holder of a certificate of registration for such rifle or shotgun.

b. It shall be unlawful for any person who is not a licensed dealer to dispose of any rifle or shotgun for which such person does not have a certificate of registration unless such person files with the police commissioner a declaration in duplicate, signed and affirmed by the declarant which shall list by caliber, make, model, manufacturer's name and serial number, or if none, any other distinguishing number or identification mark, of each rifle and shotgun possessed by the declarant. Upon receipt of acknowledgement of said declaration by the police commissioner, the declarant may lawfully sell, transfer, or otherwise dispose of such rifles or shotguns to a licensed dealer or any other person legally permitted to purchase or take possession of such rifles or shotguns.

Any willful or material omission or false statement shall be a violation of this section.

c. **Exhibition of certificate.** Every person carrying a rifle or shotgun shall have on his or her person a certificate of registration valid for such weapon. Upon demand, the appropriate certificate shall be exhibited for inspection to any peace officer or police officer. Failure of any person to so exhibit his or her certificate shall be presumptive evidence that he or she is not duly authorized to possess such rifle or shotgun and may be considered by the police commissioner as cause for revocation or suspension of such person's permit.

d. **Revocation.** The revocation of a rifle or shotgun permit shall automatically be deemed to be a revocation of all certificates of registration for rifles and shotguns held by the person whose permit has been revoked.

e. **Disposition of rifles and shotguns.** No person lawfully in possession of a rifle or shotgun shall dispose of same except to a licensed dealer in firearms, licensed dealer in rifles and shotguns, the holder of a valid rifle and shotgun permit, an exempt person as enumerated in this chapter, or a non-resident of the city of New York not subject to the permit requirements of this chapter.

Any person so disposing of a rifle or shotgun shall report the disposition on forms provided by the commissioner setting forth the rifle and shotgun permit number of both seller and purchaser, the make, caliber, type, model and serial number, if any, and if the seller is a licensed dealer the certificate of registration number, of all such rifles and shotguns. Such form shall be signed by both seller and purchaser and the original shall be forwarded to the police commissioner within 72 hours of the disposition, one copy shall be retained by the seller, another by the purchaser.

1. If the seller is a licensed dealer, he or she shall at the time of the sale issue a certificate of registration to the purchaser provided to the dealer for that purpose by the police commissioner and shall forward to the police commissioner the duplicate thereof, together with the report of disposition.

2. If the seller is not a licensed dealer, the police commissioner shall, if the purchaser's rifle permit is valid, issue the certificate of registration within ten days of the receipt by the police commissioner of the report of disposition. Pending receipt of the certificate, but in no event for any longer than fourteen days from the date of purchase, the copy of the report of disposition shall serve in lieu of the purchaser's certificate of registration.

f. No fee shall be charged for a certificate of registration.

g. Notwithstanding any other provision of this section concerning the transfer, receipt, acquisition, or any other disposition of a rifle or shotgun, a rifle and shotgun permit shall not be required for the passing of a rifle or shotgun upon the death of an owner, to his or her heir or legatee, whether the same be by testamentary bequest or by the laws of intestacy, except that the person who shall so receive or acquire said rifle or shotgun shall be subject to all other provisions of this chapter, provided further that if the heir or legatee of the owner of such rifle or shotgun does not qualify to possess same under this chapter, the rifle or shotgun may be possessed by the heir or legatee for the purpose of sale as otherwise provided herein for a period not exceeding one hundred eighty days or for such further limited period beyond the one hundred eighty days as may be approved by the commissioner, said extensions in no event to exceed a total of ninety days.

10-305. Exemptions. The sections requiring rifle and shotgun permits and certificates and prohibiting the possession or disposition of assault weapons shall not apply as follows:

a. **Minors.** Any person under the age of twenty-one years may carry, fire, or use any rifle or shotgun in the actual presence or under the direct supervision of any person who is a holder of a rifle or shotgun permit, or for the purpose of military drill under the auspices of a legally recognized organization and under competent supervision or for the purpose of competition or target practice in and upon a firing range approved by the police commissioner or any other governmental agency authorized to provide such

A. Purpose and intent. The Council finds that it is necessary to regulate the commercial storage, possession and display of firearms, ammunition or explosives pursuant to § 139-d of the General Municipal Law in order to provide for the public health, safety and welfare of all persons in the City of Rochester. The Council finds that the location of such activities close to residential uses is not compatible with residential uses and can pose a danger to residents through fire or explosion or as a result of burglaries at such locations. The Council therefore intends to regulate the location of such activities and to place additional regulations upon those activities in order to assure that such activities are conducted in a safe manner. The restrictions found herein shall be in addition to restrictions found Chapter 120 of the Municipal Code, Zoning Code, and whichever regulations are more restrictive shall be applicable to any potential location where such activities are to be conducted.

B. Location. The storage, possession or display of firearms, ammunition or explosives within a building occupied by a residential use, or within a building located within one hundred (100) feet of any residential use, which distance shall be measured from the closest point of the building, or portion thereof, used for the storage, possession or display of firearms, ammunition or explosives to the nearest point of the lot line of the property with a residential use, is hereby prohibited.

C. Standards of design, construction and maintenance of buildings and structures in which firearms, ammunition or explosives are stored. ...

D. Visibility of interior to be maintained at all times. The interior of any building or structure used for the storage, possession and display of firearms, ammunition or explosives shall be visible through any windows at all times when open for business, and no drapes or blinds should be used that would block the view of police or passersby who might observe unusual activity within the premises. The exterior of the premises shall be illuminated at night and during the hours when business is not conducted within.

E. Combustible materials. Combustible materials shall not be stored in any building or structure or that portion thereof used for the storage, possession and display of firearms, ammunition or explosives.

F. Fire-extinguishing equipment. Fully operable listed fire-extinguishing equipment shall be maintained in any building or structure used for the storage, possession and display of firearms, ammunition or explosives and made easily accessible.

G. Smoking and open flames prohibited. Smoking, matches, spark-producing devices and open flames shall be prohibited in any building or structure or that portion thereof used for the storage, possession and display of firearms, ammunition or explosives.

H. Standards of security for storage of firearms, ammunition or explosives.

(1) Storage of ammunition and explosives. All ammunition and explosives shall be stored in compliance with 9 NYCRR 1176 et seq. and 12 NYCRR 39 et seq. Further, all ammunition when being displayed shall be kept in locked cases or behind the counter in an area not accessible to the public.

(c) All firearm display cases shall be kept locked and secured at all times and not readily accessible to the public. All keys to such display cases shall not leave the control of authorized personnel.

(d) Trigger locks which disable firearms and prevent them from functioning must be locked to each firearm at all times, or the firearms must be secured in a locked case or be otherwise locked, or the firearms must be dispensed in an area behind the counter that is not accessible to the public. These requirements shall not apply to a firearm being shown to a customer, being repaired, or otherwise being worked on.

(3) Storage of firearms when not open for business. When not open for business, all fire-

arms shall be stored in accordance with one of the following:

(a) All firearms shall be stored in a locked fire-proof safe or vault located in the business premises;

The lock and shackle shall be protected or shielded from the use of a bolt cutter and the rod or cable shall be anchored in a manner that prevents the ready removal of the firearms from the premises; or

(c) All firearms shall be secured in a manner that prevents the ready removal of the firearms from the premises, as approved by the Chief of Police or the Chief's designee.

I. The regulations provided for herein shall not apply to the personal possession, use or ownership of firearms or ammunition therefor.

47-5. Firearms, shotguns, rifles and other dangerous weapons.

A. Purpose and intent. The Council finds that violent crime is a serious problem in the city and firearms and other dangerous weapons are frequently used in the commission of crimes, particularly homicides and assaults. The possession of such weapons also often leads to accidental deaths and injuries. The possession and use of assault weapons and ammunition feeding devices for criminal purposes is increasing and poses a serious danger to public safety. The use of weapons by persons under the influence of drugs and/or alcohol can readily lead to serious injury or death. The possession of weapons in public facilities and places also poses a serious danger to public safety. The possession of toy or imitation weapons which substantially duplicate actual weapons poses a danger to the person possessing the weapon and to others. In order to promote and protect the health, safety and welfare of the public, the Council finds it necessary to place restrictions upon the possession and use of such weapons. The restrictions imposed by this section are intended to be in addition to restrictions found in state law and are not intended to conflict with state law provisions.

The temporary permit may not be renewed and may be revoked by the sheriff without a hearing.

(c) A person's application for a permit shall be denied only if the applicant fails to qualify under the criteria listed in this Article. If the sheriff denies the application for a permit, the sheriff shall, within 90 days, notify the applicant in writing, stating the grounds for denial. An applicant may appeal the denial, revocation, or nonrenewal of a permit by petitioning a district court judge of the district in which the application was filed. The determination by the court, on appeal, shall be upon the facts, the law, and the reasonableness of the sheriff's refusal. The determination by the court shall be final.

(a) At least 45 days prior to the expiration date of a permit, the sheriff of the county where the permit was issued shall send a written notice to the permittee explaining that the permit is about to expire and including information about the requirements for renewal of the permit. The notice shall be sent by first class mail to the last known address of the permittee. Failure to receive a renewal notice shall not relieve a permittee of requirements imposed in this section for renewal of the permit.

(b) The holder of a permit shall apply to renew the permit within the 90-day period prior to its expiration date by filing with the sheriff of the county in which the person resides a renewal form provided by the sheriff's office, a notarized affidavit stating that the permittee remains qualified under the criteria provided in this Article, a newly administered full set of the permittee's fingerprints, and a renewal fee.

The permittee's criminal history shall be updated, and the sheriff may waive the requirement of taking another firearms safety and training course. If the

permittee applies for a renewal of the permit within 30 days of its expiration date and if the permittee remains qualified to have a permit under G.S. 14-415.12, the sheriff shall renew the permit. The permit of a permittee who complies with this section shall remain valid beyond the expiration date of the permit until the permittee either receives a renewal permit or is denied a renewal permit by the sheriff.

(d) No fingerprints shall be required for a renewal permit if the applicant's fingerprints were submitted to the State Bureau of Investigation after June 30, 2001, on the Automated Fingerprint Information System (AFIS) as prescribed by the State Bureau of Investigation.

(e) If the permittee does not apply to renew the permit prior to its expiration date, but does apply to renew the permit within 60 days after the permit expires, the sheriff may waive the requirement of taking another firearms safety and training course. This subsection does not extend the expiration date of the permit.

The sheriff shall maintain a listing of those persons who are issued a permit and any pertinent information regarding the issued permit. The permit information shall be available upon request to all State and local law enforcement agencies.

Within five days of the date a permit is issued, the sheriff shall send a copy of the permit to the State Bureau of Investigation. The State Bureau of Investigation shall make this information available to law enforcement officers and clerks of court on a statewide system.

(4) The violation of any of the terms of this Article.

(5) The applicant is adjudicated guilty of or receives a prayer for judgment continued for a crime which would have disqualified the applicant from initially receiving a permit.

A permittee may appeal the revocation, or nonrenewal of a permit by petitioning a district court judge of the district in which the applicant resides. The determination by the court, on appeal, shall be upon the facts, the law, and the reasonableness of the sheriff's refusal.

(b) The court may suspend a permit as part of and for the duration of any orders permitted under Chapter 50B of the General Statutes.

14-415.19. Fees.

(a) The permit fees assessed under this Article are payable to the sheriff. The remaining thirty-five dollars (\$35.00) of each application or renewal fee shall be used by the sheriff to pay the costs of administering this Article and for other law enforcement purposes. The county shall expend the restricted funds for these purposes only.

The county finance officer shall remit the proceeds of the fees assessed under this subsection to the North Carolina Department of Justice to cover the cost of performing the State and federal criminal record checks performed in connection with processing applications and for the implementation of the provisions of this Article.

(b) An additional fee, not to exceed ten dollars (\$10.00), shall be collected by the sheriff from an applicant for a permit to pay for the costs of processing the applicant's fingerprints, if fingerprints were required to be taken. This fee shall be retained by the sheriff.

14-415.20. No liability of sheriff. A sheriff who issues or refuses to issue a permit to carry a concealed handgun under this Article shall not incur any civil or criminal liability as the result of the performance of the sheriff's duties under this Article.

In lieu of

paying a fine for the first offense, the person may surrender the permit. Subsequent offenses for failing to carry a valid permit or for failing to make the necessary disclosures to a law enforcement officer as required by G.S. 14-415.11 shall be punished in accordance with subsection (b) of this section.

(b) A person who violates the provisions of this Article other than as set forth in subsection (a) of this section is guilty of a Class 2 misdemeanor.

14-415.22. Construction of Article. This Article shall not be construed to require a person who may carry a concealed handgun under the provisions of G.S. 14-269(b) to obtain a concealed handgun permit. The provisions of this Article shall not apply to a person who may lawfully carry a concealed weapon or handgun pursuant to G.S. 14-269(b). A person who may lawfully carry a concealed weapon or handgun pursuant to G.S. 14-269(b) shall not be prohibited from carrying the concealed weapon or handgun on property on which a notice is posted prohibiting the carrying of a concealed handgun, unless otherwise prohibited by statute.

14-415.23. Statewide uniformity. It is the intent of the General Assembly to prescribe a uniform system for the regulation of legally carrying a concealed handgun. To insure uniformity, no political subdivisions, boards, or agencies of the State nor any county, city, municipality, municipal corporation, town, township, village, nor any department or agency thereof, may enact ordinances, rules, or regulations concerning legally carrying a concealed handgun. A unit of local government may adopt an ordinance to permit the posting of a prohibition against carrying a concealed handgun, in accordance with G.S. 14-415.11(c), on local government buildings, their appurtenant premises, and parks.

14-415.24. Reciprocity; out-of-state handgun permits.

(a) A valid concealed handgun permit or license issued by another state is valid in North Carolina if that state grants the same right to residents of North Carolina who have valid concealed handgun permits issued pursuant to this Article in their possession while carrying concealed weapons in that state.

(b) The Attorney General shall maintain a Registry of states that meet the requirements of this section on the North Carolina Criminal Information Network and make the registry available to law enforcement officers for investigative purposes.

(c) Every 12 months after the effective date of this subsection, the Department of Justice shall make written inquiry of the concealed handgun permitting authorities in each other state as to: (i) whether a North Carolina resident may carry a concealed handgun in their state based upon having a valid North Carolina concealed handgun permit and (ii) whether a North Carolina resident may apply for a concealed handgun permit in that state based upon having a valid North Carolina concealed handgun permit. The Department of Justice shall attempt to secure from each state permission for North Carolina residents who hold a valid North Carolina concealed handgun permit to carry a concealed handgun in that state, either on the basis of the North Carolina permit or on the basis that the North Carolina permit is sufficient to permit the issuance of a similar license or permit by the other state.

A person who violates subsection 1 or 2 is guilty of a class C felony, and a person who violates subsection 3 or 4 is guilty of a class A misdemeanor. For the purposes of this section, "conviction" means a determination that the person committed one of the above-mentioned crimes upon a verdict of guilt, a plea of guilty, or a plea of nolo contendere even though:

62.1-02-05. Possession of a firearm at a public gathering - Penalty - Application.

The term "public gathering" does not apply to a state or federal park.

2. This section does not apply to law enforcement officers; members of the armed forces of the United States or national guard, organized reserves, state defense forces, or state guard organizations, when on duty; competitors participating in organized sport shooting events; gun and antique shows; participants using blank cartridge firearms at sporting or theatrical events; any firearms carried in a temporary residence or motor vehicle; students and instructors at hunter safety classes; or private security personnel while on duty. In addition, a municipal court judge licensed to practice law in this state, a district court judge, and a retired North Dakota law enforcement officer are exempt from the prohibition and penalty in subsection 1 if the individual is otherwise licensed to carry a firearm under section 62.1-04-03 and maintains the same level of firearms proficiency as is required by the peace officers standards and training board for law enforcement officers. A local law enforcement agency shall issue a certificate of compliance under this section to an individual who is proficient.

3. This section does not prevent any political subdivision from enacting an ordinance which is less restrictive than this section relating to the possession of firearms at a public gathering. Such an ordinance supersedes this section within the jurisdiction of the political subdivision.

62.1-02-07. Use of firearm by certain minors prohibited - Penalty. Any parent, guardian, or other person having charge or custody of any minor under fifteen years of age who permits that minor to carry or use in public any firearm of any description loaded with powder and projectile, except when the minor is under the direct supervision of the parent, guardian, or other person authorized by the parent or guardian, is guilty of a class B misdemeanor.

2. The offense is a class C felony if the actor:

a. Was not licensed or otherwise authorized by law to handle, transfer, or engage in transactions with respect to the firearm, destructive device, or explosive material; or

62.1-03-03. Copy of federal license submitted to law enforcement officials. A retail dealer licensed to sell handguns by the federal government shall send a copy of the license, within seven days after receiving it, to the chief of police of the city and the sheriff of the county in which the dealer is licensed to sell handguns.

62.1-03-04. False information prohibited. No person, in purchasing or otherwise securing delivery of a handgun or in applying for a license to carry the handgun concealed, may give false information or offer false evidence of the person's identity.

62.1-03-05. Prohibited alterations in handgun. No person may change, alter, remove, or obliterate any mark of identification on a handgun, such as the name of the maker, model, or manufacturer's number or knowingly possess a handgun on which such alterations have been made. Possession of any handgun upon which any such identification mark has been changed, altered, removed, or obliterated creates a rebuttable presumption that the possessor made the alterations.

62.1-03-06. General penalty. Any person who violates any provision of this chapter, for which another penalty is not specifically provided, is guilty of a class A misdemeanor.

Any federal licensee who purchases, sells, has, or possesses those items for the licensee's protection or for sale must forward a copy of the

licensee's federal license along with the required weapons transfer form to the licensee's local county sheriff and to the chief of the bureau of criminal investigation within five days of the receipt of those forms.

A person who violates this section is guilty of a class C felony. Upon arrest of that person, the firearm or dangerous weapon must be seized. Upon conviction of the person and motion to the court in which the conviction occurred, the firearm or dangerous weapon must be forfeited to the jurisdiction in which the arrest was made. The firearm or dangerous weapon may be sold at public auction, retained for use, or destroyed

pursuant to the court's order. If a qualified local program as defined under section 12.1-32-02.2 has paid a reward for information that resulted in forfeiture of the item and the item has been sold, the jurisdiction shall, after payment of expenses for forfeiture and sale, repay the qualified local program for the reward that it has paid.

(c) A license issued pursuant to this section may be renewed annually upon application by the holder made on a form approved by the Department of Public Safety. Eligibility for renewal shall be the same terms and conditions as for an original license, except that renewal also may be denied on account of a violation of this article or regulations of the Department of Public Safety made pursuant thereto or for any conduct in the operation of the applicant's business which gives the Department of Public Safety grounds to believe that the applicant will no longer operate in a manner consonant with the public safety.

2211. License for Transfer; Display; Conduct of Dealer's Business. The holder of a dealer's license shall:

(a) Display his or her license in a conspicuous place at all times at the establishment described in the license. (7) For purposes of the enforcement of 18 United States Code § 922(d)(9), (g)(1) and (s)(1) (relating to unlawful acts), in the event the criminal history or juvenile delinquency background check indicates a conviction for a misdemeanor that the Pennsylvania State Police cannot determine is or is not related to an act of domestic

violence, the Pennsylvania State Police shall issue a temporary delay of the approval of the purchase or transfer. During the temporary delay, the Pennsylvania State Police shall conduct a review or investigation of the conviction with courts, local police departments, district attorneys and other law enforcement or related institutions as necessary to determine whether or not the misdemeanor conviction involved an act of domestic violence. The Pennsylvania State Police shall conduct the review or investigation as expeditiously as possible. No firearm may be transferred by the dealer to the purchaser who is the subject of the investigation during the temporary delay. The Pennsylvania State Police shall notify the dealer of the termination of the temporary delay and either deny the sale or provide the unique approval number under paragraph (4).

Subchapter II. Licenses and Regulations

456. Electronic register The Superintendent shall issue weapons and/or gunsmith licenses pursuant to the provisions of this chapter, which shall be designed to expedite the electronic registration of all transactions involving firearms and ammunition by the person who holds either of the above. It shall pertain to the Superintendent to provide, through regulations, the manner in which the Electronic Register system shall operate, and to ensure that the system that is designed directly informs the Police of every transaction made by a license holder. The Puerto Rico Police is granted a term of six (6) months from the date of effectiveness of this law to install this Register.

The weapons license shall be issued on an identification card, sufficiently small to be carried in a commonly used wallet, and shall contain, at least, a photograph of the petitioner, his/her complete name, date of birth, personal data and his/her weapons license number. It shall also contain the date of issue and expiration of the license, as provided below. It shall also contain the mechanisms to access the police electronic register system to ascertain its veracity and other relevant data, such as identification of its scope according to the categories of bearing, carrying the weapon, target shooting, hunting, or all categories. The license shall not contain the

address of the petitioner, nor shall it mention the weapons or ammunition authorized for purchase, but the police electronic register shall contain and furnish said information to its users.

Provided, that until the police installs and makes the electronic register system available to gunsmiths, the Superintendent shall issue to every licensee a provisional identification card that contains, at least, a photograph of the licensee, his/her full name, date of birth, personal data, the license number and the caliber corresponding to the ammunition he/she is authorized to buy. It shall also contain the date of issue and expiration of the license, as provided below. The official identification card issued according to the provisions of this chapter shall be the only document providing the legal authority to conduct the authorized activities. Once the electronic register system is duly implemented, the Superintendent may only issue the electronic identification card. If the system is not available at the time a transaction takes place, said transaction shall be conducted according to the procedure the Superintendent provides through regulations.

456a. Weapons license

(a) The Superintendent shall issue a weapons license to any petitioner who meets the following requirements:

(1) Has reached the age of twenty-one (21) years.

(2) Has a negative criminal record certificate issued not later than thirty (30) days prior to the date of the application and has not been accused of, nor is pending or in the process of trial for any of the crimes listed in § 456j of this title or its equivalent, in Puerto Rico, the United States or abroad.

(3) Is not habitually inebriated or addicted to controlled substances.

(4) Has not been declared mentally incompetent by a court.

(5) Has not incurred or belonged to organizations involved in acts of violence, or directed to the overthrow of the constituted government.

(6) Has not been dishonorably discharged from the armed forces, or removed from any of the law enforcement agencies of the Government of Puerto Rico or its municipalities.

(7) Is not under a court order which prohibits harassing, stalking, threatening, or proximity to an intimate partner, the children of the latter or to any person, and who does not have a record of violence.

(8) Is a citizen of the United States, or a legal resident of Puerto Rico.

(9) Is not a person who, having been a citizen of the United States at a given time, has renounced said citizenship.

(10) Has submitted a sworn statement attesting to compliance with fiscal laws; it being established that it shall be grounds to deny the issue of the license applied for or to revoke the same if the petitioner has failed to comply with the fiscal laws of the Commonwealth of Puerto Rico.

(11) Has purchased a one hundred (100) dollar internal revenue stamp payable to the Puerto Rico Police; provided, that in those cases whereby the license is denied, the amount paid shall not be reimbursed.

(12) Has submitted, together with the application, one (1) sworn statement from three (3) persons that are not related by consanguinity or affinity to the petitioner and that under penalty of perjury, attest to the fact that the petitioner enjoys a good reputation in the community, that he/she does not have a tendency to commit acts of violence, and that therefore they have no objection to the petitioner owning firearms. This

statement shall be made in the form provided by the Superintendent along with the application for a weapons license.

(13) Has submitted the completed application, under oath, before a notary, accompanied by an impression of his/her fingerprints, taken by a technician of the Puerto Rico Police or a competent federal or state government agency, and that includes two (2) color photographs, two (2) inches by two (2) inches in size, sufficiently recent as to depict the petitioner in his/her true aspect at the time of the application.

(14) Has submitted a negative certification of debt from the Child Support Administration, issued not later than thirty (30) days prior to the date of the application.

(b) Every duly completed application, in duplicate, and, together with the documents and voucher indicated above, shall be filed with the General Police Headquarters or the law enforcement agency of the area in which the applicant resides. The applicant shall retain a sealed copy for his/her records. Within the term of five (5) working days, the Superintendent shall issue a certification stating that the application and all the required documents have been submitted, or shall require compliance with the requirements for the application in order to issue the certification. After said certificate is issued, the Superintendent shall determine and certify in writing, within a term that shall not exceed one hundred and twenty (120) calendar days, that the applicant meets the requirements established in this chapter for granting a weapons license. This may be achieved through an investigation in the files of any government agency in Puerto Rico, the United States, or abroad, to which he/she may have access (including the archives of the National Crime Information Center and the National Instant Criminal Background Check System, among others). Should the Superintendent's investigation result in a finding indicating that the person fails to meet all the requirements established in this chapter, the weapons license shall not be granted, but without it constituting an impairment, the applicant shall not be prevented from requesting said license again in the future. Should the Superintendent fail to issue a determination within the above mentioned term of one hundred and twenty (120) days, he/she shall be bound to issue a special provisional permit in favor of the applicant, within a term of ten (10) calendar days. Said special provisional permit shall grant all the rights, privileges and prerogatives of a regular license to carry weapons, for a term of sixty (60) calendar days, during which period the Superintendent must have reached a decision. If upon the conclusion of the effectiveness of said provisional permit, the Superintendent has not yet reached a decision as to the suitability of the applicant, said provisional permit shall automatically become a regular weapons license.

(c) The Superintendent, discretionally and unobtrusively, without disrupting the peace and tranquility of the person under investigation or breaching the privacy of his/her home, may conduct as many investigations as he/she deems pertinent after remitting the license to the applicant; provided, that regardless of whether the investigations are conducted or not, this shall not be an impediment for the license to be remitted under the terms indicated above. If after the pertinent investigation has been conducted by the Superintendent, it is found that the applicant has knowingly furnished false information in his/her application or does not meet the requirements established in this chapter, the license

shall be immediately revoked and seized, as well as all the firearms and ammunition held by the applicant, who shall be subject to prosecution for the crime of perjury and for the corresponding violations of this chapter.

Any citizen to whom a license and/or permit is issued shall be responsible for the use of the licenses and the handling of the weapons, releasing the Commonwealth of Puerto Rico, its departments, agencies and municipalities from any liability for said individual use, except when these are vicariously liable for the acts of their employees or agents.

(d) The weapons license established in this Section empowers the licensee to be the owner of a maximum of two (2) firearms, except as provided below, regarding acquisitions through inheritance, or when the licensee holds a target shooting or hunting permit, in which case there shall be no established limit. Provided that any licensee who owns fifteen (15) weapons or more shall be bound to maintain eighty (80) percent of these locked in a safe place fixed to the real property in such a manner that the weapons cannot be easily removed. Any licensee under the obligation to fulfill the safety requirement shall submit to the Superintendent a sworn statement attesting to the fact that he/she is in compliance with the safety requirement. The Superintendent shall impose an administrative fine of one thousand (\$1,000) dollars for each weapon property of the licensee that is removed due to noncompliance with the safety measures established herein. These safety requirements and the corresponding fine shall apply to any person who has more than fifteen (15) weapons in his/her possession: all licensees shall display in a conspicuous area visible to the clientele a clearly legible announcement notifying of this requirement. The license also empowers the licensee to acquire, buy, sell, donate, transfer, assign, hold, possess, have custody of and transport, bear and carry firearms, ammunition and any pertinent accessory anywhere under the jurisdiction of the Commonwealth of Puerto Rico; provided, that:

(1) The firearms may be borne, carried, and transported in a hidden or unobtrusive manner, and the Superintendent shall provide by regulations, the procedure for any law enforcement officer as described herein, to issue a courtesy ticket which shall be prepared to such effect, which shall be remitted to the Puerto Rico Police Weapons License Office, to be filed with the record of the licensee. The Superintendent may impose a fine of up to two hundred (\$200) dollars for recidivism in carrying or transporting arms in an ostentatious or conspicuous manner, as well as the procedure for the revision of the same, at the request of the interested party upon whom the fine is imposed. The Superintendent shall hold an administrative hearing within a term of not more than forty-five (45) days to uphold, review, modify or eliminate the imposed fine;

(2) Unless the licensee also holds a permit to carry weapons, the weapon may not be carried by the licensee on his/her person; and that to be able to transport said weapon without a permit to carry, the weapon must be unloaded and transported inside a closed case whose contents are not visible and which may not be in plain sight. Provided, that in the case of private security guards who hold a permit to carry, are uniformed and in the exercise of their duties, they may carry the weapon in plain sight.

(3) That the firearms or ammunition may only be donated, sold, transferred, assigned, left in

the custody, or otherwise conveyed by the transfer of the control or command of the same to persons who own a weapons or gunsmith license or to any of the persons mentioned in § 456c of this title.

(4) The licensee may only transport one firearm at a time, except those licensees who also hold target shooting or hunting permits, who shall not be limited as to the number of firearms to be carried on their person while on the premises of an authorized gun club or in those places in which the hunting sport is practiced, pursuant to the applicable laws.

(5) The licensee shall only purchase ammunition of the caliber used by the weapons that he/she owns registered to his/her name.

(6) This license does not authorize the licensee to engage in the business of purchasing and selling firearms or ammunition, limiting the purchase and sale thereof to his/her personal weapons; and

(7) That this weapons license does not authorize the licensee to engage in the business of purchasing and selling firearms or ammunition, limiting the purchase and sale of the same to his/her personal firearms and ammunition.

(e) Within the term of forty-five (45) days from the date the Weapons License is received, which may be extended for thirty (30) additional days if requested within the original term, any licensee shall file a certification issued by an authorized official of a gun club authorized in Puerto Rico, if he/she has not filed it before with the Puerto Rico Police General Headquarters, personally or by certified mail with acknowledgment of receipt, to the effect that the petitioner has approved a course in the correct and safe use and handling of firearms. If the applicant fails to do so, he/she shall incur an administrative fault and pay a fine of one hundred (\$100) dollars for each month in arrears, for up to a maximum of six (6) months, at the end of which the license shall be revoked and seized, as well as any weapon and ammunition the petitioner has acquired. For these purposes, the Superintendent shall authorize the purchase of up to a maximum of five hundred (500) rounds of ammunition in addition to those allowed by this chapter. Said ammunition shall have to be used completely by the licensee during the training for certification. The provisions of this paragraph shall not impair the provisions of clause (d) (7) of the above paragraph.

The Superintendent shall handle any claim from the persons who for health reasons or special circumstances beyond their control are unable to comply with the certification duty imposed herein. In any case in which the Superintendent grants an extension, the new term for compliance with the requirements shall begin ten (10) days after the circumstances that led to the extension are no longer extant.

(f) The Puerto Rico Police shall issue the duplicates of weapons license cards that a licensee may want within the term of thirty (30) calendar days upon request after having paid fifty dollars (\$50) in internal revenue vouchers per duplicate. In case of a change in license category, the cost for the category change shall be twenty dollars (\$20).

Every weapons license shall have the date on which it must be updated, which shall be five (5) years after its issue, and no person may make any transaction of a firearm or ammunition, nor shoot in a gun club, nor hunt, bear, carry, or transport weapons, if he/she has not applied for

the updating thereof as indicated in this chapter, under penalty that the weapons license be revoked and an administrative fine of five hundred dollars (\$500) be imposed for shooting in a gun club or hunting, bearing, carrying or transporting weapons. After six (6) months have elapsed from the due date, he/she may only sell his/her firearms to a person with a dealer license.

Every five (5) years, on the fifth anniversary of the date of issue of the weapons license, the petitioner shall be bound to renew his/her license, by executing a sworn statement addressed to the Superintendent of Police, upon payment of the Internal Revenue vouchers provided in section 2.02 of this Act, stating that the circumstances that gave rise to the original granting are the same, or indicating the manner they have changed. This renewal may be made within six (6) months before, or thirty (30) days after the date the weapons license has expired. Failure to renew said license after the above mentioned thirty (30) days, shall entail an administrative fine of fifty dollars (50) per month up to a maximum of six (6) months, amount which must be paid as a requirement for renewal. If the weapons license is not renewed within six (6) months, the Superintendent shall revoke the same and seize the weapons and ammunition, provided that the licensee may renew and reinstate his/her license within up to six (6) additional months after the revocation or seizure, whichever is later, through the payment of twice the amount of the accrued fine. None of the above shall prevent a person whose license has been revoked through failure to act, from de novo applying for another license which shall be granted, provided he/she has paid any fines pending, in which case, he/she may recover the seized weapons if the Superintendent has not yet disposed of them.

It is hereby provided, that in the event the licensee is residing outside of Puerto Rico on the date the renewal of the license is due, or during the renewal period indicated above, the license shall not expire within the thirty (30) days of the licensee's return to Puerto Rico.

It is further provided that if the licensee happens to be a woman, and if she were pregnant on the date the renewal of the license is due or during the period of renewal mentioned above, said period shall not expire until ninety (90) days have elapsed after the birth. In any case in which a pregnant woman is bound, under the provisions of this chapter, to submit a training certificate, the term to submit the same shall begin ninety (90) days after the birth.

The Superintendent shall notify every licensee by mail to his/her mailing address, the date on which his/her license must be updated, six (6) months prior to its expiration date. The Superintendent shall make available through the area police stations, the gunsmiths, and the Internet, all the forms needed to execute the renewal. Once the license has been renewed, the Superintendent shall issue the new license upon payment of the renewal fee, within the following thirty (30) calendar days, unless there is just cause to delay doing so.

Every licensee shall inform the Superintendent of his/her change of residential or mailing address within thirty (30) days of the change, under penalty of an administrative fine of two hundred (200) dollars, which shall be paid as a requirement for renewing the license.

(g) A person may at any time surrender his/her weapons license to the Police for its cancellation, and also surrender his/her weapons to the Police, or transfer the same to

another person who owns a weapons or gunsmith license in force.

(h) It shall not be a requirement to own any firearms to obtain a weapons license and its categories.

The members of the United States Armed Forces and the Puerto Rico National Guard may also carry the weapons assigned to them by said organizations without a license while engaged in the official duties of their office. To such ends, the Superintendent shall establish an expedited procedure whereby the above mentioned officials, with the exception of the law enforcement officers and the Superintendent him/herself, shall be granted a weapons license with the corresponding permit to carry a weapon.

Those law enforcement officers, government officials and employees authorized to carry and train with firearms belonging to the Commonwealth of Puerto Rico or to the Federal Government, shall register the caliber of their official weapon in order to purchase and use ammunition on their weapons license with a permit to carry, with the prior authorization of the head or director of the agency and pursuant to the provisions of this chapter.

456d. Permits (a) The competent Part of the Court of First Instance shall grant authorization to the Superintendent to include in the petitioner's identification card a permit to bear, transport and carry, without identifying any particular weapon, unless there is just cause to deny said permit any legally owned pistol or revolver, unless there is just cause to deny said permit, with prior notification to the Department of Justice and upon a hearing before the same if so required by the latter, to any person who holds a weapons license and demonstrates that he/she fears for his/her safety. The petitioner shall include together with his/her application for a permit to carry firearms, a two hundred and fifty (\$250) dollar internal revenue voucher drawn to the order of the Superintendent, which voucher shall have been previously submitted to the Superintendent, together with a certification issued by an authorized official of a gun club in Puerto Rico, stating that the petitioner has passed a course in the correct and safe use and handling of firearms.

The requirements for issuing a weapons license provided in § 456a of this title shall be considered by the court when evaluating the granting of the permit to carry a weapon.

The permit to carry a weapon issued by the Court may be renewed concurrently with the

weapons license renewal by presenting before the Superintendent a one hundred (\$100) dollar voucher drawn to the order of the Superintendent, and a sworn petition indicating that the circumstances that gave rise to the original granting of the license still prevail at the time the application is presented. In the event there is any change, said change shall be justified before the renewal is granted. The Superintendent shall notify the Court of the renewal of the permit to carry a weapon within thirty (30) days.

A sworn statement must be included to the effect that all the requirements established in § 456a of this title are met and that the entire contents of the application are true and correct.

(b) The permit to carry weapons granted herein shall have a term subject to the effectiveness of the weapons license and may be renewed for consecutive terms of five (5) years together with the weapons license. In the event the permit is denied, the amounts paid in vouchers shall not be reimbursable.

(c) As part of the application for the renewal of a weapons license and the permit to carry weapons, a person shall submit to the Superintendent a new certificate on the use, handling and safety measures of firearms, certified by a gun club. For such a purpose, the Superintendent shall authorize the purchase of a maximum of up to two hundred and fifty (250) rounds of ammunition in addition to those allowed by this chapter, which must be completely used up in the gun club that the licensee has attended during his/her training for certification.

Every law enforcement officer who because of his/her duties is assigned a weapon shall receive an annual training on the use and handling of said weapon offered by officials of or personnel contracted by the agencies that employ them and who are qualified to certify the use, handling and safety measures of a firearm. It shall be the duty of the agency that employs said official to submit a certification to the Superintendent indicating that the training herein established has taken place.

Those licensees who fail to comply with the requirement of the aforementioned certification may not carry a weapon until they are certified, under penalty of an administrative fine of five hundred (500) dollars; in the event of a second violation of the provisions of this paragraph, the Superintendent shall also revoke the permit to carry weapons without the need of a court authorization. In the case of law enforcement officers, after a grace period of 60 days has concluded, the agencies may not be able to use uncertified personnel pursuant to this section in functions that require using and/or carrying weapons.

(d) The permit to carry weapons shall be incorporated by the Superintendent to the weapons license of the licensee, stating the category to carry weapons as established in subsection (f) of § 456a of this title within ten (10) calendar days following the presentation of the authorization of the court by the licensee.

456f. Felony charges; seizure of weapons Upon a finding of probable cause for the arrest of any person to whom a license to carry weapons has been granted, for the commission of any of the crimes specified in § 456j of this title, or of violations of the provisions of this chapter, the court shall provisionally suspend the license until the final determination of the criminal procedure. Provided, further, that the court shall order the immediate seizure of all weapons and ammunition of the licensee for their custody in the police weapons and ammunition depot. Up-

on a final and binding determination that the accused is not guilty, the judge shall order the immediate return of the weapons license and all weapons and ammunition. All weapons and ammunition returned must be in the same condition they were when seized. The licensee shall be exempted from the payment of the storage fees. Should the judicial action result in a final and binding conviction, the Superintendent shall permanently revoke the license and shall seize all weapons and ammunition.

456g. Gunsmith license; report of transactions

(a) No person may be engaged in business as a gunsmith or trader of firearms and ammunition, unless he/she holds a gunsmith license issued by the Secretary of the Department of the Treasury. Said licenses shall expire one (1) year after their date of issue and shall again be subject to the formalities and application requirements of this chapter. Gunsmith licenses shall be subject to approval and certification by the Police, upon prior inspection of the safety measures required in the building where the establishment is located. The application for the renewal of a license shall be submitted thirty (30) days prior to its expiration date.

(b) Each transaction regarding the introduction of weapons into Puerto Rico by dealers, or to the sale of weapons and ammunition between dealers, must be informed through the electronic system established in this chapter. If said system is not available at the time of the transaction, the same shall be reported to the Superintendent on a form provided by the latter, which shall include the name, domicile, place of business and the specifics of the license of the vendor and the buyer, as well as the number, amount and description of the weapons or ammunition, including the serial numbers, subject to each transaction, as required by the Superintendent.

(c) A gunsmith who holds a license issued pursuant to this chapter, may acquire a weapon registered under the provisions of this chapter in the weapons register, by purchasing said weapon from the person who has registered the same in his/ her name, provided said person holds a weapons license issued pursuant to this chapter. When any sale of firearms or ammunition is made, said transaction must be reported through the electronic system established by this chapter. If said system is not available at the time of the transaction, the vendor and the buyer must notify this fact to the Superintendent in writing with return receipt requested, both on the same form provided by the latter for such purposes. In the case of a multiple weapons sale, more than one (1) at a time or more than one (1) weapon to the same person within a period of thirty (30) consecutive days, and if the electronic system is unavailable, the gunsmith, within twenty four (24) hours after delivering the weapons, shall notify the Superintendent by facsimile and by telephone, and shall register in his/her books the name and identification number of the person who received the information. Likewise, the same procedure shall be followed when carrying out any unitary sale of over six hundred (600) units of ammunition to any person with a weapons license for target shooting or hunting. If communication via facsimile and telephone is not achieved, the notification shall be made by certified mail with return receipt requested or in person.

(d) When any gunsmith, to his/her best judgment, detects abnormalities in the

identification card of a licensee, or if the weapons delivery is denied or prohibited by federal provisions of law, said gunsmith shall immediately notify the Superintendent, or the person who is duly designated by the same, by facsimile and telephone and notify the gunsmiths. The Superintendent shall immediately proceed to investigate the licensee to determine whether the cancellation of the license and the filing of criminal charges are warranted.

Any infringement against the provisions set forth in subsection (a) above shall constitute a felony punished with imprisonment for a fixed term of six (6) years. If there are aggravating circumstances, the established fixed penalty may be increased to up to a maximum of twelve (12) years; if there are extenuating circumstances, it may be reduced to a minimum of three (3) years. Provided that mechanical or cosmetic adjustment work between persons who are weapons license holders shall constitute no felony at all. Any infringement against the provisions set forth in subsections (c) and (d) above shall be sanctioned with an administrative fine that shall not exceed five hundred (\$500) dollars for failing to notify on the first infringement, and two thousand (\$2,000) dollars for subsequent infringements, provided that should a third infringement arise, the Superintendent may decide to impose the fine or to initiate the procedure for the cancellation of the gunsmith license and, should another offense occur, the Superintendent shall then proceed to cancel the gunsmith license.

456h. Requirements

(a) Every person who wants to obtain or transfer the location of a weapons license shall file an application before the Secretary of the Department of the Treasury, sworn to before a notary, on the form, which shall be provided by the Secretary of the Treasury for such purpose, together with an internal revenue voucher of five hundred (500) dollars. After the application is approved by the Secretary of the Treasury, it shall be remitted to the Puerto Rico Police Superintendent. No license shall be issued pursuant to this section if it is shown that the petitioner, who must be a United States citizen, does not meet the requirements established in subsection (a) of § 456a of this title.

(b) No dealer license shall be issued under this section unless the police has investigated all the statements in the application beforehand, and unless the police archives and other accessible archives (including the archives of the National Crime Information Center and the National Instant Criminal Background Check System) have been examined in order to determine if the petitioner has any prior conviction. No license whatsoever shall be issued unless all the provisions of this section are complied with, or if the statements in the application are not true.

(c) If the petitioner is a corporation or a partnership, the application must be signed by the president, the secretary and the treasurer of the corporation; or by all the executive directors of the partnership; it shall indicate the name of the corporation or the partnership, the place and date of its incorporation or constitution, the site of its main office or domicile, the name of the city or town, street and number where the business, agency, subagency, office or branch for which the license is needed. A license issued under the provisions of this section shall be valid solely for the business mentioned and described in the license. Said license shall not be transferred to any other business or person, and shall

be cancelled automatically when the corporation or partnership is dissolved, or any of the officials of the corporation who signed the application is replaced, or if a new director of the partnership is included, in the case of a partnership, although said license may be renewed as soon as the provisions of this section with regard to the new official or the new partner are complied with. In these cases, the Secretary of the Treasury shall issue a provisional license while the reorganization process is carried out.

(d) When the petitioner is a corporation or partnership, no license whatsoever shall be issued if any official of the corporation or a director of the partnership, who must be a United States citizen, does not meet the requirements established in subsection (a) of § 456a of this title.

(e) In every case, the dealer license must be issued within one hundred and twenty (120) days after the application has been filed in person or remitted by certified mail to the Secretary of the Department of the Treasury, without prejudice that the Superintendent may subsequently continue his/her investigation and revoke the license if there were legal grounds to do so.

456i. Conditions for operations of gunsmiths; evidence of transactions A person, partnership or corporation to which a gunsmith license has been issued may engage in the sale of arms and ammunition, or work as a gunsmith under the following conditions:

(a) The business may only be operated in the place designated in the license. Those dealers that have not been certified by the police to have met the safety measures pursuant to this chapter, shall not initiate operations until they have met them, nor can they keep weapons and ammunition in said place, other than those that the dealer is authorized to own and carry pursuant to the provisions of this chapter. Any infraction of this subsection by the dealer shall constitute a misdemeanor, which shall be punished by a fine of not less than five thousand (\$5,000) dollars nor more than fifty thousand (\$50,000) dollars, at the discretion of the Superintendent. It shall also bring about the revocation of the license by the Superintendent, who shall register any modification in the electronic register.

(b) No dealer shall receive any weapon to be repaired, modified, cleaned, engraved, polished or to have any other mechanical work performed, without first having been shown the weapons license, nor shall he/she accept any firearm whatsoever under any condition, that has a mutilated serial number. Any infraction of this subsection by the dealer shall constitute a misdemeanor and shall be sanctioned by a fine of ten thousand (\$10,000) dollars. Failure to comply with this requirement shall bring about the revocation of the license by the Superintendent.

(c) The license of the dealer or a certified copy thereof shall be displayed in the establishment so that it can easily be read. Failure to comply with this requirement shall bring about the imposition of an administrative fine of five thousand dollars (\$5000).

(d) Every dealer must place the following warning in a place that is visible to the buyer:

'The use of a locking device or safety lock on a firearm is advisable. Every loaded weapon as well as its ammunition must be kept out of the reach of minors or persons who are not authorized to use them. It is advisable to keep your weapons apart from the ammunition.'

Failure to comply with this requirement shall bring about the imposition of an administrative fine of five thousand dollars (\$5,000).

(e) A record shall be kept of each weapon sold and each sale of ammunition in books provided for this purpose that shall be printed in the manner prescribed by the Superintendent, who shall furnish these books to the gunsmiths upon payment of the corresponding costs, as provided through regulations. The record of the sale shall be signed in person by the buyer and by the person who made the sale, in the presence of each other; and said record shall state the date, day and hour of the sale; caliber, make, model and manufacturer's number of the weapon, the caliber, make and amount of ammunition, and the name and number on the weapons license. The vendor shall record the description of the ammunition, the amount sold, and the date, day and hour of the sale, on the form provided by the Superintendent. Likewise, the electronic register shall contain documentary evidence of any weapon or munitions sold. The Superintendent must provide access to the electronic register to any person, partnership, society or corporation that has been issued a gunsmith license for the sole purpose of allowing the registration of the transactions to be conducted and ascertain that they are carried out according to the provisions of this chapter. The Superintendent shall have the obligation of keeping the register organized in a manner that will, at any time, expedite corroboration of the amount of ammunition acquired by each license holder and may not authorize the sale of calibers different from those registered in the name of the licensee.

(f) When the ammunition sold is as described in the second paragraph of § 459 of this title, the vendor shall keep a special register thereof in the books and forms intended for this purpose, that shall be printed in the manner pre-scribed by the Superintendent, which is also provided in the above subsection, showing the name of the buyer, the description of the ammunition and the date, day and hour of the sale. Said register shall also contain the following:

- (1) A description of each weapon, including: (A) the manufacturer thereof;
- (B) the serial number that is engraved thereon;
- (C) the caliber of the weapon; and
- (D) the model and type of the weapon.

In the case of the wholesale sale of weapons of the same caliber, model and type, the dealer may group said sales in his records, provided that they are made on the same date and to a single buyer.

(2) The name and address of each person from whom the weapon was received for sale in the armory, along with the date of acquisition.

(3) The name, license number and address of the natural or juridical person to whom it was sold, and the date of delivery.

The use of the electronic registry system shall not constitute an exemption from compliance with the provisions of this section.

(g) The documents and books shall be kept in the indicated establishment and described on the license, and shall be available during working hours for inspection by any public official or law enforcement agent. In those cases that the license is revoked as prescribed in this section, or the establishment goes out of business, said books and documents shall be immediately delivered to the Superintendent.

(h) No weapons, ammunition or imitations thereof shall be displayed in any part of a business establishment dedicated to the sale of

weapons, where they can be seen from outside of the establishment. Failure to comply with this requirement may bring about the imposition of an administrative fine of five thousand (\$5,000) dollars. Provided, that in cases of failure by the dealers to observe safety measures, or the measures provided in this section on two (2) or more occasions, the Superintendent, upon written notice, may revoke the license. If the person does not agree, he/she may file an action for review pursuant to §§ 2101 et seq. of Title 3.

(i) Any dealer who has been issued a license under the provisions of this section, who fails to keep the documents and books required herein, shall be guilty of a felony, and upon conviction, shall be punished with a penalty of imprisonment for a fixed term of twelve (12) years, and a penalty of a fine that shall not exceed one hundred thousand (\$100,000) dollars. If there were aggravating circumstances, the fixed penalty established herein may be increased to a maximum of twenty-four (24) years; if there were mitigating circumstances, it can be reduced to a minimum of six (6) years. In addition, the Superintendent shall revoke any weapons or dealer license held by this person.

456j. Denial of license The Superintendent shall not issue a weapons license nor shall the Secretary of the Department of the Treasury issue a dealer license, or if they have been issued, they shall be revoked and the Superintendent shall attach the license and the arms and ammunitions of any person who has been convicted in or outside of Puerto Rico, for any felony or attempted felony, for conduct constituting domestic violence as typified in §§ 601 et seq. of Title 8; Provided, further, That no license shall be issued to any person who has a mental illness that disqualifies him/her to possess a weapon; a habitual drunkard, or one addicted to the use of narcotics or drugs; or any person who has renounced his/her American citizenship, or has been dishonorably discharged from the Armed Forces of the United States, or removed from any agency of law and order of the Government of Puerto Rico, or any person who has been convicted of any violation of the provisions of this chapter or the former Weapons Act (former §§ 411-454 of this title).

456k. Registry of weapons; loss and surrender of firearms; death of the license holder

(a) The registry of weapons created in the general police headquarters, shall be adjusted in its organization and performance, to the provisions of this chapter, and shall be kept in a computerized, systematic and orderly fashion so that the search for information can be expedited. This registry must be duly safeguarded.

(b) Any legally owned firearm after this act becomes effective, shall be registered in the registry of weapons, in the event that it has not previously been registered. The Superintendent shall hand the affiant a certificate of said registration.

(c) Any person who owns or has a legally authorized weapon or ammunition under his/her control and loses the same, or the same disappears, or is stolen or is illegally appropriated, shall notify this fact by filing a complaint at the Police district or precinct in which he/she resides, or at the nearest Police station, immediately upon becoming aware of the loss, disappearance, theft or illegal appropriation. If he/she does not comply with this obligation, he/she shall be guilty of a misdemeanor, and, if convicted, shall be punished with a fine of up to a maximum of five thousand dollars (\$5,000) per weapon or per

every five hundred (500) rounds of ammunition, or fraction thereof, that he/she failed to report. Every person who owns or has a legally authorized weapon under his/her control and loses it, or it disappears, or is stolen, shall notify it by filing a complaint at the district or precinct in which he/she resides, or at the nearest police station, as soon as he/she is aware of the loss, disappearance or theft. If he/she does not comply with this obligation he/she shall be guilty of a misdemeanor, and shall be punished with a fine of up to a maximum of five thousand dollars (\$5,000) upon conviction.

The Superintendent shall investigate every loss, disappearance, theft or illegal appropriation report, and shall keep a detailed register of the result of the same for the purpose of gathering statistics on the loss, disappearance, theft or illegal appropriation of weapons or ammunition reports. If the information submitted by the complainant is intentionally false, the Superintendent shall notify this fact to the Department of Justice for the filing of criminal charges.

(d) When a person who is duly authorized to possess weapons, dies, it shall be the duty of every administrator, executor, or trustee, or any of these who acts as such in Puerto Rico, and of any assistant administrator, agent or person who is legally authorized to administer the estate, to notify the Superintendent of the demise within thirty (30) days from the date of death. The notification shall state the name, residence and personal details of the deceased. Failure to notify this fact shall constitute a misdemeanor, and shall be punished with the payment of a fine that shall not exceed five hundred (\$500) dollars. The Superintendent shall establish what is needed to receive, store, or provide custody of said weapons, which may be done by a person with a weapons license or a gun shop designated by the administrator, executor or trustee and/or disposal of said weapons, while the inheritance is distributed. If the weapons are adjudicated to an heir who is eligible to obtain a weapons license and said license is issued to him/her, said weapon or weapons shall be given to him/her; provided, that if said heir owns the maximum number of weapons permitted in this chapter, the Superintendent shall grant an authorization to possess the weapon acquired through inheritance, according to the form established by the Superintendent through regulations. If said license is denied, or the sale of said weapon at public auction is indicated, it may only be acquired by a person with a weapons license in force, by public auction, or by a gunsmith duly authorized by this chapter, and if it is not thus acquired, said weapon shall be delivered to the Superintendent to be confiscated as provided in this chapter. Also provided, that the Superintendent shall not deliver any weapon that, prior to the death of its owner, was not duly registered pursuant to subsection (b) of this section.

(e) Any acquisition, purchase, sale, donation, assignment or any other means of transferring the ownership of a firearm or ammunition, must be conducted before a person with a gunsmith license so as to be properly registered in the electronic register and in the books of the latter, pursuant to the provisions of § 456i of this title. The aforementioned means of ownership transfer may also be conducted between licensees through the weapons transfer forms provided by the Superintendent within the five (5) days following the issue thereof, so it may be duly noted and corrected in the electronic register.

456l. Grounds to empower law enforcement officers to seize weapons Any law enforcement officer shall seize the license, weapon and ammunition owned by a licensee when he/she has grounds to believe that the licensee has made, or shall make illegal use of said weapon and ammunition to harm other persons; has threatened to commit a crime; has stated the intent to commit suicide; has repeatedly demonstrated negligence or carelessness in handling the weapon; when it is deemed that the holder has a mental condition, is considered to be a habitual drunkard, or is addicted to controlled substances; or in any other situation of serious risk or danger that justifies this emergency measure. A law enforcement officer shall also seize the license, weapons and ammunition when the holder thereof is arrested for committing a felony or a misdemeanor that implies violence. Upon petition of the party from whom the weapon is seized, filed within the fifteen (15) work days after the weapon is seized, the Superintendent shall hold an administrative hearing within a term of not more than forty-five (45) days to sustain, revise or modify the seizing performed by the law enforcement. The Superintendent shall issue his decision within a term of not more than forty-five (45) days from the date of said formal administrative hearing, and if the Superintendent's decision is favorable to the injured party, he shall order the immediate return of the seized weapon or weapons.

Subcapítulo 2. Licencia Y Reglamentación

456. Registro electrónico. El Superintendente expedirá licencias de armas y/o de armeros de conformidad con las disposiciones de este capítulo, las cuales facilitarán la inscripción electrónica de todas las transacciones de armas de fuego y municiones por parte de la persona tenedora de una de éstas. Corresponderá al Superintendente disponer mediante reglamentación la forma en que funcionará el sistema de registro electrónico, y éste se asegurará que el sistema diseñado haga llegar directamente a la Policía toda transacción que efectúe un tenedor de licencia. Se le concede a la Policía de Puerto Rico el término de seis (6) meses contados a partir de la vigencia de esta ley para instalar este registro.

La licencia de armas será representada por un carne lo suficientemente pequeño como para ser portado en billeteras de uso ordinario, y el cual contendrá al menos una fotografía del peticionario, el nombre completo de este, su fecha de nacimiento, sus senas personales y su número de la licencia de armas. Contendrá, también, la fecha de expedición de la licencia y la fecha de su vencimiento, como mas adelante se dispone. Además, contendrá los mecanismos para lograr acceso al sistema de registro electrónico de la Policía para constatar su veracidad y otros datos pertinentes, tales como identificar el alcance del mismo mediante las categorías de portación, tiro, caza o todas las categorías. El carne no contendrá la dirección del peticionario ni mención de sus armas o municiones autorizadas a comprar, pero el registro electrónico de la Policía contendrá y suministrará a sus usuarios tal información.

Disponiéndose, que mientras la Policía implementa y hace disponible a los armeros el sistema de registro electrónico, el Superintendente expedirá a cada concesionario de licencias de armas un carne provisional que al menos contenga una fotografía del concesionario y exprese su nombre completo, su fecha de nacimiento, sus senas personales, el número de licencia, y los calibres correspondientes a las municiones que esta autorizado a comprar. Contendrá, también, la fecha de expedición de la licencia y la fecha de

su vencimiento, como mas adelante se dispone. El carne oficial expedido de conformidad con las disposiciones de este título será el único documento acreditativo de autoridad legal para realizar las actividades autorizadas. Una vez este debidamente [implantado] el sistema de Registro Electrónico, el Superintendente únicamente podrá expedir el carne electrónico. De no estar disponible dicho sistema al momento de realizar alguna transacción, la misma se realizara según el procedimiento que el Superintendente disponga mediante reglamento.

A partir de que se expida la mencionada certificación, el Superintendente, dentro de un término que no excederá de ciento veinte (120) días naturales, determinará y certificará por escrito si el peticionario cumple con los requisitos establecidos en este capítulo para la concesión de la licencia de armas. Esto podrá lograrse mediante una investigación en los archivos de cualquier agencia gubernamental de Puerto Rico, Estados Unidos o el exterior a la que pueda tener acceso (incluyendo los archivos del National Crime Information Center y del National Instant Criminal Background Check System, entre otros). De resultar la investigación del Superintendente en una determinación de que la persona no cumple con todos los requisitos establecidos en este capítulo, no le será concedida la licencia de armas, pero sin menoscabo a que el peticionario pueda solicitarla nuevamente en un futuro. Si el Superintendente no emite una determinación dentro del plazo antes mencionado de ciento veinte (120) días, este tendrá la obligación de expedir un permiso especial con carácter provisional a favor del peticionario, en un término [de] diez (10) días naturales. Dicho permiso especial con carácter provisional concederá todos los derechos, privilegios y prerrogativas de una licencia de armas ordinaria, durante una vigencia de sesenta (60) días naturales, periodo dentro del cual el Superintendente deberá alcanzar una determinación. Si al concluir la vigencia de dicho permiso con carácter provisional el Superintendente aun no hubiere alcanzado una determinación sobre la idoneidad del peticionario, dicho permiso con carácter provisional advendrá automáticamente a ser una licencia de armas ordinaria.

(c) El Superintendente podrá, discrecionalmente y de forma pasiva, sin perturbar la paz y tranquilidad del investigado o interrumpir la privacidad del hogar, realizar cuantas investigaciones estime pertinentes después de remitirse la licencia al peticionario; Disponiéndose, que el hecho de que se estén haciendo o no se hayan hecho las investigaciones no podrá ser impedimento para que se remita la licencia dentro de los términos antes indicados. Si después de realizada la investigación pertinente por el Superintendente resultare que el peticionario ha dado información falsa a sabiendas en su solicitud o no cumple con los requisitos establecidos en este capítulo, se procederá de inmediato a la revocación e incautación de la licencia ya la incautación de todas las armas de fuego y

municiones que tuviera el peticionario, quedando éste sujeto a ser procesado por el delito de perjurio y por las correspondientes violaciones a este capítulo.

Todo ciudadano a quien se le otorgue una licencia y/o permiso, será responsable del uso de las licencias y del manejo de las armas, quedando libre de responsabilidad por dicho uso individual el Estado Libre Asociado de Puerto Rico, sus departamentos, agencias y municipios, excepto cuando éstos tengan responsabilidad vicaria por los actos de sus empleados o agentes.

(d) La licencia de armas que en esta sección se establece faculta al concesionario a ser propietario de un máximo de dos (2) armas de fuego, salvo lo dispuesto más adelante sobre adquisiciones por vía de herencia o que el concesionario posea un permiso de tiro al blanco o de caza, en cuyo caso no habrá límite establecido. Disponiéndose, que todo concesionario que posea quince (15) o más armas vendrá obligado a mantener el ochenta (80) por ciento de éstas en un lugar seguro, bajo llave y fijado al inmueble de forma que las armas no puedan ser sustraídas fácilmente. Todo concesionario obligado a cumplir con el requisito de seguridad, deberá someter al Superintendente una declaración jurada atestiguando que cumple con el requisito de seguridad. El Superintendente impondrá multa administrativa de mil (1,000) dólares por cada arma que le sea sustraída al concesionario de su propiedad que no cumpla con las medidas de seguridad aquí establecidas. Estos requisitos de seguridad y la multa correspondiente aplicarán a toda persona que tenga en su poder más de quince (15) armas, todo concesionario deberá exhibir en un área prominente y visible a la clientela un aviso claramente legible en que se informe de este requisito. La licencia, además, faculta al concesionario a adquirir, comprar, vender, donar, traspasar, ceder, tener, poseer, custodiar y transportar, conducir armas de fuego, municiones y cualquier accesorio pertinente, en todo lugar sujeto a la jurisdicción del Estado Libre Asociado de Puerto Rico; Disponiéndose, que:

(1) Las armas de fuego se podrán portar, conducir y transportar de forma oculta o no ostentosa, y el Superintendente dispondrá mediante reglamento, el procedimiento para que cualquier agente del orden público según descrito en este capítulo pueda expedir un boleto de cortesía que será preparado a esos efectos, el cual será remitido a la Oficina de Licencia de Armas de la Policía de Puerto Rico, donde se archivará en el expediente del tenedor de licencia. El Superintendente podrá imponer una multa de hasta doscientos (200) dólares por reincidir en portar, conducir o transportar armas de forma ostentosa o no oculta, así como el procedimiento de revisión de la misma, a solicitud de la parte interesada a quien se le impone la multa. El Superintendente celebrará una vista administrativa en un término no mayor de cuarenta y cinco (45) días para sostener, revisar, modificar o eliminar la multa impuesta.

(2) Salvo que se posea además un permiso de portación, el arma no se podrá portar en la persona del concesionario; y que para poder transportarla sin permiso de portación, se tendrá que hacer con el arma descargada, dentro de un estuche cerrado que no refleje su contenido, el cual no podrá estar a simple vista. Disponiéndose, que cuando se trate de un guardia de seguridad privado, con permiso de portar, uniformado y en el ejercicio de sus

funciones, éstos podrán portar el arma a simple vista.

(3) Las armas de fuego o municiones sólo se podrán donar, vender, traspasar, ceder, dejar bajo la custodia o cualquier otra forma de traspaso de control de dominio, a personas que posean licencia de armas o de armero o una de las personas mencionadas en la sec. 456c de este título.

(4) El concesionario sólo podrá transportar un arma de fuego a la vez, salvo los concesionarios que posean a su vez permisos de tiro al blanco o de caza, quienes no tendrán limitación de cantidad para portar armas de fuego en su persona mientras se encuentren en los predios de un club de tiro autorizado o en aquellos lugares donde se practique el deporte de caza, en conformidad a las leyes aplicables.

(5) El concesionario sólo podrá comprar municiones de los calibres que puedan ser utilizados por las armas que posee inscritas a su nombre.

(6) Esta licencia de armas no autoriza al concesionario a dedicarse al negocio de compra y venta de armas de fuego o municiones, limitándose la compra y venta de éstas a sus armas y municiones personales.

(7) Esta licencia de armas no autoriza al concesionario a dedicarse al negocio de compra y venta de armas de fuego o municiones, limitándose la compra y venta de estas a sus armas y municiones personales.

(e) Dentro del término de cuarenta y cinco (45) días de recibir su Licencia de Armas, prorrogable por treinta (30) días más si así se solicita dentro del término original, todo concesionario deberá radicar, de no haberla radicado antes, en el Cuartel General de la Policía de Puerto Rico personalmente o por correo certificado con acuse de recibo, una certificación expedida por un oficial autorizado de un club de tiro autorizado en Puerto Rico al efecto de que el peticionario ha aprobado un curso en el uso y manejo correcto y seguro de armas de fuego conforme a esta Ley. De no hacerlo, incurrirá en una falta administrativa de cien (100) dólares por cada mes de atraso, hasta un máximo de seis (6) meses, al cabo de los cuales se revocará su licencia y se incautará la misma, así como toda arma y municiones que el peticionario haya adquirido. El Superintendente, para estos propósitos autorizará la compra de hasta un máximo de quinientas (500) municiones adicionales a las permitidas por este capítulo. Dichas municiones tendrán que ser consumidas en su totalidad por el concesionario durante el entrenamiento para la certificación. Lo dispuesto en este inciso no menoscabará lo dispuesto en el inciso (d)(7).

El Superintendente habrá de atender cualquier reclamo de las personas que por razones de salud o circunstancia especiales, fuera de su control, no puedan cumplir con la obligación de certificación aquí impuesta. En todo caso en el que el Superintendente conceda una prórroga, el nuevo término para cumplir con los requisitos comenzará a partir de los diez (10) días después de resueltas las circunstancias que dieron lugar a la prórroga.

(f) La Policía de Puerto Rico expedirá los duplicados de carnés de licencia de armas que interese un peticionario dentro del término de treinta (30) días naturales de serle solicitado previo el pago de cincuenta dólares (\$50) en un comprobante de rentas internas por cada duplicado. En el caso de cambio de categoría de la licencia, el costo para el cambio de categoría será de veinte dólares (\$20).

Todo carné de la licencia de armas tendrá la fecha en la cual deberá ser actualizado, que será cinco (5) años de expedido, y ninguna persona podrá hacer transacciones de armas de fuego o municiones, ni tirar en un club de tiro, ni cazar, ni portar, conducir o transportar armas, si no hubiese solicitado su actualización como se indica en este capítulo, so pena de que se revoque la licencia de armas y se imponga multa administrativa de quinientos dólares (\$500) por tirar en un club de tiro, cazar, portar, conducir o transportar armas. Transcurridos seis (6) meses de su fecha [de] vencimiento, sólo podrá vender sus armas de fuego a una persona con licencia de armero.

Cada cinco (5) años, en el quinto aniversario de la fecha de expedición de la licencia de armas, el peticionario vendrá obligado a renovar la misma cumplimentando una declaración jurada dirigida al Superintendente de la Policía, previo el pago del comprobante de rentas internas dispuesto en el Artículo 2.02 de esta Ley, haciendo constar que las circunstancias que dieron base al otorgamiento original se mantienen de igual forma o indicando de qué forma han cambiado. Dicha renovación se podrá realizar dentro de seis (6) meses antes o treinta (30) días después de la fecha de vencimiento de la licencia de armas. La no renovación de la licencia de armas transcurridos los treinta (30) días antes mencionados conllevará una multa administrativa de cincuenta dólares (\$50) por mes hasta un máximo de seis (6) meses, cantidad que deberá ser satisfecha como requisito a la renovación. Si pasados seis (6) meses no renueva la licencia de armas, el Superintendente revocará la misma e incautará las armas y municiones; Disponiéndose, que el concesionario podrá renovar y reinstalar su licencia hasta seis (6) meses más después de la revocación o la incautación, lo que fuese posterior, mediante el pago del doble de la multa acumulada. Nada de lo anterior impide que una persona a quien se le ha revocado su licencia de armas por su inacción solicite de novo otra licencia y se le conceda, siempre que hubiese pagado cualquier multa pendiente, en cuyo caso podrá recobrar las armas incautadas, si el Superintendente no hubiese dispuesto de ellas.

Se dispone que en el caso de que el concesionario estuviere residiendo fuera de Puerto Rico a la fecha aniversario de la renovación de la licencia o durante el período de renovación antes indicado, éste no vencerá hasta treinta (30) días de regresar el concesionario a Puerto Rico.

Se dispone, además, que en el caso de que el concesionario fuese una mujer y ésta estuviere en estado de gestación a la fecha aniversario de la renovación de la licencia o durante el período de renovación antes indicado, dicho período no vencerá hasta noventa (90) días después del alumbramiento. En todo caso que una mujer en estado de gestación venga obligada, bajo las disposiciones de este capítulo, a someter un certificado de entrenamiento, el término para radicarlo comenzará a partir de los noventa (90) días después del alumbramiento.

El Superintendente notificará a todo concesionario por correo dirigido a su dirección, seis (6) meses antes del vencimiento de la licencia de armas, la fecha en que ésta deberá ser renovada. El Superintendente pondrá a la disposición, a través de los cuarteles de área de la Policía, de los armeros y del Internet todos los formularios necesarios para llevar a cabo la renovación. Renovada la licencia, el

Superintendente emitirá, previo satisfacción de derechos de renovación, el nuevo carné dentro de los próximos treinta (30) días naturales, a menos que tenga causa justificada para demorarlo.

Todo concesionario deberá informar al Superintendente su cambio de dirección residencial o postal dentro de treinta (30) días de realizarse el cambio, so pena de multa administrativa de doscientos dólares (\$200), que deberá pagarse como requisito a la renovación de la licencia.

(g) En cualquier momento, una persona podrá entregar su licencia de armas a la Policía para su cancelación, y conjuntamente entregará sus armas a la Policía o las traspasará a otra persona con licencia de armas vigente o de armero.

(h) No será requisito poseer arma de fuego alguna para poder obtener licencia de armas y sus categorías.

456d. Permisos de portación de armas expedidos por el tribunal

(a) La sala con competencia del Tribunal de Primera Instancia concederá, de no existir causa justificable para denegarlo, autorización al Superintendente para incluir en el carné del peticionario un permiso para portar, transportar y conducir, sin identificar arma en particular alguna, cualquier pistola o revólver legalmente poseído, previa notificación al Ministerio Público, y audiencia de éste así requerirlo, a toda

Los requisitos exigidos para la expedición de una licencia de armas dispuestos en la sec. 456a de este título serán considerados por el tribunal al momento de evaluar la concesión del permiso de portación.

El permiso para portar armas expedido por el tribunal podrá renovarse concurrentemente con el procedimiento de renovación de la licencia de armas, mediante la presentación al Superintendente de un comprobante de cien dólares (\$100) a favor del Superintendente y una petición jurada en la que se haga constar que las circunstancias que dieron lugar a la concesión original de la licencia aún prevalecen al momento de presentarse la solicitud. En el caso de existir algún cambio, el mismo deberá ser justificado previo a la concesión de la renovación. El Superintendente notificará la renovación del permiso de portar armas al tribunal dentro de un término de treinta (30) días.

Deberá acompañarse una declaración jurada a los efectos que cumple con todos los requisitos establecidos en la sec. 456a de este título y que todo el contenido de la solicitud es correcto y cierto.

(b) El permiso de portación aquí otorgado tendrá una duración sujeta a la vigencia de la licencia de armas, y podrá renovarse por términos consecutivos de cinco (5) años, junto a la licencia de armas. Todo agente del orden público a quien por razón de sus funciones se le asigne un arma será adiestrado anualmente en el uso y manejo de dicha arma por funcionarios o contratistas de las agencias que los emplean que estén cualificados para certificar el uso, manejo y medidas de seguridad de armas de fuego. Será deber de la agencia que emplea a dicho agente someter una certificación al Superintendente de que el adiestramiento aquí establecido se ha llevado a cabo.

Los concesionarios que no cumplan con el requisito de certificación antes descrito no podrán portar un arma hasta tanto sean certificados, so pena de multa administrativa de quinientos dólares (\$500); en caso de una segunda infracción a lo dispuesto en este inciso,

el Superintendente, además, revocará el permiso de portación, sin mediar autorización del tribunal. En el caso de agentes del orden público, concluido un período de gracia de 60 días, las agencias no podrán utilizar personal no certificado de conformidad con esta sección en funciones que requieran el uso y portación de armas.

(d) El permiso de portación será incorporado por el Superintendente a la licencia de armas del concesionario, haciendo constar la categoría de portar, según lo establecido en la sec. 456a(f) de este título, dentro de los diez (10) días naturales siguientes de haber entregado el concesionario la autorización del tribunal.

Toda arma y municiones así devueltas deberán entregarse en las mismas condiciones en que se ocuparon. El concesionario estará exento del pago por depósito. adquirir un arma que esté inscrita en el registro de armas bajo las disposiciones de este capítulo por compra de la persona que la haya inscrito a su nombre, siempre que tal persona tenga una licencia de armas expedida de acuerdo con este capítulo. Al efectuarse cualquier venta de armas de fuego o municiones, la transacción deberá ser informada mediante el sistema electrónico establecido por este capítulo. De no estar disponible dicho sistema al momento de la transacción, el vendedor y comprador deberán notificarlo por escrito y con acuse de recibo al Superintendente, ambos mediante un mismo formulario que proveerá éste a esos fines. En el caso de venta múltiple de armas, más de una (1) a la vez o más de un (1) arma a la misma persona dentro de un período de treinta (30) días consecutivos, y de no estar disponible el sistema electrónico, el armero, dentro de veinticuatro (24) horas luego de entregar las armas, notificará mediante facsímil y por teléfono al Superintendente y anotará en sus libros el nombre y número de identificación de la persona que recibió la información. De igual forma se procederá cuando se lleve a cabo cualquier venta unitaria mayor a seiscientos (600) municiones a persona con licencia de armas con permiso de tiro al blanco o caza. De no lograr comunicación vía facsímil y telefónica, la notificación será mediante correo certificado con acuse de recibo, o personalmente.

(d) Cuando el armero, a su mejor juicio, detecte anomalía en el carné de un concesionario o la entrega de armas sea negada o prohibida por disposición de ley federal, notificará de inmediato, vía facsímil y teléfono al Superintendente o a la persona que fehacientemente éste designe y notifique a los armeros. El Superintendente procederá de inmediato a investigar al concesionario para determinar si procede la cancelación de la licencia y la formulación de cargos criminales.

Toda infracción a lo dispuesto en el inciso (a) de esta sección constituirá delito grave, y será sancionada con pena de reclusión por un término fijo de seis (6) años. De mediar circunstancias agravantes, la pena fija establecida podrá ser aumentada hasta un máximo de doce (12) años; de mediar circunstancias atenuantes, podrá ser reducida hasta un mínimo de tres (3) años. Disponiéndose, que los trabajos de ajustes, mecánicos o cosméticos entre personas con licencia de armas no constituirán delito alguno.

Toda infracción a lo dispuesto en este inciso y el inciso (c) de esta sección será sancionada con pena de multa administrativa que no excederá de quinientos (500) dólares por no notificar en la primera infracción, y dos mil (2,000) dólares por infracciones subsiguientes; Disponiéndose, que de surgir una tercera falta, el Superintendente podrá optar por imponer la multa o iniciar el procedimiento para cancelar la licencia de armero y de surgir otra falta, el Superintendente procederá a cancelar la licencia de armero.

Luego de la aprobación de la solicitud por el Secretario de Hacienda, la misma será remitida al

Superintendente de la Policía de Puerto Rico, y ninguna licencia será expedida de conformidad con esta sección si se demostrare que el peticionario no cumple con los requisitos establecidos en el inciso (a) de la sec. 456a de este título, excepto que tendrá que ser ciudadano de los Estados Unidos.

(b) Ninguna licencia de armero será expedida de conformidad con esta sección, sin que previamente se haya practicado por la Policía una investigación de todas las declaraciones contenidas en la solicitud y sin que los archivos de la Policía y los demás archivos accesibles (incluyendo los archivos del National Crime Information Center y del National Instant Criminal Background Check System) hayan sido examinados a los fines de determinar cualquier convicción anterior del peticionario. No se excederá licencia alguna si no se cumplieran con todas las disposiciones de esta sección, o si las declaraciones contenidas en la solicitud no resultaren ciertas.

(c) Si el peticionario es una corporación o una sociedad, la solicitud deberá estar firmada y jurada por el presidente, el secretario y el tesorero de la corporación, o por todos los socios directores de la sociedad; deberá indicar el nombre de la corporación o de la sociedad, sitio y fecha de su incorporación o constitución, sitio de su oficina principal o domicilio, nombre de la ciudad o pueblo, calle y número donde será establecido el negocio, agencia, subagencia, oficina o sucursal para la cual se interese la licencia. Una licencia expedida bajo las disposiciones de esta sección será válida solamente para los negocios mencionados y descritos en la licencia. Dicha licencia no podrá traspasarse a ningún otro negocio ni a ninguna otra persona, y quedará automáticamente cancelada al disolverse la corporación o sociedad o sustituirse cualquiera de los oficiales de la corporación que suscribieron la solicitud, o al ingresar algún nuevo socio director en el caso de una sociedad, aunque dicha licencia podrá ser renovada tan pronto se cumpla con lo dispuesto en esta sección en relación con el nuevo oficial o el nuevo socio. En estos casos, el Secretario de Hacienda expedirá una licencia provisional mientras se efectúa el trámite de renovación.

(d) Cuando el peticionario es una corporación o sociedad, no se expedirá licencia alguna si cualquier oficial de la corporación no cumple con los requisitos establecidos en el inciso (a) de la sec. 456a de este título, excepto que tendrá que ser ciudadano de los Estados Unidos.

(e) En todo caso, la licencia de armero deberá ser expedida dentro de ciento veinte (120) días de radicada la solicitud personalmente o por correo certificado al Secretario del Departamento de Hacienda, sin perjuicio de que el Superintendente pueda continuar su investigación posteriormente y revocar la licencia si hubiera causa legal para ello.

El vendedor anotará la descripción de las municiones, la cantidad que vende y la fecha, día y hora de la venta en el formulario que le proveerá el Superintendente. La posesión por cualquier persona de un arma al momento de cometer o intentar cometer un delito, se considerará evidencia prima facie de que dicha arma estaba cargada al momento de cometer o intentar cometer el delito.

La presencia de tres (3) o mas armas de fuego en una habitación, casa, residencia, establecimiento, oficina, estructura o vehículo, constituirá evidencia prima facie de que el dueño o poseedor de dicha habitación, casa, residencia, establecimiento, oficina, estructura o vehículo, o aquellas personas que ocupen la habitación, casa, residencia, establecimiento, oficina o estructura, trafican y facilitan armas de fuego ilegalmente, siempre que estas personas no tengan una licencia de armas, de armero, de club de tiro o coto de caza.

La presencia de una ametralladora o cualquier otra arma de funcionamiento automático o de las municiones armor piercing en cualquier habitación, casa, residencia, establecimiento, oficina, estructura o vehículo, constituirá evidencia prima facie de su posesión ilegal por el dueño o poseedor de dicha edificación o vehículo, y por aquellas personas que ocupen la habitación, casa, edificio o estructura donde se encontrare tal ametralladora, arma de funcionamiento automático o escopeta de cañón cortado, y que tengan la posesión mediata o inmediata de la misma. Esta presunción no será de aplicación en los casos que se trate de un vehículo de servicio público que en ese momento estuviere transportando pasajeros mediante paga, o que se demuestre que se trata de una transportación incidental o de emergencia.

La presencia de una ametralladora o cualquier otra arma de funcionamiento automático o de las municiones armor piercing en cualquier habitación, casa, residencia, establecimiento, oficina, estructura o vehículo constituirá evidencia prima facie de que el dueño o poseedor de dicha edificación o vehículo posee el arma o las municiones con la intención de cometer un delito.

La presencia de un arma de fuego o de municiones en cualquier vehículo robado o hurtado constituirá evidencia prima facie de su posesión ilegal por todas las personas que viajen en tal vehículo al momento que dicha arma o municiones sean encontradas.

Las disposiciones de esta sección no aplicaran a los agentes del orden público en el cumplimiento de sus funciones oficiales.

458k. Notificación por porteador, almacenista o depositario de recibo de armas; penalidades Todo porteador marítimo, aéreo o terrestre, y todo almacenista o depositario que a sabiendas reciba armas de fuego, accesorios o partes de estas o municiones para entrega en Puerto Rico, no entregara dicha mercancía al consignatario hasta que este le muestre su licencia de armas o de armero. Después de cinco (5) días laborables de la entrega, el porteador, almacenista o depositario notificará al Superintendente, dirigiendo la notificación personalmente o por correo certificado con acuse de recibo, el nombre, dirección y número de licencia del consignatario y el número de armas de fuego o municiones, incluyendo el

calibre, entregadas, así como cualquier otra información que requiera el Superintendente mediante reglamento.

Cuando el consignatario no tuviere licencia de armas o de armero, el porteador, almacenista o depositario notificara al Superintendente inmediatamente de tal hecho, el nombre y dirección del consignatario, y el número de armas de fuego o municiones para entrega. Además, no entregara dicha mercancía a tal consignatario hasta tener autorización al efecto, expedida por el Superintendente.

La violación de cualquier obligación aquí establecida constituirá un delito grave que será sancionada con pena de reclusión por un término fijo de doce (12) años y pena de multa no menor de dos mil dólares (\$2,000) ni mayor de diez mil dólares (\$10,000). De mediar circunstancias agravantes, la pena fija establecida podrá ser aumentada hasta un máximo de veinticuatro (24) años; de mediar circunstancias atenuantes, podrá ser reducida hasta un mínimo de seis (6) años.

458l. Almacenamiento y custodia de armas en depósitos de armas y municiones

Todo armero vendrá obligado a implantar las medidas de seguridad exigidas por la Policía mediante reglamento para el almacenamiento o custodia de las armas y municiones. La Policía examinará cada tres (3) meses los locales de los armeros, los cuales de no cumplir con las medidas de seguridad exigidas, tendrán treinta (30) días para cumplir con las mismas o de lo contrario, deberán depositar las armas y municiones que posean para la venta, para su almacenamiento y custodia en la bóveda de otro armero o en el depósito de armas y municiones de la Policía de Puerto Rico, dentro del término que determine el Superintendente, en lo que corrigen la deficiencia.

Los armeros que, para corregir deficiencias, utilicen el depósito de armas y municiones, pagaran por el almacenamiento y custodia de sus armas y municiones una mensualidad que se determinara mediante reglamento. Al establecer el costo de almacenamiento y custodia, se tomaran en consideración los costos de operación del depósito de armas y municiones y el manejo de las armas y municiones para efectos de recibo, clasificación, custodia y entrega de las mismas. Los costos a cargarse a los usuarios del depósito de armas y municiones bajo ningún concepto excederán los costos reales y razonables por concepto del servicio prestado.

El Superintendente o el encargado del depósito de armas y municiones enviara periódicamente a los armeros, según se disponga por reglamento, una factura en la que se indicara el costo del almacenamiento y custodia de sus armas, de acuerdo a la utilización del depósito de armas y municiones que durante dicho mes haya hecho el armero. La falta de pago por un armero será motivo suficiente para que el Superintendente, previa la celebración de una vista formal, pueda revocarle la licencia que hubiere expedido.

En el depósito de armas y municiones se almacenaran igualmente, mediante paga, las armas de aquellos ciudadanos con licencia de armas que interesen, como medida de seguridad, que sus armas sean guardadas temporariamente, sin menoscabo de que dichos ciudadanos puedan optar por guardar sus armas en negocios privados de armeros.

458n. Disparar o apuntar

(a) Incurrirá en delito grave con pena de reclusión por un término fijo de cinco (5) años, toda persona que, salvo en casos de defensa propia o de terceros, o de actuaciones en el desempeño de funciones oficiales o actividades legítimas de deportes:

(1) Voluntariamente dispare cualquier arma en un sitio público o en cualquier otro sitio donde haya alguna persona que pueda sufrir daño, aunque no le cause daño a persona alguna, o

(2) intencionalmente, aunque sin malicia, apunte hacia alguna persona con un arma, aunque no le cause daño a persona alguna.

De mediar circunstancias agravantes, la pena establecida podrá ser aumentada hasta un máximo de diez (10) años; de mediar circunstancias atenuantes, podrá ser reducida hasta un mínimo de un (1) año.

(b) Sera culpable de delito grave con pena de reclusión por un término fijo de tres (3) años, toda persona que, salvo en casos de defensa propia o de terceros o de actuaciones en el desempeño de funciones oficiales o actividades legítimas de deportes, incurra en cualquiera de los actos descritos anteriormente utilizando un arma neumática. De mediar circunstancias agravantes, la pena establecida podrá ser aumentada hasta un máximo de seis (6) años; de mediar circunstancias atenuantes, podrá ser reducida hasta un mínimo de seis (6) meses y un (1) día.

458o. Recibo, custodia y disposición voluntaria por Policía; destrucción El Superintendente establecerá mediante reglamentación lo relacionado al recibo, custodia y disposición de aquellas armas que sean ocupadas o depositadas voluntariamente en la Policía por personas que tengan licencias; o fueren entregadas a la muerte del poseedor de una licencia; o por haberse cancelado la licencia al concesionario.

Se autoriza al Superintendente a vender, permutar, donar o ceder las armas a agencias del orden público federales, estatales o municipales u otras jurisdicciones. Además, podrá vender las armas a armeros o a una persona con licencia de armas expedida a tenor con lo dispuesto [por] este capítulo, según disponga mediante reglamento.

Las armas o instrumentos ocupados de acuerdo con esta sección serán almacenadas por el Superintendente en el depósito de armas y municiones de la Policía.

No obstante, toda ametralladora, escopeta de canon cortado o cualquier otra arma o instrumento especificado en la sec. 458d de este título, que se porte, posea o transporte ilegalmente, se considerara como un estorbo público.

Cuando alguna de dichas armas o instrumentos sea ocupada la misma será entregada al Superintendente para que este se encargue de su disposición y destrucción, mediante la reglamentación promulgada al efecto.

458p. Colecciones. Nada de lo dispuesto en este capítulo impedirá que se conserven y mantengan colecciones privadas de armas y sus dueños las posean como adorno o materia de curiosidad, ni que se mantengan colecciones de armas como reliquias. Para la conservación de toda arma de las incluidas en esta sección, será necesario que el coleccionista primero obtenga un permiso de tiro al blanco o de caza, bajo las disposiciones de este capítulo.

Las armas de fuego antiguas, según se definen en este capítulo, que no estén provistas

de número de serie por su fabricante estarán exentas del requisito de registración, según definido en este capítulo, pero su existencia deberá ser informada al Registro de Armas de la Policía de Puerto Rico acompañada de tres (3) fotografías distintas que detallen sus particularidades para la correspondiente anotación de su existencia en el expediente del concesionario con licencia de armas y permiso de tiro. Disponiéndose, que de ser utilizada el arma de fuego antigua para cometer delito entonces se considerará como arma de fuego no inscrita. Se dispone, además, que bajo ningún concepto se podrá requerir marcar, modificar o alterar de forma alguna el arma de fuego antigua.

458q. Transportación prohibida; confiscación El Secretario de Justicia confiscará cualquier propiedad, según este término es definido en las secs. 1723 et seq. del Título 34, conocidas como "Ley Uniforme de Confiscaciones de 1988", en que se almacene, cargue, descargue, transporte, lleve o traslade o en el que se sorprenda almacenando, cargando, descargando, transportando, llevando o trasladando cualquier arma en violación [a] este capítulo.

Para la confiscación y disposición se seguirá el procedimiento establecido por las dichas secs. 1723 et seq. del Título 34.

458r. Menores Toda persona que negligentemente dejare un arma de fuego o arma neumática al alcance de una persona menor de dieciocho (18) años que no tuviere un permiso para tiro al blanco o caza, y este se apodere del arma y causare daño a otra persona o a sí mismo, cometerá delito grave y convicta que fuere, será sancionada con pena de reclusión por un término fijo de dos (2) años. De mediar circunstancias agravantes, la pena fija establecida podrá ser aumentada hasta un máximo de cinco (5) años; de mediar [circunstancias] atenuantes, podrá ser reducida hasta un mínimo de seis (6) meses y un (1) día.

458s. Apropiación ilegal de armas o municiones, robo Toda persona que intencionalmente, independientemente de los medios que utilice para ello, se apropie ilegalmente de un arma de fuego o municiones, incurrirá en delito grave y convicta que fuere, será sancionada con pena de reclusión por un término fijo de diez (10) años, sin derecho a sentencia suspendida, a salir en libertad bajo palabra, o a disfrutar de los beneficios de algún programa de desvío, bonificaciones o alternativa a la reclusión reconocida en esta jurisdicción, debiendo cumplir en años naturales la totalidad de la pena impuesta. De mediar circunstancias agravantes, la pena fija establecida podrá ser aumentada hasta un máximo de veinte (20) años; de mediar circunstancias atenuantes, podrá ser reducida hasta un mínimo de cinco (5) años.

En el caso que la persona se apropie ilegalmente, independientemente de los medios que utilice para ello, más de un arma de fuego o si la persona tuviere antecedentes penales por haber sido convicto por delito grave, la pena se duplicará.

Subcapítulo 6. Municiones

459. Fabricación, distribución, posesión y uso Se necesitará una licencia de armas, de tiro al blanco, de caza o de armero, según sea el caso, para fabricar, solicitar que se fabrique, importar, ofrecer, comprar, vender o tener para la venta, guardar, almacenar, entregar, prestar,

traspasar, o en cualquier otra forma disponer de, poseer, usar, portar o transportar municiones, conforme a los requisitos exigidos por este capítulo. Asimismo, se necesitará un permiso expedido por la Policía para comprar pólvora. Toda infracción a este artículo constituirá delito grave, y será sancionada con pena de reclusión por un término fijo de seis (6) años. De mediar circunstancias agravantes, la pena fija establecida podrá ser aumentada hasta un máximo de doce (12) años; de mediar circunstancias atenuantes, podrá ser reducida hasta un mínimo de tres (3) años.

Será considerado como circunstancia agravante al momento de fijarse la sentencia, incurrir en cualquiera de las conductas descritas en este artículo sin la licencia o el permiso correspondiente para comprar pólvora, cuando las municiones sean de las comúnmente conocidas como armor piercing. No se constituirá delito la fabricación, venta o entrega de las municiones antes descritas para uso de la Policía y otros agentes del orden público del Gobierno de Puerto Rico o de los Estados Unidos o para el uso de las Fuerzas Armadas de los Estados.

459a. Venta de municiones a personas sin licencia; límite en el número de municiones Una persona con licencia de armas o de armero no podrá vender municiones a personas que no presenten una licencia de armas o los permisos contemplados en este capítulo. La venta de municiones se limitará exclusivamente al tipo de munición utilizada por el arma o las armas que el comprador tenga inscritas a su nombre.

Toda infracción a lo dispuesto en el primer párrafo de esta sección constituirá delito grave y será sancionada con pena de reclusión por un término fijo de cinco (5) años. De mediar circunstancias agravantes, la pena fija establecida podrá ser aumentada hasta un máximo de ocho (8) años; de mediar circunstancias atenuantes, podrá ser reducida hasta un mínimo de tres (3) años y un (1) día.

Una persona con licencia de armas, salvo las categorías de tiro al blanco o de caza, sólo podrá poseer como máximo cincuenta (50) balas por año natural por arma que posea. Si dicha persona deseara sustituir las municiones, ya sea mediante reemplazo o adquisición de nuevas municiones por haber utilizado o perdido alguna de las mismas, deberá acudir al distrito o precinto policiaco donde reside. La Policía le concederá una autorización para reemplazar las municiones manteniendo la cantidad establecida en este párrafo. En los casos donde la persona desee adquirir nuevas municiones por haber utilizado o perdido alguna de éstas, deberá informar las circunstancias en que utilizó o perdió las mismas. Para que se conceda el reemplazo de las municiones, las circunstancias en que se utilicen deberán ser actividades permitidas y legítimas al amparo de nuestro ordenamiento jurídico y lo dispuesto en

este capítulo. Las municiones entregadas deberán ser decomisadas por la Policía.

Toda infracción a lo dispuesto en el párrafo anterior constituirá delito menos grave y será sancionad[a] con pena de reclusión que no excederá de seis (6) meses, pena de multa que no excederá cinco mil (5000) dólares, o ambas penas a discreción del tribunal. El tribunal, a su discreción, podrá imponer la pena de prestación de servicios en la comunidad en lugar de la pena de reclusión establecida.

Se considerará como circunstancia agravante al momento de fijarse la sentencia, incurrir en la venta de municiones aquí prohibidas cuando estas sean de las comúnmente conocidas como armor piercing, aunque sean designadas o mercadeadas con cualquier otro nombre, así como la venta de municiones diferentes al tipo de armas que el comprador tenga inscritas a su nombre. Una convicción bajo esta sección conllevará además la cancelación automática de la licencia del armero y/ del poseedor de la licencia de arma o permiso de tiro al blanco o [de] caza.

459b. Compra de calibre distinto. Toda persona que, teniendo una licencia de armas válida, compre municiones de un calibre distinto a los que pueden ser utilizados en las armas de fuego inscritas a su nombre, incurrirá en delito grave y, convicta que fuere, será sancionada con pena de reclusión por un término fijo de seis (6) años. De mediar circunstancias agravantes, la pena fija establecida podrá ser aumentada hasta un máximo de doce (12) años; de mediar circunstancias atenuantes, podrá ser reducida hasta un mínimo de tres (3) años.

(A) Is issued under the authority of the United States government, a state, a political subdivision of a state, a foreign government, a political subdivision of a foreign government, an inter-

national governmental organization or an international quasi-governmental organization; and

(B) Is intended to be used for identification of an individual or is commonly accepted for the purpose of identification of an individual.

(2) If the identification presented by the purchaser under subdivision (f)(1)(A) does not include the current address of the purchaser, the purchaser shall present a second piece of current identification that contains the current address of the purchaser.

(g) The Tennessee bureau of investigation may require that the dealer verify the identification of the purchaser if that identity is in question by sending the thumbprints of the purchaser to the bureau.

(h) The Tennessee bureau of investigation shall establish a telephone number that shall be operational seven (7) days a week between the hours of eight o'clock a.m. and ten o'clock p.m. Central Standard Time (8:00 a.m.-10:00 p.m. (CST)), except Christmas Day, Thanksgiving Day, and Independence Day, for the purpose of responding to inquiries from dealers for a criminal history record check under this section.

(i) No public employee, official or agency shall be held criminally or civilly liable for performing the investigations required by this section; provided the employee, official or agency acts in good faith and without malice.

(j) Upon the determination that receipt of a firearm by a particular individual would not violate this section, and after the issuance of a unique identifying number for the transaction, the Tennessee bureau of investigation shall destroy all records (except the unique identifying number and the date that it was assigned) associating a particular individual with a particular purchase of firearms.

(k) A law enforcement agency may inspect the records of a gun dealer relating to transfers of firearms in the course of a reasonable inquiry during a criminal investigation or under the authority of a properly authorized subpoena or search warrant.

(l)(1) The background check does not apply to transactions between licensed importers, licensed manufacturers, licensed dealers, or licensed collectors who meet the requirements of subsection (b) and certify prior to the transaction the legal and licensed status of both parties. The burden shall fall upon the transferor to determine the legality of the transaction in progress.

(2) The background check does not apply to transactions or transfers between a licensed importer, licensed manufacturer, or licensed dealer and a bona fide law enforcement agency or such agency's personnel. However, all other provisions and requirements of subsection (b) must be observed. The burden of proof of the legality of the transactions or transfers shall rest upon the transferor.

(3) The background check does not apply to any person eligible to purchase a firearm as set out in this section who wishes to make an occasional sale of a used or second-hand firearm legally purchased by the seller.

(m) The director of the Tennessee bureau of investigation is hereby authorized to make and issue all rules and regulations necessary to carry out the provisions of this section.

(n) In addition to the other grounds for denial, the bureau shall deny the transfer of a firearm if the background check reveals information indicating that the purchaser has been charged with a crime for which the purchaser, if convicted, would be prohibited under state or federal law from purchasing, receiving, or possessing a fire-

arm; and, either there has been no final disposition of the case, or the final disposition is not noted.

(o) Upon receipt of the criminal history challenge form indicating a purchaser's request for review of the denial, the bureau shall proceed with efforts to obtain the final disposition information. The purchaser may attempt to assist the bureau in obtaining the final disposition information. If neither the purchaser nor the bureau is able to obtain the final disposition information within fifteen (15) calendar days of the bureau's receipt of the criminal history challenge form, the bureau shall immediately notify the federal firearms licensee that the transaction that was initially denied is now a "conditional proceed". A "conditional proceed" means that the federal firearms licensee may lawfully transfer the firearm to the purchaser.

(p) In any case in which the transfer has been denied pursuant to subsection (o), the inability of the bureau to obtain the final disposition of a case shall not constitute the basis for the continued denial of the transfer as long as the bureau receives written notice, signed and verified by the clerk of the court or the clerk's designee, that indicates that no final disposition information is available. Upon receipt of such letter by the bureau, the bureau shall immediately reverse the denial.

(q)(1) It is an offense for a person to purchase or attempt to purchase a firearm knowing that such person is prohibited by state or federal law from, owning, possessing or purchasing a firearm.

(2) It is an offense to sell or offer to sell a firearm to a person knowing that such person is prohibited by state or federal law from, owning, possessing or purchasing a firearm.

(h) No weapon seized by law enforcement officials or judicial district drug task force members shall be used for any personal or law enforcement purposes, sold or destroyed except in accordance with this section.

(i) Notwithstanding the provisions of this section, if the chief of police, sheriff, commissioner of safety, or director of the Tennessee bureau of investigation, depending upon who confiscated the weapon, certifies to the court that a weapon is inoperable or unsafe, the court shall order the weapon destroyed or recycled.

(j) A violation of this section is a Class B misdemeanor.

(k) Nothing in this section shall authorize the purchase of any weapon, the possession of which is otherwise prohibited by law.

(l) The commissioner of safety, the director of the Tennessee bureau of investigation, the executive director of the Tennessee alcoholic beverage commission, the executive head of any municipal or county law enforcement agency or the director of a judicial district drug task force may petition the criminal court or the court in the official's county having criminal jurisdiction for permission to exchange firearms that have previously been properly titled, as specified by this section, to the law enforcement agency or the drug task force for other firearms suitable for use by the law enforcement agency or drug task force. This exchange of firearms is permitted only between the department of safety, the director of the Tennessee bureau of investigation, the executive director of the Tennessee alcoholic beverage commission, a municipal or county law enforcement agency or a judicial district drug task force and a licensed and qualified law enforcement firearms dealer.

The director shall assign the firearm a new serial number, permanently affix the number to the firearm, record the number in the bureau's computer system, and send the firearm back to the commissioner of safety, the sheriff or chief of police for disposition in accordance with this part.

(2) A Tennessee permit issued pursuant to this section to a person who is in or who enters into the United States armed forces shall continue in effect for so long as the person's service continues and such person is stationed outside this state, notwithstanding the fact that the person may be temporarily in this state on furlough, leave, or delay en route, and for a period not to exceed sixty (60) days following the date on which the person is honorably discharged or separated from service or returns to this state on reassignment to a duty station in this state, unless the permit is sooner suspended, cancelled or revoked for cause as provided by law. The permit is valid only when in the immediate possession of the permit holder and the permit holder has in the holder's immediate possession the holder's discharge or separation papers, if the permit holder has been discharged or separated from the service. ...

(q)(1) Prior to the expiration of a permit, a permit holder may apply to the department for the renewal of such permit by submitting, under oath, a renewal application with a renewal fee of fifty dollars (\$50.00). The renewal application shall be on a standard form developed by the department of safety and shall require the applicant to disclose, under oath, the information concerning the applicant as set forth in subsection (c), and shall require the applicant to certify that the applicant still satisfies all the eligibility requirements of this section for the issuance of a permit. required to comply with the renewal provisions of subdivision (q)(1). If the renewal application is filed six (6) months or more from expiration of the sixty (60) day period following the date of honorable discharge, separation, or return to this state on reassignment to a duty station in this state, the person shall, for all purposes, be considered a new applicant.

(B) If a person with a handgun permit from another state decides to become a resident of Tennessee, the person must obtain a Tennessee handgun permit within six (6) months of establishing residency in Tennessee. The permit may be issued based on the person having a permit from another state provided the other state has substantially similar permit eligibility requirements as this state. However, if during such six (6) month period the person applies for a handgun permit in this state and the application is denied, the person shall not be allowed to carry a handgun in this state based upon the other state's permit.

(C)(i) If a person who is a resident of and handgun permit holder in another state is employed in this state on a regular basis and desires to carry a handgun in this state, the person shall have six (6) months from the last day of the sixth month of regular employment in this state to obtain a Tennessee handgun carry permit. The permit may be issued based on the person having a permit from another state provided the other state has substantially similar

permit eligibility requirements as this state. However, if during the six (6) month period the person applies for a handgun permit in this state and the application is denied, the person shall not be allowed to carry a handgun in this state based upon the other state's permit.

(ii) The provisions of this subdivision (r)(3)(C) shall not apply if the state of residence of the person employed in Tennessee has entered into a handgun permit reciprocity agreement with this state pursuant to this subsection (r).

(iii) As used in this subdivision (r)(3)(C), "employed in this state on a regular basis" means a person has been gainfully employed in this state for at least thirty (30) hours a week for six (6) consecutive months not counting any absence from employment caused by the employee's use of sick leave, annual leave, administrative leave or compensatory time. ...

9.41.040. Unlawful possession of firearms - Ownership, possession by certain persons - Restoration of right to possess -- Penalties

(1)(a) A person, whether an adult or juvenile, is guilty of the crime of unlawful possession of a firearm in the first degree, if the person owns, has in his or her possession, or has in his or her control any firearm after having previously been convicted or found not guilty by reason of insanity in this state or elsewhere of any serious offense as defined in this chapter.

(b) Unlawful possession of a firearm in the first degree is a class B felony punishable according to chapter 9A.20 RCW.

(2)(a) A person, whether an adult or juvenile, is guilty of the crime of unlawful possession of a firearm in the second degree, if the person does not qualify under subsection (1) of this section for the crime of unlawful possession of a firearm in the first degree and the person owns, has in his or her possession, or has in his or her control any firearm:

(i) After having previously been convicted or found not guilty by reason of insanity in this state or elsewhere of any felony not specifically listed as prohibiting firearm possession under subsection (1) of this section, or any of the following crimes when committed by one family or household member against another, committed on or after July 1, 1993: Assault in the fourth degree, coercion, stalking, reckless endangerment, criminal trespass in the first degree, or violation of the provisions of a protection order or no-contact order restraining the person or excluding the person from a residence (RCW 26.50.060, 26.50.070, 26.50.130, or 10.99.040);

(ii) After having previously been involuntarily committed for mental health treatment under

RCW 71.05.320, 71.34.090, chapter 10.77 RCW, or equivalent statutes of another jurisdiction, unless his or her right to possess a firearm has been restored as provided in RCW 9.41.047;

(b) Unlawful possession of a firearm in the second degree is a 8 class C felony punishable according to chapter 9A.20 RCW.

(3) Notwithstanding RCW 9.41.047 or any other provisions of law, as used in this chapter, a person has been "convicted", whether in an adult court or adjudicated in a juvenile court, at such time as a plea of guilty has been accepted, or a verdict of guilty has been filed, notwithstanding the pendency of any future proceedings including but not limited to sentencing or disposition, post-trial or post-factfinding motions, and appeals. Conviction includes a dismissal entered after a period of probation, suspension or deferral of sentence, and also includes equivalent dispositions by courts in jurisdictions other than Washington state. A person shall not be precluded from possession of a firearm if the conviction has been the subject of a pardon, annulment, certificate of rehabilitation, or other equivalent procedure based on a finding of the rehabilitation of the person convicted or the conviction or disposition has been the subject of a pardon, annulment, or other equivalent procedure based on a finding of innocence. Where no record of the court's disposition of the charges can be found, there shall be a rebuttable presumption that the person was not convicted of the charge.

(4) Notwithstanding subsection (1) or (2) of this section, a person convicted or found not guilty by reason of insanity of an offense prohibiting the possession of a firearm under this section other than murder, manslaughter, robbery, rape, indecent liberties, arson, assault, kidnapping, extortion, burglary, or violations with respect to controlled substances under RCW 69.50.401(a) and 69.50.410, who received a probationary sentence under RCW 9.95.200, and who received a dismissal of the charge under RCW 9.95.240, shall not be precluded from possession of a firearm as a result of the conviction or finding of not guilty by reason of insanity. Notwithstanding any other provisions of this section, if a person is prohibited from possession of a firearm under subsection (1) or (2) of this section and has not previously been convicted or found not guilty by reason of insanity of a sex offense prohibiting firearm ownership under subsection (1) or (2) of this section and/or any felony defined under any law as a class A felony or with a maximum sentence of at least twenty years, or both, the individual may petition a court of record to have his or her right to possess a firearm restored:

(a) Under RCW 9.41.047; and/or

(b)(i) If the conviction or finding of not guilty by reason of insanity was for a felony offense, after five or more consecutive years in the community without being convicted or found not guilty by reason of insanity or currently charged with any felony, gross misdemeanor, or misdemeanor crimes, if the individual has no prior felony convictions that prohibit the possession of a firearm counted as part of the offender score under RCW 9.94A.525; or

(ii) If the conviction or finding of not guilty by reason of insanity was for a nonfelony offense, after three or more consecutive years in the community without being convicted or found not guilty by reason of insanity or currently charged with any felony, gross misdemeanor, or misdemeanor crimes, if the individual has no prior felony convictions that prohibit the possession of a firearm counted as part of the offender score under RCW 9.94A.525 and the individual has completed all conditions of the sentence.

(5) In addition to any other penalty provided for by law, if a person under the age of eighteen years is found by a court to have possessed a firearm in a vehicle in violation of subsection (1) of this section or to have committed an offense while armed with a firearm during which offense a motor vehicle served an integral function, the court shall notify the department of licensing within twenty-four hours and the person's privilege to drive shall be revoked under RCW 46.20.265.

(6) Nothing in chapter 129, Laws of 1995 shall ever be construed or interpreted as preventing an offender from being charged and subsequently convicted for the separate felony crimes of theft of a firearm or possession of a stolen firearm, or both, in addition to being charged and subsequently convicted under this section for unlawful possession of a firearm in the first or second degree. Notwithstanding any other law, if the offender is convicted under this section for unlawful possession of a firearm in the first or second degree and for the felony crimes of theft of a firearm or possession of a stolen firearm, or both, then the offender shall serve consecutive sentences for each of the felony crimes of conviction listed in this subsection.

(7) Each firearm unlawfully possessed under this section shall be a separate offense.

9.41.042. Children - Permissible firearm possession RCW 9.41.040(2)(a)(iii) shall not apply to any person under the age of eighteen years who is:

(1) In attendance at a hunter's safety course or a firearms safety course;

9.41.045. Possession by offenders As a sentence condition and requirement, offenders under the supervision of the department of corrections pursuant to chapter 9.94A RCW shall not own, use, or possess firearms or ammunition. In addition to any penalty imposed pursuant to RCW 9.41.040 when applicable, offenders found to be in actual or constructive possession of firearms or ammunition shall be subject to the appropriate violation process and sanctions as provided for in RCW 9.94A.634. Firearms or ammunition owned, used, or possessed by offenders may be confiscated by community corrections officers and turned over to the Washington state patrol for disposal as provided in RCW 9.41.098.

9.41.047. Restoration of possession rights

(1) At the time a person is convicted or found not guilty by reason of insanity of an offense making the person ineligible to possess a firearm, or at the time a person is committed by court order under [RCW 71.05.240](#), [71.05.320](#), [71.34.740](#), [71.34.750](#), or chapter 10.77 RCW for mental health treatment, the convicting or committing court shall notify the person, orally and in writing, that the person must immediately surrender any concealed pistol license and that the person may not possess a firearm unless his or her right to do so is restored by a court of record. For purposes of this section a convicting court includes a court in which a person has been found not guilty by reason of insanity. The convicting or committing court shall forward within three judicial days after conviction or entry of the commitment order a copy of the person's driver's license or identicard, or comparable information, along with the date of conviction or commitment, to the department of licensing. When a person is committed by court order under [RCW 71.05.240](#), [71.05.320](#), [71.34.740](#), [71.34.750](#), or chapter 10.77 RCW, for mental health treatment, the committing court also shall forward, within three judicial days after entry of the commitment order, a copy of the person's driver's license, or comparable information, along with the date of commitment, to the national instant criminal background check system index, denied persons file, created by the federal Brady handgun violence prevention act (P.L. 103-159).

(2) Upon receipt of the information provided for by subsection (1) of this section, the department of licensing shall determine if the convicted or committed person has a concealed pistol license. If the person does have a concealed pistol license, the department of licensing shall immediately notify the license-issuing authority which, upon receipt of such notification, shall immediately revoke the license.

(3)(a) A person who is prohibited from possessing a firearm, by reason of having been involuntarily committed for mental health treatment under [RCW 71.05.240](#), [71.05.320](#), [71.34.740](#), [71.34.750](#), chapter 10.77 RCW, or equivalent statutes of another jurisdiction may, upon discharge, petition the superior court to have his or her right to possess a firearm restored.

(b) The petition may be brought in the superior court that ordered the involuntary commitment or the superior court of the county in which the petitioner resides.

(c) Except as provided in (d) of this subsection, the court shall restore the petitioner's right to possess a firearm if the petitioner proves by a preponderance of the evidence that:

(i) The petitioner is no longer required to participate in court-ordered inpatient or outpatient treatment;

(ii) The petitioner has successfully managed the condition related to the commitment;

(iii) The petitioner no longer presents a substantial danger to himself or herself, or the public; and

(iv) The symptoms related to the commitment are not reasonably likely to recur.

(d) If a preponderance of the evidence in the record supports a finding that the person petitioning the court has engaged in violence and that it is more likely than not that the person will engage in violence after his or her right to possess a firearm is restored, the person shall bear the burden of proving by clear, cogent, and convincing evidence that he or she does not present a substantial danger to the safety of others.

(e) When a person's right to possess a firearm has been restored under this subsection, the court shall forward, within three judicial days after entry of the restoration order, notification that the person's right to possess a firearm has been restored to the department of licensing, the department of social and health services, and the national instant criminal background check system index, denied persons file.

(4) No person who has been found not guilty by reason of insanity may petition a court for restoration of the right to possess a firearm unless the person meets the requirements for the restoration of the right to possess a firearm under [RCW 9.41.040\(4\)](#).

9.41.080. Delivery to ineligible persons No person may deliver a firearm to any person whom he or she has reasonable cause to believe is ineligible under RCW 9.41.040 to possess a firearm. Any person violating this section is guilty of a class C felony, punishable under chapter 9A.20 RCW.

9.41.090. Dealer deliveries regulated - Hold on delivery

(1) In addition to the other requirements of this chapter, no dealer may deliver a pistol to the purchaser thereof until:

(a) The purchaser produces a valid concealed pistol license and the dealer has recorded the purchaser's name, license number, and issuing agency, such record to be made in triplicate and processed as provided in subsection (5) of this section. For purposes of this subsection (1)(a), a "valid concealed pistol license" does not include a temporary emergency license, and does not include any license issued before July 1, 1996, unless the issuing agency conducted a records search for disqualifying crimes under RCW 9.41.070 at the time of issuance;

(b) The dealer is notified in writing by the chief of police or the sheriff of the jurisdiction in which the purchaser resides that the purchaser is eligible to possess a pistol under RCW 9.41.040 and that the application to purchase is approved by the chief of police or sheriff; or

(c) Five business days, meaning days on which state offices are open, have elapsed from the time of receipt of the application for the purchase thereof as provided herein by the chief of police or sheriff designated in subsection (5) of this section, and, when delivered, the pistol shall be securely wrapped and shall be unloaded. However, if the purchaser does not have a valid

permanent Washington driver's license or state identification card or has not been a resident of the state for the previous consecutive ninety days, the waiting period under this subsection (1)(c) shall be up to sixty days.

(2)(a) Except as provided in (b) of this subsection, in determining whether the purchaser meets the requirements of RCW 9.41.040, the chief of police or sheriff, or the designee of either, shall check with the national crime information center, the Washington state patrol electronic data base, the department of social and health services electronic data base, and with other agencies or resources as appropriate, to determine whether the applicant is ineligible under RCW 9.41.040 to possess a firearm.

(b) Once the system is established, a dealer shall use the state system and national instant criminal background check system, provided for by the Brady Handgun Violence Prevention Act (18 U.S.C. Sec. 921 et seq.), to make criminal background checks of applicants to purchase firearms. However, a chief of police or sheriff, or a designee of either, shall continue to check the department of social and health services' electronic data base and with other agencies or resources as appropriate, to determine whether applicants are ineligible under RCW 9.41.040 to possess a firearm.

(3) In any case under subsection (1)(c) of this section where the applicant has an outstanding warrant for his or her arrest from any court of competent jurisdiction for a felony or misdemeanor, the dealer shall hold the delivery of the pistol until the warrant for arrest is served and satisfied by appropriate court appearance. The local jurisdiction for purposes of the sale shall confirm the existence of outstanding warrants within seventy-two hours after notification of the application to purchase a pistol is received. The local jurisdiction shall also immediately confirm the satisfaction of the warrant on request of the dealer so that the hold may be released if the warrant was for an offense other than an offense making a person ineligible under RCW 9.41.040 to possess a pistol.

(4) In any case where the chief or sheriff of the local jurisdiction has reasonable grounds based on the following circumstances: (a) Open criminal charges, (b) pending criminal proceedings, (c) pending commitment proceedings, (d) an outstanding warrant for an offense making a person ineligible under RCW 9.41.040 to possess a pistol, or (e) an arrest for an offense making a person ineligible under RCW 9.41.040 to possess a pistol, if the records of disposition have not yet been reported or entered sufficiently to determine eligibility to purchase a pistol, the local jurisdiction may hold the sale and delivery of the pistol beyond five days up to thirty days in order to confirm existing records in this state or elsewhere. After thirty days, the hold will be lifted unless an extension of the thirty days is approved by a local district court or municipal court for good cause shown. A dealer shall be notified of each hold placed on the sale by local law enforcement and of any application to the court for additional hold period to confirm records or confirm the identity of the applicant.

(5) At the time of applying for the purchase of a pistol, the purchaser shall sign in triplicate and deliver to the dealer an application containing his or her full name, residential address, date and place of birth, race, and gender; the date and hour of the application; the applicant's driver's license number or state identification card number; a description of the pistol including the make, model, caliber and manufacturer's num-

ber if available at the time of applying for the purchase of a pistol. If the manufacturer's number is not available, the application may be processed, but delivery of the pistol to the purchaser may not occur unless the manufacturer's number is recorded on the application by the dealer and transmitted to the chief of police of the municipality or the sheriff of the county in which the purchaser resides; and a statement that the purchaser is eligible to possess a pistol under RCW 9.41.040.

The application shall contain a warning substantially as follows:

CAUTION: Although state and local laws do not differ, federal law and state law on the possession of firearms differ. If you are prohibited by federal law from possessing a firearm, you may be prosecuted in federal court. State permission to purchase a firearm is not a defense to a federal prosecution.

The purchaser shall be given a copy of the department of fish and wildlife pamphlet on the legal limits of the use of firearms, firearms safety, and the fact that local laws and ordinances on firearms are preempted by state law and must be consistent with state law.

The dealer shall, by the end of the business day, sign and attach his or her address and deliver a copy of the application and such other documentation as required under subsection (1) of this section to the chief of police of the municipality or the sheriff of the county of which the purchaser is a resident. The triplicate shall be retained by the dealer for six years. The dealer shall deliver the pistol to the purchaser following the period of time specified in this section unless the dealer is notified of an investigative hold under subsection (4) of this section in writing by the chief of police of the municipality or the sheriff of the county, whichever is applicable, denying the purchaser's application to purchase and the grounds thereof. The application shall not be denied unless the purchaser is not eligible to possess a pistol under RCW 9.41.040 or 9.41.045, or federal law.

The chief of police of the municipality or the sheriff of the county shall retain or destroy applications to purchase a pistol in accordance with the requirements of 18 U.S.C. Sec. 922.

(6) A person who knowingly makes a false statement regarding identity or eligibility requirements on the application to purchase a pistol is guilty of false swearing under RCW 9A.72.040.

(7) This section does not apply to sales to licensed dealers for resale or to the sale of antique firearms.

9.41.094. Waiver of confidentiality A signed application to purchase a pistol shall constitute a waiver of confidentiality and written request that the department of social and health services, mental health institutions, and other health care facilities release, to an inquiring court or law enforcement agency, information relevant to the applicant's eligibility to purchase a pistol to an inquiring court or law enforcement agency.

9.41.097. Supplying information on persons purchasing pistols or applying for concealed pistol licenses

(1) The department of social and health services, mental health institutions, and other health care facilities shall, upon request of a court or law enforcement agency, supply such relevant information as is necessary to determine the eligibility of a person to possess a pistol or to be issued a concealed pistol license under [RCW 9.41.070](#) or to purchase a pistol under [RCW 9.41.090](#).

(2) Mental health information received by:

(a) The department of licensing pursuant to [RCW 9.41.047](#) or 9.41.173;

(b) An issuing authority pursuant to [RCW 9.41.047](#) or [9.41.070](#);

(c) A chief of police or sheriff pursuant to [RCW 9.41.090](#) or 9.41.173;

(d) A court or law enforcement agency pursuant to subsection (1) of this section, shall not be disclosed except as provided in [RCW 42.56.240\(4\)](#).

9.41.0975. Officials and agencies - Immunity, writ of mandamus

(1) The state, local governmental entities, any public or private agency, and the employees of any state or local governmental entity or public or private agency, acting in good faith, are immune from liability:

(a) For failure to prevent the sale or transfer of a firearm to a person whose receipt or possession of the firearm is unlawful;

(b) For preventing the sale or transfer of a firearm to a person who may lawfully receive or possess a firearm;

(c) For issuing a concealed pistol license or alien firearm license to a person ineligible for such a license;

(d) For failing to issue a concealed pistol license or alien firearm license to a person eligible for such a license;

(e) For revoking or failing to revoke an issued concealed pistol license or alien firearm license;

(f) For errors in preparing or transmitting information as part of determining a person's eligibility to receive or possess a firearm, or eligibility for a concealed pistol license or alien firearm license;

(g) For issuing a dealer's license to a person ineligible for such a license; or

(h) For failing to issue a dealer's license to a person eligible for such a license.

(2) An application may be made to a court of competent jurisdiction for a writ of mandamus:

(a) Directing an issuing agency to issue a concealed pistol license or alien firearm license wrongfully refused;

(b) Directing a law enforcement agency to approve an application to purchase wrongfully denied;

(c) Directing that erroneous information resulting either in the wrongful refusal to issue a concealed pistol license or alien firearm license or in the wrongful denial of a purchase application be corrected; or

(d) Directing a law enforcement agency to approve a dealer's license wrongfully denied.

The application for the writ may be made in the county in which the application for a concealed pistol license or alien firearm license or to purchase a pistol was made, or in Thurston County, at the discretion of the petitioner. A court shall provide an expedited hearing for an application brought under this subsection (2) for a writ of mandamus. A person granted a writ of mandamus under this subsection (2) shall be awarded reasonable attorneys' fees and costs.

9.41.098. Forfeiture of firearms - Disposition - Confiscation

(1) The superior courts and the courts of limited jurisdiction of the state may order forfeiture of a firearm which is proven to be:

(a) Found concealed on a person not authorized by [RCW 9.41.060](#) or 9.41.070 to carry a concealed pistol: PROVIDED, That it is an absolute defense to forfeiture if the person possessed a valid Washington concealed pistol license within the preceding two years and has not become ineligible for a concealed pistol license in the interim. Before the firearm may be

returned, the person must pay the past due renewal fee and the current renewal fee;

(b) Commercially sold to any person without an application as required by [RCW 9.41.090](#);

(c) In the possession of a person prohibited from possessing the firearm under [RCW 9.41.040](#) or 9.41.045;

(f) In the possession of a person free on bail or personal recognizance pending trial, appeal, or sentencing for a felony or for a nonfelony crime in which a firearm was used or displayed, except that violations of Title 77 [RCW](#) shall not result in forfeiture under this section;

(g) In the possession of a person found to have been mentally incompetent while in possession of a firearm when apprehended or who is thereafter committed pursuant to chapter 10.77 or 71.05 [RCW](#);

(h) Used or displayed by a person in the violation of a proper written order of a court of general jurisdiction; or

(i) Used in the commission of a felony or of a nonfelony crime in which a firearm was used or displayed.

(2) Upon order of forfeiture, the court in its discretion may order destruction of any forfeited firearm. A court may temporarily retain forfeited firearms needed for evidence.

(a) Except as provided in (b), (c), and (d) of this subsection, firearms that are:

(i) Judicially forfeited and no longer needed for evidence; or

(ii) Forfeited due to a failure to make a claim under [RCW 63.32.010](#) or 63.40.010; may be disposed of in any manner determined by the local legislative authority. Any proceeds of an auction or trade may be retained by the legislative authority. This subsection (2)(a) applies only to firearms that come into the possession of the law enforcement agency after June 30, 1993. ...

(3) The court shall order the firearm returned to the owner upon a showing that there is no probable cause to believe a violation of subsection (1) of this section existed or the firearm was stolen from the owner or the owner neither had knowledge of nor consented to the act or omission involving the firearm which resulted in its forfeiture.

(4) A law enforcement officer of the state or of any county or municipality may confiscate a firearm found to be in the possession of a person under circumstances specified in subsection (1) of this section. (2) No dealer may sell or otherwise transfer, or expose for sale or transfer, or have in his or her possession with intent to sell, or otherwise transfer, any firearm other than a pistol without being licensed as provided in this section.

(3) No dealer may sell or otherwise transfer, or expose for sale or transfer, or have in his or her possession with intent to sell, or otherwise transfer, any ammunition without being licensed as provided in this section.

(4) The duly constituted licensing authorities of any city, town, or political subdivision of this state shall grant licenses in forms prescribed by the director of licensing effective for not more than one year from the date of issue permitting the licensee to sell firearms within this state subject to the following conditions, for breach of any of which the license shall be forfeited and the licensee subject to punishment as provided in [RCW 9.41.010](#) through 9.41.810. A licensing authority shall forward a copy of each license granted to the department of licensing. The department of licensing shall notify the department of revenue of the name and address of each dealer licensed under this section.

(5)(a) A licensing authority shall, within thirty days after the filing of an application of any person for a dealer's license, determine whether to grant the license. However, if the applicant does not have a valid permanent Washington driver's license or Washington state identification card, or has not been a resident of the state for the previous consecutive ninety days, the licensing authority shall have up to sixty days to determine whether to issue a license. No person shall qualify for a license under this section without first receiving a federal firearms license and undergoing fingerprinting and a background check. In addition, no person ineligible to possess a firearm under [RCW 9.41.040](#) or ineligible for a concealed pistol license under [RCW 9.41.070](#) shall qualify for a dealer's license.

(b) A dealer shall require every employee who may sell a firearm in the course of his or her employment to undergo fingerprinting and a background check. An employee must be eligible to possess a firearm, and must not have been convicted of a crime that would make the person ineligible for a concealed pistol license, before being permitted to sell a firearm. Every employee shall comply with requirements concerning purchase applications and restrictions on delivery of pistols that are applicable to dealers.

(6)(a) Except as otherwise provided in (b) of this subsection, the business shall be carried on only in the building designated in the license. For the purpose of this section, advertising firearms for sale shall not be considered the carrying on of business.

(b) A dealer may conduct business temporarily at a location other than the building designated in the license, if the temporary location is within Washington state and is the location of a gun show sponsored by a national, state, or local organization, or an affiliate of any such organization, devoted to the collection, competitive use, or other sporting use of firearms in the community. Nothing in this subsection (6)(b) authorizes a dealer to conduct business in or from a motorized or towed vehicle.

In conducting business temporarily at a location other than the building designated in the license, the dealer shall comply with all other requirements imposed on dealers by RCW 9.41.090, 9.41.100, and 9.41.110. The license of a dealer who fails to comply with the requirements of RCW 9.41.080 and 9.41.090 and subsection (8) of this section while conducting business at a temporary location shall be revoked, and the dealer shall be permanently ineligible for a dealer's license.

(7) The license or a copy thereof, certified by the issuing authority, shall be displayed on the premises in the area where firearms are sold, or at the temporary location, where it can easily be read.

(8)(a) No pistol may be sold: (i) In violation of any provisions of RCW 9.41.010 through 9.41.810; nor (ii) may a pistol be sold under any circumstances unless the purchaser is personally known to the dealer or shall present clear evidence of his or her identity.

(b) A dealer who sells or delivers any firearm in violation of RCW 9.41.080 is guilty of a class C felony. In addition to any other penalty provided for by law, the dealer is subject to mandatory permanent revocation of his or her dealer's license and permanent ineligibility for a dealer's license.

(c) The license fee for pistols shall be one hundred twenty-five dollars. The license fee for firearms other than pistols shall be one hundred twenty-five dollars. The license fee for ammunition shall be one hundred twenty-five dollars. Any dealer who obtains any license under subsection (1), (2), or (3) of this section may also obtain the remaining licenses without payment of any fee. The fees received under this section shall be deposited in the state general fund.

(d) In addition to the methods of disposition provided by article five [§§ 49-5-1 et seq.], chapter forty-nine of this code, any court which adjudicates a person who is fourteen years of age or older as delinquent for a violation of subsection (b) of this section may, in its discretion, order the Division of Motor Vehicles to suspend any driver's license or instruction permit issued to such person for such period of time as the court may

deem appropriate, such suspension, however, not to extend beyond such person's nineteenth birthday; or, where such person has not been issued a driver's license or instruction permit by this state, order the division of motor vehicles to deny such person's application for the same for such period of time as the court may deem appropriate, such denial, however, not to extend beyond such person's nineteenth birthday. Any suspension ordered by the court pursuant to this subsection shall be effective upon the date of entry of such order. Where the court orders the suspension of a driver's license or instruction permit pursuant to this subsection, the court shall confiscate any driver's license or instruction permit in the adjudicated person's possession and forward the same to the division of motor vehicles.

(e)(1) If a person eighteen years of age or older is convicted of violating subsection (b) of this section, and if such person does not act to appeal such conviction within the time periods described in subdivision (2) of this subsection, such person's license or privilege to operate a motor vehicle in this state shall be revoked in accordance with the provisions of this section.

(2) The clerk of the court in which the person is convicted as described in subdivision (1) of this subsection shall forward to the commissioner a transcript of the judgment of conviction. If the conviction is the judgment of a magistrate court, the magistrate court clerk shall forward such transcript when the person convicted has not requested an appeal within twenty days of the sentencing for such conviction. If the conviction is the judgment of a circuit court, the circuit clerk shall forward such transcript when the person convicted has not filed a notice of intent to file a petition for appeal or writ of error within thirty days after the judgment was entered.

(3) If, upon examination of the transcript of the judgment of conviction, the commissioner shall determine that the person was convicted as described in subdivision (1) of this subsection, the commissioner shall make and enter an order revoking such person's license or privilege to operate a motor vehicle in this state for a period of one year, or, in the event the person is a student enrolled in a secondary school, for a period of one year or until the person's twentieth birthday, whichever is the greater period. The order shall contain the reasons for the revocation and the revocation period. Such request for hearing shall be made within ten days after receipt of a copy of the order of suspension. The sole purpose of this hearing shall be for the person requesting the hearing to present evidence that he or she is not the person named in the notice. In the event the commissioner grants an administrative hearing, the commissioner shall stay the license suspension pending the commissioner's order resulting from the hearing.

(4) For the purposes of this subsection, a person is convicted when such person enters a plea of guilty or is found guilty by a court or jury.
